

HORTICULTURE INTERN QUESTIONNAIRE

- OLBRICH BOTANICAL GARDENS -

1. Please list and describe the qualities you believe will lead to success in the field of public horticulture such as an arboretum or botanic garden.
2. Why are you interested in the position of Horticulture Intern? Please tell us how you can contribute to Olbrich's Horticulture Team and what you expect to learn from your internship. What do you think will be the most challenging aspect of the position?
3. Please share your short-range professional goals. What are your long-range professional goals and objectives?
4. The position of Horticulture Intern involves working with many different people, including full-time staff and volunteers, as well as the public who visit the gardens. Please describe your experience working with groups and individuals.
5. Please provide any additional information which relates to the Essential Functions (listed in Horticulture Intern job description) you would like to share. This is your opportunity to tell us why we should select you over other horticulture intern applicants. Note: This position is hired strictly on the information you provide in your application, resume, and questionnaire - there is no face-to-face interview.
