PERENNIALS							
Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Acanthus spinosus</i>		Bears Breech	3 - 4'	june - sept	pink	sun	Very handsome, dark green, deeply divided leaves with spiny points. Spikes of soft mauve flowers.
<i>Achillea millefolium</i>	Saucy Seduction	Saucy Seduction Yarrow	18 - 24"	june - july	pink	sun	Flowers open intense fuchsia pink, lightening to medium pink. New flowers are produced all summer, providing an array of color over an extended period.
<i>Achillea millefolium</i>	Strawberry Seduction	Strawberry Seduction Yarrow	18 - 24"	june - july	red	sun	Large clusters of strawberry red flowers with a gold center form a domed canopy atop a robust, compact, upright clump of grey-green foliage. Mature flowers turn buff yellow.
<i>Aconitum fischeri</i>		Azure Monkshood	18 - 24"	august - september	blue	sun-part shade	Produces upright spikes of lavender-blue flowers. This species has particularly strong stems that will not require staking. Deeply divided, dark green, glossy foliage.
<i>Ajuga reptans</i>	Burgundy Glow	Burgundy Glow Bugleweed	3 - 6"	early summer	blue	sun-part shade-shade	Tri-colored foliage in shades of creamy-white, rose-burgundy, and dark green. Deep bronze in fall. Short spikes of blue flowers
<i>Allium</i>	Millenium	Millenium Ornamental Onion	15 - 20"	summer	purple	sun-part shade	NEW! The best Allium we've seen in years! A profusion of large 2" round, bright rosy purple clusters appear on strong stems. Forms a picture perfect, compact, upright clump of glossy green, thick and strappy leaves. Does not reseed.
<i>Allium cernuum</i>		Nodding Wild Onion	12 - 18"	june - september	pink	sun-part shade	Grass-like foliage with elegant nodding flower heads.
<i>Allium senescens</i>	Blue Eddy	Blue Eddy Ornamental Onion	8"-12"	july-sept.	pink	sun-part shade	1 1/2" lilac pink flowers said to resemble "small swirling eddies of water" bloom atop gray green foliage. Does not reseed.
<i>Allium tanguticum</i>	Summer Beauty	Summer Beauty Onion	12 - 18"	july - aug	purple	sun	Sunning dark purple flowers in mid-summer! Seeds are sterile so this allium will not spread. Glossy green foliage is attractive early spring thru frost.
<i>Amsonia</i>	Blue Ice	Blue Ice Blue Star	12" - 18"	july - august	blue	sun-part shade	Compact selection with steel blue star shaped flowers. Blooms long and strong. Forms dense compact mound with dark green leaves that turn brilliant yellow in the fall.
<i>Amsonia hubrechtii</i>		Narrow Leaf Blue Star	24 - 36"	april - may	blue	sun-part shade	Sky blue flowers, threadlike foliage which remains attractive throughout the season. Stunning golden color in fall.
<i>Amsonia tabernaemontana</i>	Storm Cloud	Storm Cloud Blue Star	2-3'	May	blue	sun-part shade	Spring stems are dark, with silver-veined dark green leaves, which lighten through the summer. Flowers abundantly, often with some rebloom.
<i>Anchusa capensis</i>	Blue Angel	Summer Forget-Me-Not	12-18"	summer		sun	Smothering itself in richest royal blueness, EASY and deer resistant. Anchusa capensis creates a quick explosion of captivating color. Happiest with plenty of Sun – right up in front of your garden or container. Self seeding.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Anemone</i>	Curtain Call Deep Rose	Curtain Call Deep Rose Anemone	14-18"	Late Summer- Early Fall		sun-part shade	Beginning in late summer, this perennial produces dark rose pink flowers that are positioned right above a small mound of green foliage. Its shorter stature works perfectly for fall interest in containers.
<i>Anemone</i>	Honorine Jobert	Honorine Jobert Anemone	3 - 4'	sept - oct	white	sun-part shade	Large single white flowers on tall stems. Very free flowering, graceful plants. Highly recommended.
<i>Anemone</i>	September Charm	September Charm Japanese Anemone	24 - 36"	sept - oct	pink	sun-part shade	Large, single rose-pink flowers in fall. Great accent plant in mixed borders!
<i>Anemone</i>	WMacane001	Wild Swan Anemone	20"	late spring to frost		sun-part shade-shade	Graceful white flowers with lilac bands on the backside of the petals dance on wiry stems. This anemone blooms from late spring til frost, attracts bees, and has huge flowers to 3.5"! Lilac bands especially nice at night.
<i>Anemone sylvestris</i>	Madonna	Madonna Snowdrop Anemone	9-12"	Late Spring- Early Summer		sun-part shade	Anemone 'Madonna' is a delightful spring bloomer with large 2-3", pure white, lightly fragrant flowers from late spring into early summer with a possible rebloom in fall.
<i>Aquilegia</i>	Songbird Cardinal	Songbird Cardinal Columbine	24"-30"	late spring-early summer		sun-part shade	Spurred red and white flowers atop ferny green foliage. Compact habit.
<i>Aquilegia vulgaris</i>	Winky Double Rose-White	Winky Double Rose-White Columbine	12-14"	spring		sun-part shade	This woodland flower has double blooms in rose pink and white. Often short-lived, but will self-sow.
<i>Aralia cordata</i>	Sun King	Sun King Golden Japanese Spikenard	36"	summer	white	part shade	Unique, lime-green, tropical-looking with large leaves compliments woodland perennials. Blooms tiny white flowers followed by dark purple, inedible berries.
<i>Aruncus</i>	Misty Lace	Misty Lace Goat's Beard	18 - 24"	May	white	sun-part shade	Large, creamy white, feathery plumes are produced on dark red stems atop compact mounds of astilbe-like foliage.
<i>Asarum canadense</i>		Canadian Wild Ginger	6 - 8"	foliage	foliage	part shade-shade	Leaves are heart-shaped to kidney-shaped up to 7" wide. Spreads by rhizomes; good naturalizer. Roots have ginger scent when cut and are sometimes used as a ginger substitute. Will grow under Walnut trees!!!
<i>Asarum europaeum</i>		European Wild Ginger	3 - 6"	foliage	foliage	shade	Wonderful groundcover plant with glossy green, kidney-shaped leaves.
<i>Asarum splendens</i>		Showy Wild Ginger	4-6"	spring	foliage	part shade-shade	This Chinese ginger has silver markings on the leaves reminiscent of cyclamen, and hard-to-notice brown flowers that lie on the ground beneath the foliage.
<i>Asclepias incarnata</i>	Cinderella	Cinderella Swamp Milkweed	3 - 5'	late summer	pink	sun	A hassle-free perennial, offering three months of vanilla-scented, rose-pink flowers in three to four inch compact clusters. Clump former.
<i>Asclepias tuberosa</i>	Hello Yellow	Hello Yellow Milkweed	18 - 24"	june - aug	yellow	sun	Yellow version of a butterfly and hummingbird favorite! Tolerates heat well and has a long bloom time.
<i>Aster azureus</i>		Sky Blue Aster	2-3'	Late Summer-Fall		sun-part shade	Bright and showy from late August into October when it is covered with brilliant blue blooms. Thrives in almost any soil, from dry sand to moist loam, in full sun to light shade.
<i>Aster dumosus</i>	Red Alert	Red Alert Bushy Aster	12-18"	Later summer- Fall		sun	Densely packed clusters of purplish-red flowers provide outstanding color in the garden from late summer into fall.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Astilbe arendsii</i>	Happy Spirit	Happy Spirit False Goatsbeard	24"	Spring-Summer		part shade-shade	Creamy white flowers on red stems with glossy foliage. Excellent plants for borders, containers, the shade garden and edges of ponds. Good cut flowers.
<i>Astilbe chinensis</i>	Amber Moon	Amber Moon Astilbe	30-34"	mid summer	pink	part shade	The lacy foliage comes on in spring chartreuse with a tinge of red. The leaves are bright notes against the darker greens of most garden plants. In midsummer the flowers arrive--rosy pink panicles borne on long, upright red stems.
<i>Astilbe x arendsii</i>	Flamingo	Flamingo Astilbe	20"	summer	pink	sun-part shade-shade	Flamingo pink flowers are presented on wide, airy plumes that are held upright. Slightly fragrant.
<i>Athyrium</i>	Ghost	Ghost Fern	24" - 36"	foliage	foliage	part shade-shade	Stunning silvery fronds, growing broad and tall. Rigid upright clump form is bound to leave you with a haunting impression.
<i>Athyrium filix-femina</i>	Lady in Red	Lady in Red Fern	30" - 36"	foliage	foliage	part shade-shade	Vibrant burgundy colors run throughout the stipe making this one of the most exciting perennial garden fern introductions.
<i>Baptisia</i>	Decadence Vanilla Cream	Decadence Vanilla Cream False Indigo	3'	may-june	yellow	sun-part shade	Foliage emerges an attractive bronze in spring, growing to form a sturdy vase-shaped clump of gray-green foliage. 10" spikes of pastel yellow buds open to creamy vanilla flowers, and turn to ornamental gray-brown seed pods in fall.
<i>Baptisia leucantha</i>		Wild White Indigo	36 - 48"	june - july	white	sun-part shade	Tall perennial with white flowers in late summer. A prairie plant of classic elegance with its small graceful form and waxy clusters of lovely blossoms. This plant fixes nitrogen into the soil.
<i>Bergenia</i>	Rosi Klose	Rosi Klose Pigsqueak	12-15"	April-May	pink	part shade-shade	Large glossy, leathery leaves turn burgundy in cold weather. Repeating clusters of deep pink flowers rise above the foliage.
<i>Bergenia cordifolia</i>	Red Beauty	Red Beauty Pig Squeak	12-15"	Spring		part shade	Large evergreen foliage with thick leathery leaves, clusters of deep purple-red flowers bloom on heavy stems in spring, glossy foliage turns burgundy-bronze in fall and winter.
<i>Brunnera macrophylla</i>	Emerald Mist	Emerald Mist Heartleaf Brunnera	12 - 15"	april - may	blue	part shade-shade	Has silver barring with the bars connecting to form a silver collar around the perimeter of the leaf. In addition, there is a very light dusting of silver over the entire leaf surface. Produces tiny, baby blue, forget-me-not type flowers.
<i>Brunnera macrophylla</i>	Looking Glass	Looking Glass Brunnera	12-15"	april - may	blue	part shade-shade	Tiny blue flowers resembling forget-me-nots bloom above young foliage which is frosty silver with green veins. The leaves become solid silver and cupped downward as they age.
<i>Ceratostigma plumbaginoides</i>		Plumbago	12"	summer	blue	sun-part shade	Groundcover with intense blue flowers and glossy green foliage. Foliage turns a beautiful bronzy-red in fall. Great in mixed containers. Favorite butterfly plant.
<i>Chelone glabra</i>	Black Ace	Black Ace Turtlehead	4-5'	late summer	white	sun-part shade	Foliage emerges in the spring with a very dark black cast turning to a dark green. Great for mixed borders

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Cimicifuga</i>	Chocoholic	Black Snakeroot	4-5'	Late Summer - Early Fall		part shade-shade	From late summer through early fall, fragrant bottlebrush flowers dance above the bronze purple foliage. Flowers are a rich mauve-pink color when they open and lighten to white as they age.
<i>Cimicifuga</i>	Pink Spike	Pink Spike Snakeroot	55-60"	Late Summer- Fall		shade	Large, upright perennial for late-summer bloom. Long bottlebrush-like flowers are fragrant and form attractive seedpods.
<i>Clematis integrifolia</i>	Blue Ribbons	Blue Ribbons Bush Clematis	16-18"	Late Spring- Late Summer		sun-part shade	A bush-type clematis that produces very large indigo blue flowers, up to three times larger than typical! This is a low growing variety, non-vining type, and it may benefit from light staking or support from nearby plants.
<i>Clematis recta</i>	Serious Black	Serious Black Bush Clematis	4-6'	Late Spring-Summer		sun-part shade	A bush type that it can stand up on its own with extraordinarily dark purple new foliage which matures to deep olive green. Ivory colored blossoms about the size of a nickel appear in clusters.
<i>Convallaria majalis</i>	Bordeaux	Bordeaux Lily of the Valley	6-8"	Mid- Late Spring		sun-part shade	The flowers appear in spring and last for several weeks. These blossoms are very fragrant.Despite the dainty appearance of the blossoms, Convallaria is actually a tough, vigorous groundcover.
<i>Coreopsis</i>	Berry Chiffon	Berry Chiffon Tickseed	15"-18"	july-sept.	pink	sun	White flowers with a vibrant raspberry red eye bloom for months above dark green threadleaf foliage. Sturdy, upright clump is highly disease resistant and more heat and cold tolerant than other threadleaves.
<i>Coreopsis</i>	Red Elf	Li'l Bang Red Elf Tickseed	8-12"	Summer- Fall		sun	Deep burgundy red blossoms on a smaller bun-shaped habit makes this plant fit perfect into combination container plantings or smaller borders.
<i>Coreopsis</i>	Starlight	Li'l Bang Starlight Tickseed	8-12"	summer	mixed	sun	Especially large white flowers have a burgundy star in the center. The blooms on this compact plant come all summer without deadheading.
<i>Coreopsis grandiflora</i>	SunKiss	SunKiss Tickseed	12-14"	Late Spring- Late Summer		sun	This beautiful, heat-tolerant plant will form a well-branched habit with nearly 3" wide, golden yellow flowers with burgundy red centers.
<i>Corydalis lutea</i>		Yellow Corydalis	12"	spring, reblooming	yellow	part shade	Yellow Dicentra-like flowers on soft, lacy foliage. Reliable, easy plant for shade. Reseeds in the most perfect locations.
<i>Delphinium elatum</i>	Magic Fountains Dark Blue Bee	Magic Fountains Dark Blue Bee Delphinium	28"-36"	june	blue	sun	Dark blue flowers with a white bee crowd all along the spike for a very bushy, colorful effect. Blooms in early to midsummer.
<i>Delphinium grandiflorum</i>	Blue Butterfly	Blue Butterfly Dwarf Delphinium	18"	june-aug.	blue	sun	Tall spikes of cup-shaped flowers in a striking shade of dark blue. Blooms early-late summer.
<i>Dianthus</i>	Coral Reef	Coral Reef Carnation	9-12"	early summer and early fall	pink	sun-part shade	Large 1-1.5", fully double blossoms are a rich coral color with delicately fringed, light pink to white edges, and have a strong, spicy fragrance. Grey-blue foliage complements the flowers and forms an attractive mound all season.
<i>Dianthus</i>	Electric Red	Pretty Poppers Electric Red Sweet William	8-10"	Summer- Fall		sun-part shade	Dramatic double flowering, rich red flowers with strong stems held above blue-green leaves.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Dianthus gratianopolitanus</i>	Firewitch	Firewitch Cheddar Pinks	7-8"	Summer-Fall		sun-part shade	Shocking magenta-pink, upward-facing blooms which exude the scent of cloves appear in masses above silvery-blue mats of evergreen foliage.
<i>Dicentra</i>	Fire Island	Fire Island Bleeding Heart	12"-15"	may-july	red	sun-part shade	Magenta red, heart-shaped flowers bloom for months, held above finely dissected frosty blue foliage. Selected for improved vigor and disease resistance, and increased flowering. Deer-resistant.
<i>Dicentra</i>	Luxuriant	Luxuriant Bleeding Heart	12 - 15"	spring	red	part shade	Cherry red, heart-shaped blooms float above spreading mounds of ferny, blue-green foliage. This selection is everblooming, flowering most freely in spring and continuing throughout the summer and into fall.
<i>Dicentra spectabilis</i>		Old Fashioned Bleeding Heart	30"	spring	pink	sun-part shade	An old time favorite with drooping chains of pink hearts.
<i>Dicentra spectabilis</i>	Alba	Alba Old Fashioned Bleeding Heart	30"	spring	white	part shade-shade	Graceful arching stems carry white locket-shaped hearts.
<i>Dicentra spectabilis</i>	Gold Heart	Gold Heart Bleeding Heart	24 - 36"	spring	pink	part shade-shade	Golden foliage provides a backdrop in spring for the chains of drooping, soft pink, heart-shaped flowers. Foliage retains its color into summer, before going dormant.
<i>Dicentra spectabilis</i>	VALENTINE	Valentine Old Fashioned Bleeding Heart	30"	late spring	red	part shade/shade	Bright red, puffy heart-shaped flowers with a white tip dangle from deep red, arching stems for several weeks. Quickly forms a robust clump of attractive foliage a bit darker than the species; foliage will die back in summer.
<i>Digitalis purpurea</i>	Excelsior Hybrids	Excelsior Hybrids Common Foxglove	4 - 5'	june	mixed	sun-part shade	Dignified spikes of large colorful tubular flowers. A blend of unusual shades of white, purple and lavender. Biennial. Butterfly and hummingbird favorite.
<i>Dryopteris erythrosora</i>	Brilliance	Brilliance Autumn Fern	18"-24"	foliage	foliage	shade	Brilliance is a more colorful cultivar of this striking autumn fern. Young fronds emerge a lustrous orange and mature to glossy green. Growth habit is identical to standard Autumn Fern but much showier!
<i>Echinacea</i>	Adobe Orange	Sombrero Adobe Orange Coneflower	18-20"	Summer		sun-part shade	Intense orange flowers with a matching orange cone that really makes the color pop. Dark green foliage is completely covered with flowers.
<i>Echinacea</i>	Cheyenne Spirit	Cheyenne Spirit Coneflower	18-30"	summer	mixed	sun	A hybrid Coneflower, featuring single flowers in the first year. Petals are narrow, rolled or quilled in vivid shades of orange, red, rosy-red, yellow, purple and cream surrounding a large brown cone.
<i>Echinacea</i>	Cleopatra	Cleopatra Coneflower	16-18"	summer	yellow	sun	Fragrant, single to semi-double flowers with lemon yellow petals surrounding an orange cone are attractive to both humans and butterflies. Will continue to flower if deadheaded, birds eat the seed in spent blooms over the winter.
<i>Echinacea</i>	Pixie Meadowbrite	Pixie Meadowbrite Coneflower	18-24"	June-October	pink	sun	Compact and sturdy plants, with well branched stems supporting upward facing flowers.
<i>Echinacea</i>	Sensation Pink	Sensation Pink Coneflower	16-18"	Mid- Late Summer		sun-part shade	Hot magenta pink coneflowers lighten to lavender with age. The flowers are presented on dark stems above a truly compact habit.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Echinacea pallida</i>		Pale Purple Coneflower	2' - 3'	june - july		sun	A favorite for Olbrich's gravel gardens, this Echinacea has narrow, pale pink petals which droop downwards from the spiny center cone.
<i>Echinacea purpurea</i>	Kim's Knee High	Kim's Knee High Echinacea	18 - 24"	summer	pink	sun	Clear pink, drooping flexed flower petals. Very compact, heavy bloomer
<i>Echinops bannaticus</i>	Blue Glow	Blue Glow Globe Thistle	3' - 4'	summer	blue	sun	Echinops is a clumping perennial, easy to grow but not invasive. Intense blue spiky flowers appear on tall, unbranched stems. Foliage is a bold silver. Attractive to bumblebees and nocturnal moths and a good everlasting cut flower.
<i>Epimedium</i>	Domino	Domino Epimedium	18-24"	Mid-Late Spring		part shade-shade	'Domino' produces flowers with white spurs and pink centers. The delicate-looking flowers have an airy feel, making it the perfect contrast to other shade items like Hosta.
<i>Epimedium x rubrum</i>		Rubrum Epimedium	8 - 12"	may - june	red	part shade-shade	Rich ruby-red flowers, great ground cover for shade. Delicate foliage has airy appearance.
<i>Epimedium x versicolor</i>	Sulphureum	Epimedium	12"	early summer	yellow	part shade-shade	Nice evergreen groundcover. Young leaves are flushed red then turn green as they mature. Small pale yellow flowers.
<i>Eryngium planum</i>	Blue Glitter	Blue Glitter Sea Holly	6 - 8"	july	blue	sun	Has long lasting, blue, spiny flowers that are produced on intensely silver-blue stems and stand high above the basal rosette of blue-green, deeply toothed, smooth textured leaves.
<i>Eryngium yuccifolium</i>		Rattlesnake Master	3 - 4'	june - sept	white	sun	Silvery thistle-type flower heads. Pale pointy foliage. Midwest native.
<i>Euphorbia</i>	Ascot Rainbow	Ascot Rainbow Spurge	20"	April - May	mixed	sun-part shade	Unique variegated foliage topped by clusters of variegated cream, lime, & green flowers in spring. In cooler months newer foliage flushes red, pink, & orange. Great in beds or containers!
<i>Euphorbia polychroma</i>	Bonfire	Bonfire Cushion Spurge	18"	late spring	yellow	sun-part shade	Amazing color. Deep purple, red and orange leaves. Sulphur yellow bracts in spring. Forms rounded mound.
<i>Filipendula rubra</i>	Venusta	Venusta Queen of the Prairie	4'	july - aug	pink	sun-part shade	Very large, pink flower heads from summer till fall. Showy vigorous plants.
<i>Filipendula vulgaris</i>	Plena	Plena Meadowsweet	24 - 32"	Jun-Aug	white	sun-part shade	Double, creamy-white flowers over ferny foliage in spring and summer.
<i>Gaillardia aristata</i>	Arizona Apricot	Arizona Apricot Blanket Flower	12"	May - Sept	yellow	sun	Compact, uniform bright green foliage covered in large yellow-apricot blossoms with dark orange centers. Low maintenance and drought tolerant.
<i>Gaillardia aristata</i>	Arizona Red Shades	Arizona Red Shades Blanket Flower	10" - 12"	June - September	red	sun	This sister to 'Arizona Sun' produces masses of large, crimson red flowers over a very long period. Has a slight yellowing of the tips. Much more compact and uniform.
<i>Galium odoratum</i>		Sweet Woodruff Galium	6"	june	white	part shade-shade	A vigorous ground cover with tiny, white, star-shaped flowers above a carpet of green foliage. The bright green leaves are fragrant when crushed and are finely cut.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Gentiana</i>	True Blue	Bottle Gentian	24-36"	late summer	blue	sun	An upright mound of shiny green leaves bears open funnel-shaped blooms of electric blue. Excellent for cutting, and attractive to butterflies and hummingbirds.
<i>Geranium</i>	Perfect Storm	Perfect Storm Cranesbill	12"	May - July	pink	sun-part shade	A multitude of small, magenta pink blossoms with a black center and veins are produced atop low, spreading mounds of velvety grey-green foliage in summer.
<i>Geranium</i>	Rozanne	Rozanne Cranesbill	18 - 20"	may - sept	blue	sun-part shade	Huge, glowing violet blue, saucer-shaped flowers with distinctive white eyes and reddish-purple veining are held above mounds of deep green foliage that is slightly marbled with chartreuse. This is an amazingly free-flowering cultivar!
<i>Geranium cinereum</i>	Ballerina	Ballerina Cranesbill	4 - 6"	late spring - mid summer	purple	sun-part shade	Multiple award winner! Low growing with large, two-inch wide lilac-pink flowers with purple veins on the petals.
<i>Geranium macrorrhizum</i>	Bevan's Variety	Bevan's Variety Cranesbill	12"	Late Spring-Summer		sun-part shade	Bright fragrant magenta-red blossoms with conspicuous veining and decorative deep red sepals highlight dense mounds of pine-scented foliage
<i>Geranium phaeum</i>	Samobor	Samobor Cranesbill	16-20"	Late Spring- Early Summer		sun-part shade	Royal purple flowers are held high above the maple leaf shaped cut foliage. Geranium Samobor lends nice height and a wildflower look to woodland gardens.
<i>Geum flora plena</i>	Blazing Sunset	Blazing Sunset Avens	24"	Late Spring-Summer		sun-part shade	Delightful fully double, scarlet red geum with a larger blooms float atop a fuzzy, green mound of leaves. Enjoy them as a cut flower in fresh bouquets.
<i>Geum triflorum</i>		Prairie Smoke	12 - 18"	april - july	pink	sun	Graceful nodding pink flowers followed by feathery seed heads.
<i>Gillenia trifoliata</i>		Bowman's Root	2-3'	may-june	white	sun-part shade	An upright, somewhat bushy perennial native to the Eastern and Southern US, plant has red stems with white star-like flowers held in wine-red cups.
<i>Helenium</i>	Mardi Gras	Mardi Gras Sneezeweed	36'	late summer	yellow	sun	Yellow petals are lavishly edged with bright orange-red, aging to clear red edged in gold, all surrounding deep brown cones. Cut by half in June for bushier plants.
<i>Heliopsis helianthoides</i>	Summer Nights	Summer Nights Oxeye Daisy	3-4'	summer	yellow	sun-part shade	Golden yellow daisy flowers have a deep mahogany center that echoes the dark red stems and red tinged foliage. Stands out in any perennial border.
<i>Heliopsis helianthoides</i>	Tuscan Gold 'Inhelsodor'	Tuscan Gold False Sunflower	24-32"	Summer		sun-part shade	Bright golden yellow, daisy-like flowers with an orange-gold button center are produced on strong stems. This exciting new selection boasts a compact, upright habit with dark green leaves that resist powdery mildew.
<i>Heliopsis helianthoides var. scabra</i>	Sunburst	Sunburst False Sunflower	30-36"	late summer	yellow	sun-part shade	This upright unfussy perennial has beautiful cream and green variegated foliage, with 2" yellow daisy-like flowers coming in late summer.
<i>Helleborus</i>	Blushing Bridesmaid	Wedding Party Blushing Bridesmaid Lenten Rose	18-24"	early spring	pink	part shade-shade	The Wedding Party™ series showcases double-flowered selections of notable vigor; this selection bears 2-2.5" double white flowers with raspberry pink veining and picotee edge.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Helleborus</i>	Sandy Shores	Honeymoon Sandy Shores Lenten Rose	18-24"	early spring	white	part shade-shade	The soft pale peach petals of this single flowering variety are accented with a central flush of purple that provides a lovely contrast. The backs of the petals display a glowing twilight pink.
<i>Helleborus</i>	True Love	Wedding Party True Love Lenten Rose	18-24"	Late Winter- Spring		part shade-shade	Helleborus 'True Love' bears rich maroon red, 3-3½" double flowers. This is the perfect plant for naturalizing in moist, woodland areas where its extensive root system will spread as far as it is allowed.
<i>Helleborus</i>	Walhelivor	Ivory Prince Lenten Rose	12 - 18"	march - april	white	part shade-shade	From late winter through mid-spring, rich burgundy pink buds open to ivory white blossoms which become streaked with rose and chartreuse as they age. The attractive dark blue-green foliage remains compact in habit, unlike some other hybrids.
<i>Helleborus</i>	Wedding Bells	Wedding Party Wedding Bells Lenten Rose	18-24"	Late Winter- Spring		part shade-shade	Helleborus 'Wedding Bells' bears clear white, 2-2½" double flowers. Notable vigor, showy floral displays with large numbers of blossoms per plant, and rich flower color can be expected.
<i>Heuchera</i>	Berry Timeless	Berry Timeless Coral Bells	8"-10"	early summer - mid fall		sun-part shade- shade	This <i>H. villosa</i> hybrid has mint green foliage with light silvering and pink flowers that bloom over a long season. It is notable in that spent flower petals dry on the plant to a dark red, a nice contrast to new flowers coming on in lighter pink.
<i>Heuchera</i>	Black Pearl	Black Pearl Coral Bells	8-10"	Mid Summer		sun-part shade	'Black Pearl' forms an incredibly dense habit of shiny, jet black leaves with scalloped, ruffled edges. Each leaf has rosy purple undersides. White flowers with pink calyxes appear in midsummer.
<i>Heuchera</i>	Caramel	Caramel Coral Bells	12"	summer	white	part shade	Popular selection prized for its vigor and densely robust habit. Forms a rounded mound of large fuzzy leaves that range in color from apricot to amber depending on light levels and temperature. Cream flowers.
<i>Heuchera</i>	Electra	Electra Coral Bells	8"	summer	white	sun-part shade	Leaves emerge electric yellow and then soften to chartreuse with softer red veining. Nice mounding habit makes this great for paths and containers.
<i>Heuchera</i>	Grape Expectations	Grape Expectations Coral Bells	12" - 34"	june - july	white	sun-part shade	A new <i>H. villosa</i> hybrid selected for improved growth and vigor. Forms a dense mound of durable grape purple leaves with black veins. A bright silver overlay appears in midsummer. Creamy flowers.
<i>Heuchera</i>	Lava Lamp	Lava Lamp Coral Bells	12-16"	summer	foliage	part shade-shade	Rounded leaves emerge coppery orange before turning to deep purple. Flowers are creamy white, but the foliage is the star.
<i>Heuchera</i>	Lime Ruffles	Lime Ruffles Heuchera	16"-18"	aug.-sept.	foliage	part shade	A vigorous mound with very large and ruffled lime green leaves with a frosty white overlay. Shows better heat tolerance. Attractive white flowers in the fall on medium spikes.
<i>Heuchera</i>	Midnight Rose	Midnight Rose Coralbells	12" - 18"	foliage	foliage	sun-part shade	Exciting dark purple foliage thickly spotted hot pink!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Heuchera</i>	Silver Gumdrop	Dolce Silver Gumdrop Coral Bells	6-8"	summer	pink	part shade- shade	Semi-glossy, iridescent silver leaves are topped with vibrant pink flowers. Leaves take on a rosy blush overtone later in the season.
<i>Heuchera</i>	Twist of Lime	Twist of Lime Coral Bells	8-10"	Summer		part shade- shade	Incredibly wavy, chartreuse yellow leaves perform well in dappled shade or morning sun. Cream flowers appear in early summer.
<i>Heuchera americana</i>	Marvelous Marble	Marvelous Marble Coral Bells	12"	early-mid summer		sun-part shade-shade	Selection of a native plant with foliage that emerges purple and turns green with a silvery blush later in the summer. Creamy white flowers rise 8" above the leaves in early-mid summer.
<i>Hibiscus</i>	Airbrush Effect	Airbrush Effect Hibiscus	3.5-4.0'	Summer		sun-part shade	8-8½", vibrant pink flowers with salmon tones have an airbrushed central white halo and a small dark red eye. Overlapping petals create a three dimensional look to the flowers. The rich, dark green foliage forms a compact habit.
<i>Hibiscus</i>	Summerific Perfect Storm	Summerific Perfect Storm Hibiscus	30-36"	Summer		sun-part shade	A naturally compact selection that works well in large containers. Large 7-8", white flowers with a red eye are produced all over the dense, rounded clump of deep black-purple maple-like leaves.
<i>Hibiscus moscheutos</i>	Midnight Marvel	Midnight Marvel Hibiscus	4'	mid summer- early fall	red	sun	8" red flowers glow against the richest purple foliage in the genus. Buds occur not just at the tips but all down the stems.
<i>Hibiscus syriacus</i>	Orchid Satin	Orchid Satin Rose of Sharon	8'	Summer		sun	Exceptionally large pink single blooms are accented by a dramatic red eye. The graceful branches of this non-invasive new variety make it a very appealing addition to the mixed border. Seedless rose of Sharon means less work and more enjoyment!
<i>Hosta</i>	Abiqua Drinking Gourd	Abiqua Drinking Gourd Hosta	18"	july - august	white	part shade- shade	Dark, blue-green seer-suckered leaves with heavy substance display a unique cupped form. Good slug resistance.
<i>Hosta</i>	Autumn Frost	Autumn Frost Hosta	12 - 16"	July - August	lavender	part shade- shade	New showy hosta with extra wide margins. Froxy blue leaves have bright yellow margins that lighten to creamy white in summer. Light lavender flowers.
<i>Hosta</i>	Blueberry Muffin	Blueberry Muffin Hosta	14"	May - June	purple	part shade- shade	Excellent new blue Hosta forms medium-sized mound of large, blue, rounded leaves that are rugose and puckered in unusual patterns. Lavender flowers in early summer.
<i>Hosta</i>	Cathedral Windows	Cathedral Windows Hosta	18-20"	July-August	foliage	part shade- shade	Large, rounded leaves are patterned with bright golden centers inside wide, dark green borders. Mature plants form broad clumps, and the leaves become dome-shaped. Tall stems bear near-white, very fragrant flowers.
<i>Hosta</i>	Curly Fries	Curly Fries Hosta	8"	june-july	purple	sun-part shade	A dynamic hosta with narrow, rippled chartreuse leaves. Mature plants have red petioles. Lavender flowers. Upcoming 2016 American Hosta Growers hosta of the year - plant it now!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Hosta</i>	Designer Genes	Designer Genes Hosta	18"	Late Summer		part shade-shade	'Designer Genes' is incredibly striking in the spring as the brilliant yellow leaves emerge from contrasting deep wine red shoots. It quickly grows to form a medium sized mound of bright yellow leaves with showy bright red petioles.
<i>Hosta</i>	Fire and Ice	Fire and Ice Hosta	20-22"	Midsummer		part shade-shade	heart-shaped leaves with wide, pure white centers and dark green margins. Lavender flowers in midsummer. Use this medium-sized hosta in containers, as a specimen, or in mass plantings.
<i>Hosta</i>	Lakeside Paisley Print	Lakeside Paisley Print Hosta	10"	July	lavender	part shade-shade	Stunning small hosta features thick substanced, heart-shaped leaves with very wide, wavy, green margins. Narrow, creamy white markings in the center shoot out in a feathery pattern from the cream petioles.
<i>Hosta</i>	Mighty Mouse	Mighty Mouse Hosta	8"	Summer		part shade-shade	In spring, the rounded leaves of heavy substance are blue-green with a bright creamy yellow margin. By summer, the leaves transition to grey-green with a creamy white margin.
<i>Hosta</i>	Prairie Sky	Prairie Sky Hosta	14"	mid-summer		part shade	One of the bluest hostas available. Retains its showy color all season. Forms a tight clump of powdery blue, lightly cupped leaves of thick substance. Pale lavender flowers.
<i>Iberis sempervirens</i>	Snowflake	Snowflake Evergreen Candytuft	8-10"	Spring		sun	Large clusters of flowers carpet the narrow, evergreen leaves from mid to late spring. This variety is a new vegetative selection which offers consistency in height and habit.
<i>Iris</i>	Black Gamecock	Black Gamecock Louisiana Iris	2' - 3'	summer	purple	sun-part shade	Beautiful, huge buds open to display their velvety, deep purple flowers with narrow gold signal. Should be planted in consistently moist, boggy soil or shallow water.
<i>Iris ensata</i>	Variegata	Striped Japanese Iris	18 - 20"	may - june	purple	sun-part shade	This strikingly beautiful, deer-resistant iris has creamy white-and-green, vertically striped, broad foliage. Each clump can reach 20" in height with a similar spread. In late spring, each clump is topped with attractive, pale lavender-blue flowers.
<i>Iris pallida</i>	Argentea Variegata	Argentea Variegata Sweet Iris	34"	Late Spring		sun-part shade	New foliage emerges in spring with creamy yellow margins that fade to ivory as the season progresses, with classic lavender-blue flowers to emerge in late spring.
<i>Iris siberica</i>	Butter & Sugar	Butter & Sugar Siberian Iris	28"	june	yellow	sun-part shade	Rebloomer with creamy standards and butter yellow falls. Great cut flower.
<i>Iris siberica</i>	Contrast in Styles	Contrast in Styles Siberian Iris	28-34"	Early Summer		sun-part shade	This showy selection of Siberian Iris is perfectly named for its incredible contrasting color patterns. 3-5" flowers have rich wine purple standards and falls and lighter blue-purple styles. This plant has narrow, green, disease resistant foliage.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Iris siberica</i>	Sky Mirror	Sky Mirror Siberian Iris	32-35"	Early Summer		sun-part shade	this Iris will give you the rare light blue shade that you've been needing for your early summer garden. Pale sky blue falls have navy blue centers and small light yellow signals. Its sky blue standards match the falls.
<i>Juncus effusus</i>	Big Twister	Big Twister Giant Corkscrew Rush	18-24"	n/a	foliage	sun	Large, spiraling foliage, resembling giant corkscrews twisting and turning creating a dramatic effect over water. More upright than 'Spiralis'. Prefers very moist to wet conditions
<i>Lathyrus latifolius</i>	Pearl Mix	Pearl Mix Sweet Pea	4-5'	mid summer		sun-part shade	This perennial sweet pea vine will climb whatever is near. Flowers are a mix of pink, white and red. They are scentless, but the vine does fix nitrogen in the soil.
<i>Leptinella squalida</i>	Platt's Black	Platt's Black Leptinella	4 -6"	summer	white	sun-part shade	Tiny, dark purply-green leaved, ferny looking foliage with minute, white button-like flowers without petals. Perfect for groundcover and trough gardens. Truly unique! Prefers moist soil in sun or part shade.
<i>Leucanthemum superbum</i>	Banana Cream	Banana Cream Shasta Daisy	15 - 18"	june - august	yellow	sun	Superb selection. Huge 4-5" flowers open lemon yellow, brightening to light butter yellow and finally to creamy white as they mature. Fuller look with a longer summer bloom. Excellent disease resistance on a compact plant with dark green foliage.
<i>Leucanthemum superbum</i>	Highland White Dream	Highland White Dream Shasta Daisy	24 - 30"	Early summer-Late summer	white	sun	Exemplary garden performance with white semi-double flowers held on starkly upright stems.
<i>Liatis spicata</i>	Floristan Violet	Floristan Violet Gayfeather	32" - 36"	mid-late summer	purple	sun	Large spikes of rosy-purple flowers. Best variety for cut flowers.
<i>Liatis spicata</i>	Floristan White	Floristan White Gayfeather	3' - 4'	summer	white	sun-part shade	Large spikes of white flowers.
<i>Ligularia</i>	Bottle Rocket	Bottle Rocket Ligularia	28-34"	Midsummer		part shade	A perfectly proportioned plant with its mustard yellow flowers held on chocolate stems just at the top of the dense clump of foliage so no naked stems show.
<i>Ligularia dentata</i>	Britt-Marie Crawford	Britt Marie Crawford Black-leaved Ligularia	3' - 4'	july - september	orange	part shade-shade	Broad, glossy, dark chocolate leaves with dark purple undersides. Golden orange, daisy-like flowers on purplish-black stems. Needs consistent moisture to avoid flagging on warm days.
<i>Lilium</i>	Stargazer	Stargazer Oriental Lily	3-6'	Summer		sun	Bright crimson-pink flowers with purple spots and white edges. These lilies grow will grow tall without needing to be staked.
<i>Linum perenne</i>	Nanum Sapphire	Nanum Sapphire Flax	10"	late spring	blue	sun	Planted en masse, the azure-blue, 3/4 in. flowers look like a sea of blue floating above the compact, finely textured foliage. Self-seeds.
<i>Liriope spicata</i>		Creeping Lily-turf	8 - 12"	august	lavender	sun-part shade-shade	Evergreen groundcover with 1/4 in. wide, dark green, strappy leaves. Upright arching habit. Flowers resemble grape hyacinths. Will grow amongst tree roots in the shade.
<i>Lobelia cardinalis</i>		Cardinal Flower	3'	summer	red	sun-part shade	Native to much of North America. Bright red flower spikes with green, lanceolate leaves. Excellent plant for moist conditions.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Lobelia speciosa</i>	Starship Deep Rose	Starship Deep Rose Cardinal Flower	20"-24"	mid-late summer		sun-part shade	Summer-flowering perennial attracts hummingbirds. Showy, mid-height plants covered with masses of electric pink flowers are ideal for containers for the centre of the border. Sturdy, bushy plants are low maintenance. Produces masses of flowers.
<i>Lobelia speciosa</i>	Starship Scarlet	Starship Scarlet Cardinal Flower	18-24"	July-September	red	sun-part shade	A sturdy, bushy plant with numerous stems of bright scarlet red flowers and bronze green foliage.
<i>Lupinus</i>	Popsicle Series	Popsicle Series Lupine	18 - 24"	june - july	mixed	sun-part shade	A mixed seed strain of lupines that includes a wide range of blues, purples, yellows, reds, pinks, and bicolor flowers. Will grow into well-established clumps, with several stems rising up out of a single base.
<i>Lupinus</i>	Russell Hybrids	Russell Hybrids Lupines	30 - 36"	june	mixed	sun-part shade	Spikes of closely set sweet pea type blossoms in a rich color range.
<i>Lysimachia nummularia</i>	Aurea	Golden Moneywort	6-8"	summer	yellow	sun-part shade	Low golden foliage, yellow flowers, great for accent. Also great in annual containers.
<i>Mazus reptans</i>		Creeping Mazus	3 - 6"	april - aug	purple	sun-part shade	Forms a green mat of foliage covered by purple flowers all season. This is the attractive groundcover growing around the mins in the herb garden!
<i>Mentha suaveolens</i>	Variiegata	Variiegated Pineapple Mint	20"	summer		sun-part shade	Fruity flavored mint with attractive, cream and green variegation. Pluck out stems that start growing all-green to maintain the variegation.
<i>Monarda</i>	Bee- You Bee- Lieve	Bee- You Bee-Lieve Bee Balm	15-18"	summer		sun	Bees love them. Growers love them. Bee-Lieve has beautiful, baby pink flowers, accented by maroon bracts.
<i>Monarda</i>	Bee- You Bee- True	Bee- You Bee-True Bee Balm	12-15"	Summer		sun	Bees love them. Growers love them. Raspberry red flowers with a center that looks like a red velvet cupcake, make this new bee balm a hit for any sunny spot.
<i>Monarda didyma</i>	Coral Reef	Coral Reef Bee Balm	36-42"	mid-late summer	pink	sun	Produces heads of large, shaggy, bright salmon-pink flowers in mid to late summer. Slightly fragrant foliage, and more resistance to powdery mildew than older varieties.
<i>Nepeta</i>	Purrsian Blue	Purrsian Blue Catmint	14-18"	summer		sun	This compact selection forms a densely mounded clump of green, aromatic foliage and nearly doubles its spread in year 2. Highly floriferous; periwinkle blue flowers with dark purple calyxes are produced for months.
<i>Nepeta faassenii</i>	Kitten Around	Kitten Around Catmint	12-14"	Summer-Fall		sun	Even more compact and petite than its predecessor, this plant forms a tight, round mound of aromatic foliage. Bright rosy purple calyxes hold periwinkle blue flowers. The perfect size for containers or filling in space garden spaces.
<i>Penstemon</i>	Blackbeard	Blackbeard Beardtongue	24-36"	summer	pink	sun	Dark purple flower stems hold its lilac purple flowers with their white flaring tubes high above the low mound of deep eggplant purple leaves. Attractive dark burgundy seed pods follow the flowering performance for extended seasonal interest.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Penstemon</i>	Elfin Pink	Elfin Pink Beardtongue	12"	early summer	pink	sun-part shade	Bright pink, trumpet-shaped flowers are borne in profusion on thin spikes. They make a tremendous color statement when planted in groups. Drought tolerant and easy to grow. Attracts hummingbirds.
<i>Penstemon</i>	Pikes Peak Purple	Pikes Peak Purple Penstemon	15"	june - august	purple	sun-part shade	Violet purple flowers. Narrow, dark green leaves form an attractive mound. Thrives in a wide range of sites and soils.
<i>Perovskia atriplicifolia</i>	Little Spire	Little Spire Russian Sage	25"	late summer - mid fall	blue	sun	Selected for its short, upright habit. Small, narrow, grey-green leaves compliment the lavender-blue flowers. A long blooming selection.
<i>Persicaria amplexicaulis</i>	Golden Arrow	Golden arrow Mountain Fleece	18-24"	summer	red	sun-part shade	Broad, lance-shaped golden green leaves form a spreading mound of foliage, topped with slender, tassel-like spikes of tiny, dark red flowers.
<i>Persicaria filiformis</i>	Painter's Palette	Painter's Palette Polygonum	2'	may - june	foliage	sun-part shade	Green leaves with central red-brown zones, ivory-yellow splashes and stripes, and overall deep pink tinge.
<i>Phlox</i>	Fashionably Early Crystal	Fashionably Early Crystal Phlox	24-32"	Summer		sun	In addition to being early blooming, this plant boasts a long season of color. Pure white flowers with a faint light purple eye appear from early summer well into midsummer with rebloom in fall. Broad, dark green, thick foliage stays beautiful all season.
<i>Phlox</i>	Fashionably Early Flamingo	Fashionably Early Flamingo Phlox	30-36"	Summer		sun	In addition to being early blooming, it boasts a long season of color. Perfectly defined panicles of light lavender pink flowers bloom prolifically well into midsummer with some rebloom in fall.
<i>Phlox</i>	Fashionably Early Princess	Fashionably Early Princess Phlox	28-32"	Summer		sun	Light fuchsia pink flowers and a darker pink eye appear well into midsummer with some rebloom in fall. Broad, thick, glossy green foliage stays beautiful all season.
<i>Phlox paniculata</i>	Barsixty	Flame White Eye Garden Phlox	15" - 18"	midsummer-early fall		sun	White flowers with a magenta eye on relatively short plants with good mildew resistance. Long bloom time.
<i>Phlox paniculata</i>	Barsixtytwo	Flame Series Coral Phlox	15 - 18"	summer	red	sun	Large clusters of vibrant coral red flowers atop relatively short, bushy clumps of medium green foliage. Mildew resistant with fragrant flowers.
<i>Phlox paniculata</i>	Starfire	Starfire Garden Phlox	36"	summer	red	sun	Fragrant cherry red flowers against darker foliage.
<i>Phlox subulata</i>	North Hills	North Hills Phlox	4-6"	Late Spring		sun	Something new in creeping phlox! This darling little selection produces bright white flowers with a prominent violet purple eye.
<i>Polemonium caeruleum</i>	Brise d' Anjou	Brise d' Anjou Jacob's Ladder	15 - 20"	early summer	blue	part shade	Elegant, vibrant, creamy variegated foliage gives way to violet-blue flowers.
<i>Polygonatum odoratum</i>	Variiegatum	Variiegated Solomon's Seal	18" - 24"	may - june	white	part shade-shade	Graceful arching stems with green leaves edged in white. Lovely in a bouquet, too.
<i>Pulmonaria</i>	Majeste	Majeste Lungwort	12"	spring	blue	part shade	Blue-pink flowers with silver-gray foliage that has a very narrow green margin.
<i>Pulmonaria</i>	Raspberry Splash	Raspberry Splash Lungwort	12"	spring	pink	sun-part shade	Dusky raspberry-coral flowers. Silvered leaves and a strong upright growing habit.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Pulmonaria saccharata</i>	Mrs. Moon	Mrs. Moon Lungwort	10 - 12"	spring	blue	part shade-shade	Silver-gray dotted leaves form an attractive mound of foliage that is great for brightening up the shade garden. Magenta-pink buds open to bright blue bells. Excellent under planting for taller shrubs.
<i>Pulsatilla patens</i>		Pasque Flower	6 - 12"	spring	purple	sun	Early spring wildflower that features hairy, fern-like foliage and erect, open bell-shaped, solitary, blue-violet (but occasionally yellow or white) flowers. South Dakota's state flower.
<i>Pycnanthemum virginianum</i>		Mountain Mint	24 - 36"	june - sept	white	sun-part shade	Densely flowered with white to shades of light purple, some with purple spots. Leaves are very fragrant, when crushed they have a strong minty odor.
<i>Rheum palmatum</i>	Tanguticum	Tanguticum Rhubarb	35-70"	Early Summer		sun-part shade	Cousins to regular old garden rhubarb, the ornamental forms are wonderful for their bold, architectural effect in the border. This form has large pointy-edged leaves tinged with bronzy-red in spring, later becoming green.
<i>Rudbeckia fulgida</i>	Goldsturm	Goldsturm Black Eyed Susan	24"	mid-summer	yellow	sun-part shade	Deep yellow daisy-like flowers, black cone. Wonderful in masses. Trouble free and long lived.
<i>Sagina subulata</i>		Scotch Moss	1" - 2"	spring	white	sun-part shade	Lush chartreuse to yellow moss-like foliage forms a soft mat that is good along walkways and between stepping stones. Tiny white flowers add to its beauty in spring. Tolerates moderate foot traffic.
<i>Salvia argentea</i>		Silver Sage	6"	foliage	foliage	sun	Very large, wooly leaves form a showy rosette. Usually biennial. Dramatic accent plant. Kids love.
<i>Salvia nemorosa</i>	Caradonna	Caradonna Perennial Salvia	24-30"	early summer	pink	sun	Starkly upright habit and dark purple flower stems. They really set off the bright violet-blue flowers and are great in fresh bouquets.
<i>Salvia nemorosa</i>	Lyrical Rose	Lyrical Rose Perennial Salvia	22-24"	summer	pink	sun	Chubby spikes of bright rose-pink flowers (up to 20 per plant) attracts bees and butterflies from summer to fall. Strong, robust plant with a bushy, compact habit. Heat and drought tolerant.
<i>Sambucus nigra</i>	Eiffel 1	Licorice Stix Elderberry	6-8'	Early Summer		sun-part shade	This beautiful elderberry has a stiffly upright columnar growth habit. Glossy black purple foliage is most colorful in full sun. Big blooms all summer followed by berries in fall.
<i>Sedum</i>	Firecracker	Sunsparkler Lime Zinger Sedum	6"	aug-sept.	pink	sun	Low growing sedum with burgundy red foliage. More robust and vigorous than 'Cherry Tart'. Bright pink flowers in late summer.
<i>Sedum</i>	Lemonjade	ROCK 'N GROW® Lemonjade Autumn Stonecrop	16-18"	Fall		sun	Lemonjade' bears large 5-7" panicles of bright citron yellow flowers which completely cover the top of the foliage in early fall. As the cold weather sets in, the seed heads take on rosy peach tones.
<i>Sedum</i>	Lime Zinger	Sunsparkler Lime Zinger Sedum	4"	Summer		sun-part shade	A new, very hardy succulent groundcover, with fantastic lime green leaves edged in bright cherry red. In late summer, soft pink flower clusters dance just above a dense colorful mat of disease-free foliage.
<i>Sedum</i>	Superstar	Rock N Grow Superstar Autumn Stonecrop	10-12"	Late Summer- Early Fall		sun	Dark turquoise succulent leaves have a smoky gray overlay. Later in the season, rosy pink flowers with hot pink carpels explode over the dome-like habit with great flower coverage.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Sedum dasyphyllum</i>	var. glanduliferum	Corsican Stonecrop	2"	foliage	foliage	sun	One of the tiniest and most useful stonecrops. The environment can change the sky blue leaves to gray or lilac mauve.
<i>Sedum reflexum</i>	Angelina	Angelina Stonecrop	6 - 8"	foliage	foliage	sun-part shade	Amazing, brilliant, golden conifer shaped leaves on trailing stems. Brightens hanging basket combos, borders and rock gardens. Orange fall color.
<i>Sedum reflexum</i>	Blue Spruce	Blue Spruce Stonecrop	4-6"	summer	yellow	sun	A vigorous, mat-forming succulent with blue-green needles arranged around the stems. Yellow flowers in summer. Drought tolerant.
<i>Sedum sieboldii</i>		October Daphne	6 - 10"	july - aug	pink	sun	Forms a rounded mound, sending out horizontal branches from the central crown. Blue-green leaves around the stems and each leaf is narrowly outlined in deep pink. Bright pink, star-shaped flowers are borne in small clusters at the ends of the stems.
<i>Sedum spurium</i>	Fuldaglut	Fulda Glow Stonecrop	3-6"	summer	red	sun	Bronze-red foliage keeps its color all season long. Rose-red flowers appear on short stalks above the foliage in late summer.
<i>Sempervivum</i>	Black	Black Hen and Chicks	4-6"	Summer		sun	This hardy succulent has green centers with dark, black red tips and is the perfect choice for gravelly, poor soils
<i>Sempervivum</i>	Limelight	Limelight Hen and Chicks	4-6"	Summer		sun	This variety forms an attractive rosette of lime green leaves with pink tips.
<i>Sempervivum</i>	Ruby Heart	Ruby Heart Hen & Chicks	3 - 4"	summer	pink	sun	Forms rosettes of sharply pointed, silvery blue leaves which are flushed rosy-red at the base. Colors vary by season. Unique, pinkish flowers bloom on short leafy stalks.
<i>Sempervivum</i>	Silverine	Silverine Hen and Chicks	4"		foliage	sun	Rosettes of sharply pointed, silvery-green leaves that are flushed reddish-purple at the base.
<i>Sempervivum arachnoidium</i>	Cobwebs	Cobwebs Hens and Chicks	3 - 4"	july	red	sun	Covered with fine, white threads which crisscross between the leaves' tips like a cobweb. Each rosette of pointy, blue-green leaves grows about 1 inch wide. Unusual rose-red flowers are produced on leafy stalks.
<i>Sempervivum calcareum</i>	Mrs. Giuseppi	Mrs. Giuseppi Hen and Chicks	2 - 4"	foliage	foliage	sun	One of the most interesting color and geometric patterns of the Sempervivums! Gray-blue leaves have eye-catching maroon triangular tips. Ideal plant for troughs and dishes.
<i>Stachys officinalis</i>	Hummelo	Hummelo Common Betony	18 - 24"	june - july	pink	sun	Basal rosettes of textured, somewhat glossy foliage with rose-lavender spikes on sturdy stalks.
<i>Tradescantia</i>	Charlotte's Web	Charlotte's Web Spiderwort	16-24"	summer	blue	sun-part shade-shade	Grass-like, chartreuse to gold leaves are edged with a thin red margin in spring. Small, soft blue flowers open in the morning and close on sunny days.
<i>Tricyrtis formosana</i>	Amethystina	Amethystina Toad Lily	24"	late summer	white	part shade-shade	Exceptional flowers whose petals are white and blue with red tips and red spots.
<i>Tricyrtis formosana</i>	Autumn Glow	Autumn Glow Toad Lily	24-26"	Summer - Fall		part shade-shade	Orchid-like, reddish purple to blue violet speckled blossoms appear from late summer into early fall in the north, midsummer in the south. An excellent perennial for adding late season color to the shade garden.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Tricyrtis hirta</i>	Moonlight	Moonlight Toadlily	24"	august - september	white	part shade-shade	Fabulous fall bloomer. Striking chartreuse foliage with orchid-purple spotted white flowers blooming on arching stems.
<i>Tricyrtis hirta</i>	White Towers	White Towers Toad Lily	18 - 20"	july - august	white	part shade-shade	Pure white flowers on fuzzy leaves. A useful very late blooming addition to the shade garden.
<i>Vernonia lettermanii</i>	Iron Butterfly	Ironweed	24-36"	September-October	purple	sun	Fine textured foliage with purple flowers, with a dwarf habit.
<i>Veronica</i>	Enchanted Indigo	Magic Show Enchanted Indigo Speedwell	16"	summer	purple	sun-part shade	Vivid royal purple flower wands are borne prolifically atop the compact, full mound of bright green foliage. Often reblooms in late summer.
<i>Veronica</i>	Pink Potion	Magic Show Pink Potion Speedwell	14"	summer	pink	sun-part shade	Baby pink flower wands are borne prolifically atop a rounded, low clump of deep green foliage.
<i>Veronica</i>	Waterperry Blue	Waterperry Blue Speedwell	3 - 6"	April - Oct	blue	sun	Low, creeping, mound-forming plant produces many round, dark-veined, lavender-blue flowers in the spring and may bloom intermittently throughout the summer. Foliage is shiny green with a tinge of burgundy which intensifies in cold weather.
<i>Veronica</i>	White Wands	Magic Show White Wands Speedwell	14-16"	Summer		sun-part shade	White Wands' is the perfect height to plant behind your low-growing perennials, with their long, narrow flower spikes that look like wands.
<i>Yucca filamentosa</i>	Color Guard	Color Guard Adam's Needle	24"	aug.	foliage	sun	Sword-shaped leaves bear bold central stripes of bright canary-yellow against a pale gray-green edge. In cool weather, margins are tinged pink, and the entire yellow stripe turns rose-colored. Flower stalk rises to 6' and holds pendulous, creamy flowers!
<i>Yucca filamentosa</i>	Variegata	Varigated Yucca	18"	Spring		sun	The hairy leaves of <i>Yucca filamentosa</i> 'Variegata' are green with a stunning creamy white margin that remains bright all year on the 18" tall x 2' wide upright clumper. The 5' tall stalks of tall white bell-shaped flowers appear in late spring
