

Olbrich's New Tribute Trellis

Olbrich is pleased to announce our new Tribute Trellis program. An outdoor, custom-designed trellis which features engraved plaques, the Tribute Trellis is the perfect way to recognize a special occasion or remember a loved one.

For a specific donation, your personalized message will be inscribed on a plaque and placed on the leaf-shaped trellis for three to five years. At the end of that time, the plaque is returned to you or your designee as a lasting remembrance of your special connection to Olbrich Botanical Gardens.

A plaque on Olbrich's new Tribute Trellis is a wonderful way to share your special message with all who visit the Gardens. Be among the first to showcase your personal message. As always, your donation will help keep Olbrich Botanical Gardens growing!

Olbrich is seeking a Tribute Trellis sponsor. If you—or your company—are interested in an in-garden sponsorship opportunity, contact Connie Beam at 608-246-4583.

A plaque with your special message will be mounted on the Tribute Trellis in recognition of your donation.
