OLBRICH BOTANICAL GARDENS' WISH LIST

Our growing public garden has many needs! Here are some ideas on how you can help. For more information, contact Olbrich's Interim Director of Development, Joe Vande Slunt, at 608-246-4583 or jvandeslunt@cityofmadison.com.

EDUCATION PROGRAM SUPPORT

Learn in the Library – Supply books and periodicals to provide inspiration and information for Olbrich's Schumacher Library. - ~~**$3,600**~~ DONATED – THANK YOU!

Structural Support – Support the periodicals, publications, and children's books throughout the Schumacher Library by purchasing new shelves. - **$1,000**

Teach the Kids – Provide one-year of classroom supplies to Olbrich's growing youth and family educational programs. - **$4,200**

GROW THE GARDENS

Champion the Conservatory – Provide and care for the rare and exotic plant collection, free-flying birds, koi, and waterfall in the 10,000 square foot tropical Bolz Conservatory. - **$3,000 annually**

Nurture the Outdoor Gardens – Keep the gardens in peak condition by providing plants and the supplies needed for their care. - **$10,000 annually**

ENHANCE THE GARDENS

Stacked Stone Sculpture – Dry-stacked field stone sculpture created by local artist Steve Coster, with landscape lighting. - ~~**$5,000**~~ DONATED – THANK YOU!

Longshadow Planters – A variety of planters to be displayed throughout the Gardens. - **$8,000**

Light the Way – New landscape lighting to improve navigation for GLEAM: Art in a New Light, Olbrich's signature fall exhibit featuring light-based installations throughout the gardens. This lighting upgrade will include illuminating the path to the Thai Pavilion. - **$3,000 - $5,000**

VOLUNTEER PROGRAM SUPPORT

Help the Givers Give – Olbrich's 600 volunteers donate more than 27,000 hours of their time annually. Support this award-winning program by providing essential materials for those who give so generously to the gardens. - **$1,200 annually**
