

Olbrich's Tribute Trellis

Olbrich's outdoor, custom-designed trellis features engraved plaques, a perfect way to recognize a special occasion or remember a loved one.

Your personalized message will be inscribed on a plaque and placed on the leaf-shaped trellis for three to five years. At the end of that time, the plaque is returned to you or your designee as a lasting remembrance of your special connection to Olbrich Botanical Gardens.

Plaques are installed twice a year, typically in the spring and fall. The installation is commemorated with a short, informal unveiling ceremony held at the Gardens, to which family and friends are welcome. For anticipated installation dates and ceremony times, please contact Joe Vande Slunt at 608-246-4724 or jvandeslunt@cityofmadison.com.

A plaque with your special message will be mounted on the Tribute Trellis in recognition of your donation.
