

PLANT SALE WITH THE PROS - 2018 MASTER LIST

ANNUALS							
Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Abutilon</i>	Bella Greenleaf Mix	Bella Greenleaf Flowering Maple Mix	16"	summer-early fall	pink	sun-part shade	Short, shrubby plants with variegated white and yellow, maple like leaves. 3" hibiscus-like flowers in salmon or blood red adorn the tips.
<i>Abutilon</i>	Biltmore Ballgown	Biltmore Ballgown Flowering Maple	24-48"	summer	mixed	sun-part shade	Elegant gold flowers have overlapping petals with intricate red veining and protruding red stamens. Best in morning sun and afternoon shade.
<i>Acorus gramineus</i>	Ogon	Ogon Japanese Sweetflag	8 -12"	foliage	foliage	sun-part shade	Chartreuse, cream variegated foliage. Great in mixed containers and as a water plant.
<i>Adromischus cristatus</i>		Calico hearts	4"	summer	foliage	sun	A unique, small-growing succulent with squared-off leaf tips with crinkled margins.
<i>Aeonium</i>	Kiwi	Kiwi Aeonium	6 - 12"	N/A	foliage	sun-part shade	This succulent forms rosettes of fleshy, spoon-shaped leaves that are brilliantly colored. The leaves in the center are pale yellow and progressively the leaves get greener to the outside of the rosette. The edges of the leaves are red.
<i>Aeonium arboreum</i>	Zwartkop	Zwartkop Aeonium	12 - 24"	N/A	foliage	sun-part shade	A bushy plant with gorgeous, tightly packed, dark purple leaf rosettes at the ends of narrow branches. Very heat tolerant!
<i>Agapanthus</i>	Bressingham Blue	Bressingham Blue Lily of the Nile	24 - 36"	june - august	blue	sun	Umbels of trumpet shaped pure purple blooms on strong stems.
<i>Agave attenuata</i>	Boutin Blue	Fox Tail Agave	4-5'	foliage		sun-part shade	Evergreen succulent perennial which produces elegant rosettes of wide flexible blue green leaves, without any teeth along the margins. Mature plants send up a flowering stalk of pale greenish yellow flowers.
<i>Ageratum houstonianum</i>	Blue Horizon	Blue Horizon Floss Flower	24 - 30"	summer	blue	sun	A great, tall variety of Ageratum. Vigorous long lasting cut flower. Attractive blue umbels.
<i>Albuca spiralis</i>	Frizzle Sizzle	Albuca spiralis Frizzle Sizzle	8 - 12"	summer	yellow	part shade	This very unusual plant features thick spiraling foliage and very fragrant flowers. Spikes of flowers appear in the spring and smell faintly of vanilla and olives.
<i>Alocasia</i>	Calidora	Calidora Elephant Ears	18 - 24"	foliage	foliage	part shade-shade	Shiny, dark green leaves on this upright plant. Adds a tropical look to containers and shady areas.
<i>Alpinia zerumbet</i>	Variegata	Variegated Ginger	2' - 4'	fall	foliage	sun-part shade-shade	Striking yellow stripes on dark green leaves. Fragrant white flowers tinged purple-pink with crinkled lip.
<i>Alternanthera</i>	Mai Tai	Mai Tai Alternanthera	12 - 18"	N/A	foliage	sun-part shade	The hot pink, burgundy, chartreuse, and green colors make a great display in the shade garden or in hanging baskets.
<i>Alternanthera</i>	Partytime	Partytime Calico Plant	15 - 18"	foliage	foliage	sun-part shade	Long narrow foliage with wild splashes of yellow, pink and rose. Trailing habit.
<i>Alternanthera dentata</i>	Brazilian Red Hots	Brazilian Red Hots Calico Plant	12 - 15"	foliage	foliage	sun-part shade	Great new alternanthera! Bright magenta and burgundy leaves will add color to your containers this summer!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Alternanthera ficoidea</i>	Red Threads	Joseph's Coat	6 - 8"	n/a	foliage	sun	A slender leaved selection that doesn't wander, but forms a carpet of textured, burgundy-red foliage. Insignificant flowers.
<i>Anacampseros rufescens</i>		Anacampseros rufescens	3 - 6"	summer	pink	sun	Large, delicious pink flowers and interesting reddish-dark green succulent rosettes. For troughs, rock and dish gardens.
<i>Angelonia angustifolia</i>	Alonia Big Indigo	Alonia Big Indigo Angelonia	18"-24"	summer-fall	blue	sun-part shade	Produces spikes of showy dark blue flowers with a pronounced white eye. Compact and well-branched plants.
<i>Angelonia angustifolia</i>	Angelface Blue	Angelface Blue Summer Snapdragon	18 - 24"	summer	blue	sun	Award winner! Blooms all season; heat and drought tolerant plants; grape-scented foliage; low maintenance. Cut back during summer for continuous blooms.
<i>Angelonia angustifolia</i>	Angelface Pink	Angelface Pink Angelonia	18 - 24"	summer	pink	sun	A much improved version of an old-fashioned Angelonia. Drought tolerant. No deadheading. Beautiful, tough and vigorous from spring until the first hard frost.
<i>Angelonia angustifolia</i>	Angelface Wedgewood Blue	Angelface Wedgewood Blue Summer Snapdragon	18 - 24"	summer	blue	sun	Bicolor blue and white blooms all season on these heat and sun-loving plants. Very drought tolerant with grape scented foliage!
<i>Angelonia angustifolia</i>	Angelface White	Angelface White Summer Snapdragon	18 - 24"	summer	white	sun	White orchid-like blooms with a hint of chartreuse at the throat, nicely controlled habit, less brittle. Add these to your selection for an all white or evening garden.
<i>Angelonia angustifolia</i>	Archangel Dark Rose	Archangel Dark Rose Angelonia	10"-12"	early summer-fall	pink	sun-part shade	Angelonias make great bedding and containers plants with exceptional resistance to heat, drought and humidity. The Archangel series has the largest flowers; this variety is rosy pink with raspberry veination.
<i>Asclepias curassavica</i>	Silky Gold	Silky Gold Bloodflower Milkweed	28 - 36"	summer	yellow	sun	Solf golden yellow umbels, strong stemmed plant. Everblooming butterfly attraction.
<i>Asclepias curassavica</i>	Silky Scarlet	Silky Scarlet Bloodflower Milkweed	24 - 28"	summer	red	sun	Prefers a warm, rather dry location. Multi-purpose plants works well in gardens, landscapes, patio planters and as an annual cut flower. Good butterfly plant - monarch larvae eat the leaves and adults are attracted to the flowers.
<i>Asclepias physocarpus</i>	Oscar	Oscar Balloon Cottonbush	48-60"	summer	white	sun	Wonderful, unique pods for use in arrangements. Nondescript white flowers turn into wonderful inflated spherical pods covered in soft green fuzz.
<i>Asparagus densiflorus</i>	Sprengeri	Sprengeri Asparagus Fern	18 - 24"	N/A	foliage	part shade	Arching evergreen with feathery, needle-like stems giving an open, loose appearance in growth. Drought tolerant. Grows well in sun or shade. Plant prefers some shade to maintain a darker green color leaf. Bright sun tends to wash out the color.
<i>Asplenium</i>	Austral Gem	Austral Gem Fern	12"	N/A	foliage	part shade- shade	Beautiful dark green fern with stiff, shiny fronds that are almost waxy in texture.
<i>Begonia</i>	Big Red Bronze Leaf	Big Red Bronze Leaf Begonia	12"	summer	red	sun-part shade-shade	Early flowering. Large, showy flowers above glossy bronze foliage. Season long color in sun and shade. Hybrid of dragonwing and wax begonias.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Begonia</i>	Big Rose Bronze Leaf	Big Rose Bronze Leaf Begonia	12"	summer	pink	sun-part shade-shade	Early flowering. Large, showy flowers above glossy bronze foliage. Season long color in sun and shade. Hybrid of dragonwing and wax begonias.
<i>Begonia</i>	Dragonwing Pink	Dragonwing Pink Begonia	12 - 20"	summer	pink	sun-part shade	Best Seller! The plants bloom nonstop without deadheading until frost. Vigorous and heat tolerant; tolerates full sun to nearly full shade.
<i>Begonia</i>	Dragonwing Red	Dragonwing Red Begonia	12 - 15"	summer	red	part shade	Best Seller! The plants bloom nonstop without deadheading until frost. Vigorous and heat tolerant; tolerates full sun to nearly full shade.
<i>Begonia</i>	Gryphon	Gryphon Begonia	12 - 18"	foliage	foliage	part shade-shade	Superb tropical foliage combines majestic beauty with strength and durability. Silver and green glossy leaves make a bold, dramatic statement in mixed or solo containers.
<i>Begonia boliviensis</i>	Beauvilia Lemon	Beauvilia Lemon Begonia	10-12"	Summer		sun-part shade	Elegant trumpet shaped flowers. Sun tolerant. Compact plants with excellent branching give these lemon yellow beauties a lovely form, perfect for patio pots and hanging baskets.
<i>Begonia boliviensis</i>	Beauvilia Red	Beauvilia Red Begonia	10-12"	Summer		sun-part shade	Sun to shade tolerant plants with brilliant red pointed petaled blooms. Blossoms cover the plant and only improve throughout the summer. Trailing habit makes this a winner for baskets, window boxes and containers.
<i>Begonia boliviensis</i>	Beauvilia Salmon	Beauvilia Salmon Begonia	10-12"	Summer		sun-part shade	Earlier blooming and trailing but still branching and compact. Elegant, pale salmon blooms drape this well branched plant. Compact plants are perfect for patio pots and hanging baskets.
<i>Begonia boliviensis</i>	Beauvilia White	Beauvilia White Begonia	10-12"	Summer		sun-part shade	Large white flowers abound on this cascading form. Makes a durable and elegant addition to baskets and containers in sun to shade.
<i>Begonia boliviensis</i>	Santa Cruz Sunset	Santa Cruz Sunset Begonia	12"	summer	red	sun-part shade-shade	Fiery bright red-orange, bell shaped flowers cover the entire plant, creating a lush tropical look. This versatile variety is not only rain and drought tolerant, it also thrives in full sun.
<i>Begonia boliviensis</i>	Summerwing Apricot	Summerwing Apricot Begonia	8-12"	Spring-Summer		sun-part shade	'Summerwings Apricot' features medium-sized single flowers flushed in soft orange. The Summerwings Apricot Begonia reaches a length of four to five feet by the end of the summer, with a tight, teardrop habit.
<i>Begonia boliviensis</i>	Summerwings Deep Red	Summerwings Deep Red Begonia	8-12"	Spring-Summer		sun-part shade	Summerwings Deep Red features medium-sized single flowers flushed in a dark red. The Summerwings series reaches a length of four to five feet by the end of the summer, with a tight, teardrop habit.
<i>Begonia boliviensis</i>	Summerwings Rose	Summerwings Rose Begonia	8-12"	Spring-Summer		sun-part shade	Summerwings Rose features medium-sized single flowers flushed in a rosy pink. The Summerwings series reaches a length of four to five feet by the end of the summer, with a tight, teardrop habit.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Begonia fuchsoides</i>	Pink	Pink Fuchia Begonia	10 - 20"	summer	pink	part shade-shade	The leaves & stems have a succulent appearance that gently arch over the sides of a container or basket. The dark fuchsia-rose colored buds are charming and open to attractive trailing pink singles. This plant will soon become one of your favorites!
<i>Begonia rex</i>	Escargot	Escargot Begonia	12 - 15"	foliage	foliage	part shade-shade	Draw an audience to your garden with this unusual plant. This begonia will amaze everyone with its beautiful spiral-formed silver foliage edged and centered in dusky pewter gray.

<i>Begonia x hiemalis</i>	Rieger Orange	Orange Upright Rieger Begonia	12-18"	summer	orange	part shade-shade	Glossy foliage with varying shades of orange rose shaped flowers in clusters of three.
<i>Begonia x hiemalis</i>	Rieger Pink	Pink Upright Rieger Begonia	12 - 18"	summer	pink	part shade-shade	Glossy foliage with varying shades of pink rose shaped flowers in clusters of three. .
<i>Begonia x hiemalis</i>	Rieger Red	Red Upright Rieger Begonia	8"-10"	summer	red	part shade-shade	Glossy foliage with varying shades of red flowers in clusters of three.
<i>Begonia x hiemalis</i>	Rieger Yellow	Yellow Upright Rieger Begonia	12 - 18"	summer	yellow	part shade-shade	Glossy foliage with varying shades of yellow flowers in clusters of three.
<i>Begonia x tuberhybrida</i>	Nonstop Mocca Deep Orange	Nonstop Mocca Deep Orange Tuberous Begonia	8 - 12"	summer	orange	part shade-shade	Dark leaved tuberous begonia series on the market. Deep orange 4" fully double blooms with dark coffee colored foliage.
<i>Begonia x tuberhybrida</i>	Nonstop Mocca Pink	Nonstop Mocca Pink Tuberous Begonia	8 - 12"	summer	pink	part shade-shade	Fully double dark rosy pink blossoms with dark coffee colored foliage.
<i>Begonia x tuberhybrida</i>	Nonstop Mocca Scarlet	Nonstop Mocca Scarlet Tuberous Begonia	8-12"	summer	red	part shade-shade	Bold scarlet blooms that are 4" and fully double on plants with dark coffee colored foliage.
<i>Begonia x tuberhybrida</i>	Nonstop Mocca White	Nonstop Mocca White Tuberous Begonia	8"-10"		white	part shade-shade	Bold white blooms that are 4" and fully double on plants with dark coffee colored foliage.
<i>Begonia x tuberhybrida</i>	Nonstop Mocca Yellow	Nonstop Mocca Yellow Tuberous Begonia	8 - 12"	summer	yellow	part shade-shade	Bold yellow blooms that are 4" and fully double on plants with dark coffee colored foliage.
<i>Bidens</i>	Blazing Glory	Blazing Glory Bidens	12-20"	Summer		sun	Bidens 'Blazing Glory' has single or semi-double flowers that are sun and heat lovers, but can also handle cold temperatures. Performs well in mixed containers, pots, hanging baskets and flowerbeds.
<i>Bidens</i>	Pretty In Pink	Pretty In Pink Bidens	12-14"	Summer		sun	Fast-growing and early-blooming, New Color! Pretty in Pink Bidens excels as a single plant in a pot and can also be used as tall element in mixed plantings with low and cascading plants.
<i>Brassica oleracea</i>	Glamour Red	Glamour Red Ornamental Kale	6"-10"		red	sun	This kale forms a head of frilly leaves that turn a vibrant dark pink with the onset of cool fall temps. Good pest and disease resistance. The first of its kind to have such glossy leaves!
<i>Brugmansia</i>		Angel's Trumpet	5 - 10'	summer	mixed	sun	Awesome 10" long exotic flowers with a powerful nocturnal lemon scent!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Caladium</i>		Caladium Mix	24"		foliage	sun-part shade-shade	Easy care foliage plants have exotic looking variegation in an array of combinations - white, cream, pink, rose, cherry red, and green. Plant in shade or keep well watered if in the sun.
<i>Calibrachoa</i>	Superbells Cherry Star	Superbells Cherry Star Calibrachoa	6"	summer-early fall	pink	sun	Rich pink flowers with a bright yellow star radiating from the center. Mixes well in containers and hanging baskets.
<i>Calibrachoa</i>	Superbells Coralberry Punch	Superbells Coralberry Punch Trailing Petunia	8 - 12"	summer	red	sun	The dark red center that fades out to a coral color is very striking in combo planters or planted by itself.
<i>Calibrachoa</i>	Superbells Grape Punch	Superbells Grape Punch Calibrachoa	8"-12"	summer-early fall	purple	sun	Easy care, drought tolerant calibrachoa as great for trailing over the edges of your sunny containers and hanging baskets. Grape Punch features 1" diameter flowers that are lilac to plum purple with a dark grape throat.
<i>Calibrachoa</i>	Superbells Lemon Slice	Superbells Lemon Slice Trailing Petunia	6 - 10"	summer	yellow	sun	NEW! Slices of lemon-yellow color alternating with white on a star-shaped flower.
<i>Calibrachoa</i>	Superbells Pomegranate Punch	Superbells Pomegranate Punch	6-10"	summer	red	sun	Velvety red flowers with a black eye, trails up to 24". Deadheading not necessary.
<i>Canna</i>	Canna Orange Shades	Cannova Orange Shades Canna	36-48"	summer	orange	sun-part shade	Golden-orange flowers with lush green foliage, a new variety aimed at growing in cooler climates.
<i>Canna</i>	Cannova Bronze Scarlet	Cannova Scarlet Canna	30"-48"	summer	red	sun-part shade	The first cannas bred specifically for increased flowering in cooler climates. Bright red flowers complement bronze leaves.
<i>Canna</i>	Cannova Mango	Cannova Mango Canna	36-48"	summer	orange	sun-part shade	Soft peachy to apricot colored flowers with lush green foliage. New Introduction bred for cooler climates.
<i>Canna</i>	Cannova Yellow	Cannova Yellow Canna	30"-38"	summer	yellow	sun-part shade	The first cannas bred specifically for increased flowering in cooler climates. Yellow flowers complement bright green foliage.
<i>Carex buchananii</i>	Red Rooster	Red Rooster Leather-leaf Sedge	12 - 24"	foliage	foliage	sun-part shade	Great in the landscape, rock gardens, near water gardens, and container gardens. The foliage is an orange-brown to a copper-bronze color, giving this grass a dried look when it is actually actively growing.
<i>Carex comans</i>	Frosted Curls	Frosted Curls Sedge	10 - 18"	foliage	foliage	sun-part shade	A fine-textured, tufted, evergreen sedge. The slightest breeze causes the iridescent, light-green foliage to shimmer and glow.
<i>Carex flagellifera</i>	Toffee Twist	Toffee Twist Sedge	18 - 24"	foliage	foliage	sun-part shade	Iridescent, slender, bronze leaves arch upward 18-24" before spilling back to the ground. Known for its foliage, it has no bloom worth noting. An attractive coral color in fall/winter. Adds structure and grace to mass planting in the garden.
<i>Carex oshimensis</i>	Everillo	Evercolor Everillo Sedge	12-18"	n/a	foliage	part shade-shade	Impossible to miss in even the shadiest of gardens, the fantastically bright lime green foliage of this showstopping variety ages to a golden yellow.
<i>Carex testacea</i>	Prairie Fire	Prairie Fire Orange Sedge	12 - 16"	foliage	foliage	sun-part shade	Mounding evergreen grass. Glossy olive green with russet orange tips. Prefers moist well-drained soil.
<i>Cassia didymobotrya</i>		Popcorn Plant	3 - 10'	summer	yellow	sun-part shade	One of Olbrich's favorites. Very tropical looking plant that often smells like burnt popcorn. Has bright yellow flowers.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Celosia argentea</i>	Dracula	Dracula Cockscomb	8-16"	Summer		sun	First-of-its-kind novelty celosia shows one big flower atop the plant. With dark foliage to support an even darker purple flower, this unusual shape and eye-catching color adds drama to landscapes and containers.
<i>Celosia plumosa</i>	Dragon's Breath	Dragon's Breath Celosia	24"	late summer	red	sun	Flowers a little later in the season, but worth the wait for the large and intensely colored plumes. No problems with heat or humidity, and will bloom right up to frost.
<i>Cleome</i>	Senorita Rosalita	Senorita Rosalita Spider Flower	40-48"	summer	purple	sun-part shade	Tall beautiful dark green foliage with beautiful pink and white spidery blossoms. Very heavy bloomer and disease resistant.
<i>Cleome hassleriana</i>	Cherry Queen	Cherry Queen Cleome	3-5'	summer	red	sun	Airy, bright red flowers have high heat tolerance, and will stand out from the back of the border.
<i>Cleome hassleriana</i>	White Queen	White Queen Cleome	3-5'	Summer-Fall		sun	Clusters of large white blooms show off against the dark green leaves below and add sparkle to every other color in the garden. This beauty blooms without pause, beginning in late June here and continuing until frost
<i>Colocasia esculenta</i>	Black Magic	Black Magic Elephant Ear	5'	foliage	foliage	sun-part shade	Large dark reddish-black leaves on dark burgundy-black stems. Leaves grow even darker with increased light and make a striking contrast to a bed of brightly colored plants.
<i>Colocasia esculenta</i>	Hawaiian Punch	Hawaiian Punch Elephant Ear	36"	foliage	foliage	part shade	A smaller elephant ear, this one tops out at 3' tall and has bright green leaves which are complemented by the canberry red stems and dark veination.
<i>Colocasia esculenta</i>	Illustris	Illustris Elephant Ears	36 - 48"	foliage	foliage	part shade-shade	From the Himalayas, large emerald green heart shaped leaves with purple blotches between the veins, and stalks marked with brown markings.
<i>Colocasia esculenta</i>	Ruffles	Ruffles Elephant Ear	6'		foliage	sun-shade	Leaves are almost round, with symmetrical deep green splotches bordered by a light gray-green midrib, with scalloped edges .
<i>Colocasia esculenta</i>	Tea Cup	Tea Cup Elephant Ear	4'-5'	foliage	foliage	sun-part shade	The large glossy leaves on this elephant ear point upward, forming a cup. The plant has an overall upright habit with dark stems.
<i>Cordyline</i>		Cordyline Mix	24"-30"	NA	foliage	sun-part shade	Spike like foliage plants have brightly colored leaves in shades of red and pink, some with striped leaves. Can be overwintered indoors.
<i>Cordyline</i>	Albatross	Albatross Cordyline	24"-36"		foliage	part shade	A new cultivar characterized by dark purple leaves and a large overall size. This spike-like foliage does best in part sun and well drained soil.
<i>Cosmos atrosanguineus</i>		Chocolate Cosmos	2-3'	summer	red	sun	Fill your garden or planter with the delicious scent of chocolate from its beautiful, velvety, maroon flowers.
<i>Cosmos atrosanguineus</i>	Chocamocha	Chocamocha Chocolate Cosmos	12"	summer	red	sun	Chocamocha™ has deep chocolate maroon flowers with a very pronounced cocoa scent. Dark green foliage is bushy and more compact than the classic Chocolate Cosmos.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Cosmos bipinnatus</i>	Cupcakes Mix	Cupcakes Mix Cosmos	40"	Summer		sun	Novel flower structure in which petals are fused to form an upward-facing cup. White and various shades of pink. Fun for bouquets or eye catching at the back of the border.
<i>Cosmos bipinnatus</i>	Xanthos	Xanthos Cosmos	10-24"	late summer	yellow	sun	Pastel lemon yellow flowers with the same easy care of other cosmos.
<i>Crassula</i>	Ivory Pagoda	Ivory Pagoda Crassula	4"	NA	foliage	sun-part shade	Silver, wavy, triangular leaves stacked along the stem that forms an Ivory Tower. Slow growing, shallow roots great for mini gardens. Filtered light, does not like wet feet in winter.
<i>Crassula capitella</i>		Crassula capitella	6"	foliage	foliage	sun	Bright green, pointed foliage turns reddish-orange at the tips.
<i>Crassula coccinea</i>	Campfire	Campfire Crassula	12 - 18"	N/A	foliage	sun-part shade	Striking coloration and an interesting form make this particular succulent stand out from the rest!
<i>Crassula coccinea</i>	Gollum	Gollum Crassula	12 - 24"	N/A	foliage	sun	Interesting, small tree with heavy trunk and succulent, tubular leaves with curved, suction cup shaped tips. Ideal for trough, or dish garden.
<i>Crassula muscosa</i>		Watch Chain	6 - 12"	foliage	foliage	sun	A unique, branching succulent from South Africa that can provide texture and be used as a filler for troughs or rock gardens. Slow growing.
<i>Crassula rupestris</i>		Rosary Vine	6 - 12"	N/A	foliage	sun	Fleshy, gray-green leaves. Great in containers.
<i>Cuphea</i>	FloriGlory Diana	FloriGlory Diana Cuphea	10-12	Summer		sun	NEW! A Mexican Heather with a claim to 5 times the flower power of the industry standard. Deep lavender-pink blooms are large and last even in the toughest summer conditions.
<i>Cuphea</i>	Vermillionaire	Vermillionaire Cuphea	18-28"	Summer		sun	Hummingbird favorite. Medium height orange and yellow "cigar" plant is covered with blooms all summer in full sun. Easy to grow once established.
<i>Cuphea hyssopifolia</i>	Violet	Violet Mexican Heather	2'	Summer		sun-part shade	Profuse purple flowers on a versatile, tidy, compact shrub with finely textured, glossy, bright green foliage. Reblooms continuously.
<i>Cuphea ignea</i>	Dynamite	Dynamite Cuphea	8-10"	summer	red	sun	A bushy upright plant covered with small, tubular, bright scarlet flowers over dark green foliage. The flowers are very attractive to hummingbirds.
<i>Cuphea llavea</i>	Flamenco Samba	Flamenco Samba Cuphea	10 - 12"	summer	purple	sun-part shade	A fantastic new series that is upright in form and covered with large open papery blooms of burgundy with darker centers. Works equally well in the garden or containers and looks really great when mass planted!
<i>Dahlia</i>	Dreamy Eyes	Dreamy Eyes Dahlia	12-15"	summer	orange	sun-part shade	Dark green leaves, dark brown often shiny buds and magnificent semi-full or single flowers in creamy-orange shades around a bright red centre.
<i>Dahlia</i>	Dreamy Fantasy	Dreamy Fantasy Dahlia	14-18"	summer	orange	sun- part shade	Multi colored salmon and coral ruffled blooms really stand out against dark foliage.
<i>Dahlia variabilis</i>	Black Beauty	Black Beauty Dahlia	18-24"	summer	mixed	sun-part shade	Black Beauty brings a whole new look to Dahlias with its unique solid dark mahogany red flowers that actually appear black.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Datura</i>		Moonflower	2 - 3'	summer	white	sun	Named for its large, fragrant, white blooms which open suddenly at night from mid-summer to the end of September.
<i>Datura metel</i>	Ballerina Purple	Ballerina Purple Angel's Trumpet	24-36"	Summer		sun-part shade	Exotic 6-8" bloom within a bloom. Petals are a swirled mix of dark purple and lavender. Very fragrant, strongest in the evening.
<i>Dianthus</i>	Amazon Neon Duo	Amazon Neon Duo Dianthus	18-36"	Early Summer-Fall		sun	An absolute showstopper in our flower trials, Amazon's magenta and fuchsia blooms appear to glow, attracting both admiring eyes and butterflies from all around.
<i>Dianthus barbatus</i>	Green Ball	Green Ball Dianthus	8" - 10"	summer	foliage	sun-part shade	Fascinating dianthus has green, spiky flowers. Good cut flower.
<i>Dichondra argentea</i>	Silver Falls	Silver Falls Dichondra	2" - 3"	foliage	foliage	sun-part shade	Very small round silver leaves. Vigorous plant has true cascading habit, making it excellent for mixed containers or hanging baskets.
<i>Dorotheanthus bellidiformis</i>		Livingstone Daisy	4-6"	summer	mixed	sun	Yellow, cream, pink, lavender and orange solitary daisy-like flowers. Flowers close during cloudy weather. Has succulent, ovate, light green leaves.
<i>Echeveria</i>	Chroma	Chroma Echeveria	4"	NA	foliage	sun	Hybrid rosettes of dusty blue-green leaves. Leaves dappled with yellow and pink markings in bright light of summer. Filtered bright light. Water when dry.
<i>Echeveria</i>	Perle von Nurnberg	Perle von Nurnberg Hen & Chicks	6 - 10"	july	pink	sun-part shade	Stiff, rounded, pointed leaves form a symmetrical, solitary rosette up to 6" wide. New leaves are purple-blue with a pink edge, turning grey-green with age. Rosette is dusted with a translucent white powder. Flowers on arching stems.
<i>Echeveria</i>	The Rose	The Rose Echeveria	4 - 8"	N/A	foliage	sun	Thick sculptured leaves form a metallic, dusty-burgundy, ruffled rosette up to 6" in diameter. Perfect specimen plant in the rock garden, trough or grow as a beautiful houseplant! A collector's dream.
<i>Echeveria peacockii</i>		Mexican Hen & Chicks	6"	foliage	orange	sun	Succulent, silvery-blue rosettes; spikes of orange-red flowers. Unique in combo pots, troughs, or rock gardens.
<i>Ensete ventricosum</i>	Maurelli	Red Banana	6 - 15'	foliage	foliage	sun-part shade	Rich dark red trunk, stems, and undersides of leaves. Adds a tropical look decks, patios, and gardens
<i>Eucalyptus gunnii</i>	Silver Drop	Cider Gum	2-3'	foliage		sun	Fragrant, blue-green leaves are coin size and shape. Foliage is useful both fresh and dried.
<i>Eupatorium capillifolium</i>	Elegant Feather	Elegant Feather Joe Pye Weed	4-6'		foliage	sun	Exciting vertical accent plant with very fine soft, bright green feathery leaves. The form is extremely tall and narrow with insignificant white flowers.
<i>Euphorbia</i>	Breathless Blush	Breathless Blush Euphorbia	8 - 12"	summer	pink	sun	This elegant and durable new annual euphorbia is the only red-flushed leaf form on the market! These longlasting, free flowering plants will be covered in tiny light pink flowers all summer!
<i>Euphorbia</i>	Breathless White	Breathless White Euphorbia	13"-16"		white	sun-part shade	Tiny white flowers float above fine, light green foliage. Very versatile - blooms consistently until frost, tolerant of heat and drought, and airy growth habit makes it a good companion to other plants in containers and hanging baskets.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Euphorbia cotinifolia</i>		Caribbean Copper Plant	36"	summer	foliage	sun - shade	Looks like a smoke tree with its rusty suede colored leaves. Useful for height in mixed containers.
<i>Eustoma</i>	ABC 2 Rose	ABC 2 Rose Double-Flowered Lisianthus	26-45"	summer	pink	sun	Outstanding double flowers on tall, strong stems. Excellent vase life,
<i>Eustoma</i>	Arena Red 3	Arena Red 3 Lisianthus	31-39"	Summer		sun	Fully double flowers on sturdy stems with unique colors. Thick petals make for long lasting vase life. Mid-season bloom.

<i>Faucaria felina</i>		Tiger Jaws	4"	n/a	foliage	sun	Succulent that looks like an animal's toothy mouth. Can produce 2" yellow flowers.
<i>Felicia amelloides</i>	Felicity Blue	Felicity Blue Felicia	12-18"	Summer		sun-part shade	Periwinkle blue daisies with yellow centers wave above fine textured foliage. A nice upright form with an airy charm.
<i>Fuchsia</i>	Autumnale	Autumnale Fuchsia	6 - 18"	summer	red	shade	A splendid trailing Fuchsia distinguished by gold leaves flushed with purple and orange. Red tubular flowers. Very nice in mixed planters.
<i>Fuchsia</i>	Beacon	Beacon Fuchsia	24"	Summer		sun-part shade	Vibrant, single mauve blooms with backward facing scarlet sepals adorn this hardy fuchsia all summer long. Upright stems and a bushy habit.
<i>Fuchsia</i>	Dark Eyes	Dark Eyes Fuchsia	4 - 8"	summer	purple	part shade-shade	Trailing growth habit. Deep red sepals with deep violet corolla and dark green leaves. Prefers morning sun and afternoon shade.
<i>Fuchsia</i>	Gartenmeister	Gartenmeister Fuchsia	18 - 24"	summer	red	part shade	Excellent addition to your mixed shade containers. Upright plant with bronze-green leaves and long brick red tubular flowers. Popular with the hummingbirds.
<i>Fuchsia</i>	Lottie Hobby	Lottie Hobby Fuchsia	6-8"	Summer		part shade-shade	A miniature fuchsia with small serrated green leaves and tiny tubular flowers in dark and light pink. Adorable and fairly-like.
<i>Fuchsia</i>	Marinka	Marinka Fuchsia	2'-6' (trailing)	summer	red	part shade	Two-tone pendulous red flowers complement dark green foliage with red veination on leaf undersides. Trailing habit. Prefers AM sun, PM shade
<i>Fuchsia</i>	Swingtime	Swingtime Fuchsia	10-12"	summer	pink	part shade-shade	Flowers are mixture of pink and white. Trailing variety.
<i>Fuchsia magellanica</i>	Aurea	Golden Fuchsia	6 - 18"	summer	red	shade	RENEW! The golden yellow, small, pointed leaves are semi-trailing and indescribably lovely in a mixed container. The pretty blossoms are delicate red with red stems.
<i>Gaura lindheimeri</i>	Belleza Dark Pink	Belleza Dark Pink Gaura	18 - 24"	summer	pink	sun	Compact, clump-forming, vase-shaped plant with wiry, arching stems. Star shaped flowers appear in long, terminal, wand-like panicles above the foliage.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Gaura lindheimeri</i>	Bellezza White	Bellezza White Gaura	18"-24"	summer-early fall	white	sun	Airy white flowers are arranged in graceful spikes on this long-blooming annual. Tolerant of heat and drought and a magnet for bees and butterflies.
<i>Gazania rigens</i>	Kiss Mix	Kiss Mix Gazania	8-10"	Spring-Summer		sun	Green foliage with multiple, large blooms on tightly mounded plants. Heat tolerant plants that add a pop of color to any sunny garden.
<i>Geranium</i>	Indian Dunes	Indian Dunes Cranesbill	8-10"	Summer		sun	Mounds of scalloped chartreuse leaves with bronze centers, complimented by an orange/red flower.
<i>Geranium</i>	Persian Queen	Persian Queen Cranesbill	15-20"	Summer		sun-part shade	Regal chrome yellow foliage and hot pink single petaled blossoms. Used in combinations she makes other plants pop. How queenly!
<i>Gibasis geniculata</i>	Bridal Veil Green	Tahitian Bridal Veil	18-24"			sun-part shade	Perfect for hanning baskets, this trailing bridal veil of green foliage is dotted with whimsical white blooms.
<i>Graptosedum</i>	California Sunset	California Sunset Graptosedum	4"	NA	foliage	sun	Blue-green rosettes are blushed with pink-mauve tips in bright light. Water when dry.
<i>Haworthia reinwardtii</i>		Haworthia	4"	NA	foliage	sun	Slow growing, clumping, columnar rosettes. Great for miniature gardens. Prefers sun to light shade; water when dry.
<i>Hedera Algeriensis</i>	Marengo	Marengo Algerian Ivy	3'	n/a	foliage	sun-part shade	This charming variety has large leaves with soft cream colored margins and two-toned green centers.
<i>Helichrysum italicum</i>	Licorice	Variiegated Licorice Plant	10"		foliage	sun-part shade	Variiegated, bluish-gray green and cream foliage. Mound-forming habit.
<i>Helichrysum italicum</i>	Mini Mouse Ears	Mini Mouse Ears Licorice Plant			foliage	sun-part shade	Silver fuzzy leaves are round and uniform resembling mouse ears. Great trailing container plant that tolerates dry soils well.
<i>Helichrysum petiolare</i>	Limelight	Limelight Licorice Plant	15"	foliage	foliage	sun	Spectacular contrast plant with lime-green aromatic foliage. Excellent container addition.
<i>Helichrysum thianschanicum</i>	Icicles	Icicles Helichrysum	12-18"	foliage	foliage	sun	Beautiful silvery dissected foliage. Mounding, upright habit.
<i>Heliotropium arborescens</i>	Marine Blue	Marine Blue Heliotrope	10 - 14"	summer	blue	sun	Deep violet-blue, scented flowers with giant umbels 4-6" in diameter. Foliage is dark green and flower color is intense. Compact habit!
<i>Hibiscus acetosella</i>	Mahogany Splendor	Mahogany Splendor Hibiscus	3 - 5'	N/A	foliage	sun-part shade	Dramatic height and awesome deep burgundy, maple-shaped leaves give this hibiscus foliage plant a regal appearance. Can be used as a hedge or as a specimen plant in containers. Resistant to heat, drought and deer.
<i>Hibiscus rosa-sinensis</i>	Tradewinds Orange	Tradewinds Orange Hibiscus	24-36"	summer	orange	sun	Vibrantly colored blooms up to 4" across, on a heat tolerant plant. Bring inside for the winter
<i>Hibiscus rosa-sinensis</i>	Tradewinds Pink	Tradewinds Pink Hibiscus	24-36"	summer	pink	sun	Vibrantly colored blooms up to 4" across, on a heat tolerant plant. Bring inside for the winter
<i>Hibiscus rosa-sinensis</i>	Tradewinds Red	Tradewinds Red Hibiscus	24-36"	summer	red	sun	Vibrantly colored blooms up to 4" across, on a heat tolerant plant. Bring inside for the winter
<i>Impatiens</i>	Balbaged	Big Bounce Red Interspecific Impatiens	20"-30"		red	sun-part shade-shade	These hybrids have the same form and flower count of the familiar Impatiens walleriana, but are resistant to downy mildew. And, similar to New Guinea Impatiens, they thrive in sun or shade and are able to bounce back if watered after wilting.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Impatiens</i>	Balbigilac	Big Bounce Lilac Interspecific Impatiens	20"-30"		purple	sun-part shade-shade	These hybrids have the same form and flower count of the familiar <i>Impatiens walleriana</i> , but are resistant to downy mildew. And, similar to New Guinea <i>Impatiens</i> , they thrive in sun or shade and are able to bounce back if watered after wilting.
<i>Impatiens</i>	Balboucher	Bounce Cherry Interspecific Impatiens	14"-20"		pink	sun-part shade-shade	These hybrids have the same form and flower count of the familiar <i>Impatiens walleriana</i> , but are resistant to downy mildew. And, similar to New Guinea <i>Impatiens</i> , they thrive in sun or shade and are able to bounce back if watered after wilting.
<i>Impatiens</i>	balbouco	Bounce Bright Coral Interspecific Impatiens	14"-20"		orange	sun-part shade-shade	Exciting new shade alternatives offer the habit and flower count of <i>Impatiens walleriana</i> , but they're resistant to downy mildew and thrive in sun and shade. Even better, the well branched plants bounce back like magic after wilt.
<i>Impatiens</i>	balbouite	Bounce White Interspecific Impatiens	20"-30"		white	sun-part shade-shade	These hybrids have the same form and flower count of the familiar <i>Impatiens walleriana</i> , but are resistant to downy mildew. And, similar to New Guinea <i>Impatiens</i> , they thrive in sun or shade and are able to bounce back if watered after wilting.
<i>Impatiens hawkerii</i>	Sunstanding Light Pink Aurora	Sunstanding Light Pink Aurora New Guinea Impatiens	24"-36"			sun-part shade	SunStanding New Guinea <i>impatiens</i> hybrids are outstanding landscape performers with unmatched color options to brighten both sun and shade garden locations.
<i>Impatiens hawkerii</i>	Sunstanding Orange Aurora	Sunstanding Orange Aurora New Guinea Impatiens	24"-36"			sun-part shade	SunStanding New Guinea <i>impatiens</i> hybrids are outstanding landscape performers with unmatched color options to brighten both sun and shade garden locations.
<i>Impatiens hawkerii</i>	Sunstanding Rose Aurora	Sunstanding Rose Aurora New Guinea Impatiens	24"-36"			sun-part shade	SunStanding New Guinea <i>impatiens</i> hybrids are outstanding landscape performers with unmatched color options to brighten both sun and shade garden locations.
<i>Ipomoea batatas</i>	Ace of Spades	Ace Of Spades Sweet Potato Vine	8"	foliage	foliage	sun-part shade	Black heart shaped leaves, trailing foliage. Edible white tubers. Great accent plant, ground cover. Keep well watered on sunny days to avoid midday wilting.
<i>Ipomoea batatas</i>	Blacky	Blacky Sweet Potato Vine	8"	foliage	foliage	sun-part shade	Rich trailing purple-black foliage. Spectacular in mixed containers or baskets. Popular accent plant. Keep well watered on sunny days to avoid midday wilting.
<i>Ipomoea batatas</i>	Margarita	Margarita Sweet Potato Vine	8"	foliage	foliage	sun-part shade	Chartreuse heart shaped trailing foliage. Vigorous and versatile. Keep well watered on sunny days to avoid midday wilting.
<i>Ipomoea batatas</i>	Sweet Georgia Bronze	Sweet Georgia Bronze Sweet Potato Vine	8" - 12"	foliage	foliage	sun-part shade	Trailing bronze foliage for a wonderful design component that adds a unique bronze color on a heat tolerant & vigorous plant.
<i>Ipomoea batatas</i>	Sweet Georgia Heart Red	Sweet Georgia Heart Red Sweet Potato Vine	8 - 14"	foliage	foliage	sun-part shade	NEW! Superb heart-shaped, deep red foliage that are great for containers or baskets.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Ipomoea batatas</i>	Sweet Georgia Light Green	Sweet Georgia Light Green	8 - 14"	foliage	foliage	sun-part shade	These ornamental sweet potatoes are fast growing, twining vines with bright, lime-green palmately lobed leaves. The Sweet Georgia Series is more mounded than other varieties. They also keep their color better in the summer.
<i>Ipomoea purpurea</i>	Sunrise Serenade	Sunrise Serenade Morning Glory	10'	summer	pink	sun- part shade	Vigorous vines covered with large heart-shaped leaves of deep blue-green are a striking backdrop for the double-petaled 2 to 3 inch blooms of cherry-red with white centers and wavy edges.
<i>Iresine herbstii</i>	Blazin Lime	Blazin Lime Beefstake Plant	12 - 16"	N/A	foliage	sun-part shade	Large leaf, vigorous, upright, spreading habit. Lime and cream variegated foliage with vibrant rose stems. Shows more chartreuse in higher light conditons. Will tolerate sun or shade!
<i>Iresine herbstii</i>	Blazin Rose	Blazin Rose Beefstake Plant	18 - 30"	foliage	foliage	sun-part shade-shade	This attractive plant has exotic bright red foliage, yet is extremely easy to care for. Unique colors make this a great accent plant!
<i>Isolepsis cernus</i>		Fiber Optic Grass	12"	summer	foliage	sun-part shade	Bright green, fine, cascading leaves. Great addition to mixed containers. Stays green until hard frost.
<i>Kalanchoe synsepala var. dissecta</i>		Walking Kalanchoe	4"	NA	foliage	sun	Upright, green, palmate leaves shaped like moose antlers; white, tubular flowers. Produces offsets at the end of long stolons.
<i>Kniphofia</i>	Papaya Pop	Dwarf Red Hot Poker	18"	Summer		sun	The hot papaya orange blossoms are much more compact at 18" than many and very early to bloom as they are day length neutral. They will bloom all summer. A real pop of color that even works for a small garden or container.
<i>Lampranthus blandus</i>	Pink Vygle	Pink Vygle Lampranthus	6 - 10"	summer	pink	sun	Produces masses of pale pink blooms which dance above mint-green foliage.
<i>Lantana camara</i>	Bandana Lemon Zest	Bandana Lemon Zest Lantana	12 - 14"	summer	yellow	sun	Flower clusters are an appealing bright yellow at center and creamy yellow around the outside. Exceptionally heat and drought tolerant annual.
<i>Lantana camara</i>	Bandana Pink	Bandana Pink Lantana	12 - 14"	summer	pink	sun	The 'Bandana® Pink' Lantana Plant bears jumbo blossoms that first emerge as buds a deep mauvy-pink and open to vivid lavender-pink flowers with hot pink centers!
<i>Lantana camara</i>	Bandana Red	Bandana Red Lantana	12 - 14"	summer	red	sun	Easy-to-grow mounding habit looks great in containers or in garden settings. Exceptionally large flower size and excellent season extender with its outstanding color and heat tolerance.
<i>Lantana camara</i>	New Gold	New Gold Lantana	9 - 15"	summer	yellow	sun	Covered with bright golden flowers throughout the growing season.
<i>Lantana camara</i>	Samantha	Samantha Lantana	12 - 18"	summer	yellow	sun	Trailing plant with bright yellow flower clusters and variegated foliage!
<i>Laurentia</i>	Starshine Blue	Starshine Blue Starflower	12"	Summer	blue	part shade	Great container plant with delicate periwinkle blue flowers. Mounded habit; fine textured foliage. Free-flowering and heat tolerant.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Leonotis leonurus</i>		Lion's Tail	48-60"	Summer		sun	Brilliant orange, fuzzy tubular petals whorl around sturdy stems to make a show unlike any other. This variety is sturdy enough for containers and showy enough for the garden.
<i>Lobelia erinus</i>	Regatta Blue Splash	Regatta Blue Splash Lobelia	6"	Spring-Summer	blue	part shade	This lobelia has white flowers with blue throats and picotee markings. Covered in flowers even through summer months.
<i>Lobelia erinus</i>	Regatta Sapphire	Regatta Sapphire Lobelia	8-10"	Spring-Summer	blue	part shade	This cool-season lobelia has deep blue flowers with large white eyes, and long trailing branches.
<i>Lobelia erinus</i>	Regatta White	Regatta White Lobelia	6-8"	Spring-Summer	white	part shade	Pure white blooms on long trailing branches flower earlier than other trailing lobelias.
<i>Lobelia erinus</i>	Riviera Midnight Blue	Riviera Midnight Blue Lobelia	8 - 12"	spring - summer	blue	sun-part shade	Beautiful deep blue flowers on upright stems. Great spring annual!
<i>Lobularia maritima</i>	Clear Crystal White	Clear Crystal White Alyssum	6"		white	sun-part shade	Exceptionally vigorous and free-flowering white alyssum. One plant can grow to 10" wide!
<i>Lobularia maritima</i>	Lavender Shades	Clear Crystal Lavender Shades Alyssum	6"		purple	sun-part shade	Exceptionally vigorous and free-flowering alyssum with flowers in shades of white, lavender, purple, and mulberry.
<i>Lotus berthelotii</i>		Parrot's Beak	4"-6"		foliage	sun	Dense, needle-like, trailing silver foliage. May bear brilliant orange beak-like flowers in hot summers but grown mostly for its foliage here in WI. Tolerant of dry soils but will drop all its needles if allowed to dry too much.
<i>Lysimachia congestiflora</i>	Golden Globes	Golden Globes Loosestrife	6-8"	Spring-Summer		sun	Lovely clusters of bright yellow flowers bloom over trailing green foliage. A lovely accent to baskets, containers or window boxes.
<i>Mandevilla</i>	Pink Parfait	Pink Parfait Mandevilla	15 - 20'	summer	pink	sun-part shade	Hot pink double, trumpet-like flowers. All-season flowering plus vigorous twining habit combine this semi-tropical vine.
<i>Mandevilla</i>	Sun Parasol Red Emperor	Sun Parasol Red Emperor Mandevilla	NA	summer-early fall	red	sun	Tropical-looking crimson-red flowers on a fast growing climber with glossy dark green leaves. Can be used on a trellis, in hanging baskets, or in containers.
<i>Manettia luteorubra</i>		Candy Corn Vine	10'	summer	orange	sun-part shade	The unusual flowers and climbing habit make this plant a great choice for large planters, trellises and topiary frames. Plants continually produce 1/2- to 3/4-inch, tubular, bright-yellow flowers that look like candy corn!
<i>Melinis nerviglumis</i>		Pink Crystals Ruby Grass	20 - 24"	fall	pink	sun-part shade	Annual grass with shimmering heads of bright ruby and silver flowers that sparkle like champagne bubbles.
<i>Muehlenbeckia axillaris</i>		Creeping Wirevine	3"	foliage	foliage	sun	Small 1/2" green alternate leaves on stiff, wiry stems. Nicely vigorous foliage plant for hanging baskets and containers.
<i>Nassella tenuissima</i>		Mexican Feather Grass	18 - 24"	N/A	foliage	sun	Very fine, thread-like foliage ending in straw-colored, narrow seed heads. Extremely delicate and soft in appearance. Very drought tolerant.
<i>Nicotiana glauca</i>		Flowering Tobacco	3 - 5'	summer	white	sun	Tubular white star-shaped blooms atop tall stems with huge leaves. Sweetly scented blooms close in full sun and open in the evening.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Ophiopogon planiscapus</i>	Niger	Black Mondo Grass	6 - 8"	foliage	foliage	sun-part shade	RHS Award of Garden Merit. Dark purple foliage with pale pink flowers July-August. Slow growing edger, ground cover, or contrast plant. Best in part shade and moist soil, but will tolerate full sun. Zone 5.
<i>Pelargonium</i>	Americana Dark Red	Americana Dark Red Geranium	1 - 3'	summer	red	sun-part shade	Large dark red flowers on vigorous plants.
<i>Pelargonium</i>	Americana Deep Rose	Americana Deep Rose Geranium	1 - 3'	summer	red	sun-part shade	Large rosy red flowers on vigorous plants.
<i>Pelargonium</i>	Americana Violet	Americana Violet Geranium	1 - 3'	summer	purple	sun-part shade	Large violet flowers on vigorous plants.
<i>Pelargonium</i>	Fischer Blues	Fischer Blues Geranium	1 - 3'	summer	pink	sun-part shade	Pink blooms and bright green foliage.
<i>Pelargonium</i>	Fischer Dolce Vita	Dolce Vita Geranium	12 - 24"	summer	pink	sun-part shade	Light salmon flowers.
<i>Pelargonium</i>	Fischer Jazz	Jazz Geranium	12 - 24"	summer	orange	sun-part shade	Salmon-blush flowers on 12 - 24" plants.
<i>Pelargonium</i>	Fischer Rocky Mountain White	Rocky Mountain White Geranium	15 - 24"	summer	white	sun	A zonal geranium a little taller than the other Fischer geraniums with white flowers.
<i>Pelargonium</i>	Fischer Royal Red	Fisher Royal Red Geranium		summer	red	sun	Blue-red flowers
<i>Pelargonium peltatum</i>	Burgundy	Burgundy Ivy Leaf Geranium	8 - 10"	summer	red	sun	Ivy-shaped leaves and trailing growth habit. Delicate, airy flower clusters that are a dark burgundy color. Great for baskets and container mixes.
<i>Pelargonium peltatum</i>	Crocodile	Crocodile Ivy Leaf Geranium	12 - 18"	summer	pink	sun-part shade	Single pink flowers with a magenta eye, green trailing foliage that appears to be covered with a fine yellow mesh.
<i>Pelargonium peltatum</i>	Lavender	Lavender Ivy Leaf Geranium	10-12"	Spring-Summer		sun	Airy lavender blooms float on top of Ivy-shaped leaves with a trailing growth habit.
<i>Pelargonium peltatum</i>	Pink Rose Shades	Pink Rose Shades Ivy Leaf Geranium	8 - 10"	summer	pink	sun	Various shades of delicate pink airy blooms on top of Ivy-shaped leaves with a trailing growth habit.
<i>Pelargonium peltatum</i>	Red White Bicolor	Red White Bicolor Ivy Leaf Geranium	10-12"	Spring-Summer		sun	Beautiful bicolor blooms on top of Ivy-shaped leaves with a trailing growth habit. Ideal for hanging baskets.
<i>Pellaea rotundifolia</i>		Button Fern	12-18"	N/A	foliage	part shade	A small fern with spreading fronds, the leaflets are nearly round. Lovely contrast in annual containers, and makes a good houseplant also.
<i>Pennisetum purpureum</i>	Princess Molly	Princess Molly Ornamental Napier Grass	14 - 20"	foliage	foliage	sun	Thin, beautiful, deep burgundy leaves, ideal for smaller landscapes where color is desired but size is not.
<i>Pennisetum setaceum</i>	Fireworks	Fireworks Variegated Purple Fountain Grass	2 - 3'	july - october	purple	sun	New leaves are white, green, and burgundy striped. In full sun, the green and white strips become infused with hot pink. Large, reddish purple, arching bottlebrush plumes turn tan as they age.
<i>Pennisetum setaceum</i>	Red Riding Hood	Red Riding Hood Fountain Grass	2 - 3'	summer	foliage	sun	Fine-textured, red-bronze foliage and red-bronze, foxtail-like flowers in summer. Low water needs!
<i>Pennisetum setaceum</i>	Sky Rocket	Sky Rocket Fountain Grass	24" - 36"	summer	foliage	sun	Explodes in the landscape with a vase-like clump of green leaves with white striped margins. Arching plumes emerge smokey pink aging to cream from midsummer into mid-fall.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Pennisetum villosum</i>		Feathertop	18 - 24"	summer	foliage	sun	Rapid and low-growing with showy, snow-white inflorescences all summer. Great for containers or the middle of mixed borders.
<i>Pentas lanceolata</i>	Glitterati Purple Star	Glitterati Purple Star Pentas	12-22"	Summer-Fall		sun	This bright newcomer combines a truly new look for pentas, while still offering the heat/humidity performance this class is know for. Distinctive star patterned bloom performs all season long.
<i>Pentas lanceolata</i>	Lucky Star Pink	Lucky Star Pink Pentas	12-16"	Late Spring-Summer		sun	This color-rich plant has a tight, compact habit that keeps them looking tidy with virtually no effort. Bright pink star shaped blooms add color and variety to garden borders.
<i>Petunia</i>	Cascadias Indian Summer	Cascadias Indian Summer Petunia	8"-12"		yellow	sun	Large, lightly ruffled, velvety blossoms are a mixed bag of Indian summer colors, ranging from yellow to orange to pink to terra cotta. Mounding habit.
<i>Petunia</i>	Crazytunia Mandeville	Crazytunia Mandeville Petunia	10"		pink	sun	Each blossom has star-shaped, wavy-edged blossoms of intense reddish-orange streaked with hues of black, brown and fiery yellow.
<i>Petunia</i>	Easy Wave Burgundy Velour	Easy Wave Burgundy Velour Petunia	8"		red	sun	Velvety-textured magenta/wine colored flowers with darker throats. Spreading habit.
<i>Petunia</i>	Easy Wave Yellow	Easy Wave Yellow Petunia	10-12"	summer	yellow	sun	Sun yellow and pale gold flowers cover a vigorous plant, spreading up to 4'. Blossoms are resistant to fading and self-cleaning
<i>Petunia</i>	Misty Lilac Wave	Wave Misty Lilac Petunia	6 - 8.5"	summer	purple	sun-part shade	Pale lavender w/ white highlights. Fabulous spreading 3 - 6" form. Great petunia for large baskets and sunny landscape bedding!
<i>Petunia</i>	Supertunia Bordeaux	Supertunia Bordeaux Petunia	6 - 10"	summer	pink	sun	A plethora of deep-pink flowers with veins the color of dark, sweet wine.
<i>Petunia</i>	Supertunia Royal Velvet	Supertunia Royal Velvet Petunia	5-7"	summer	purple	sun	Trailing habit, beautiful purple flowers, great in hanging baskets
<i>Petunia</i>	Supertunia Vista Bubblegum	Supertunia Vista Bubblegum Petunia		summer	pink	sun-part shade	Large, fragrant, early bloomer! This petunia is a sassy Bazooka pink! Self cleaning and easy to grow.
<i>Petunia</i>	Supertunia Vista Fuchsia	Supertunia Vista Fuchsia Petunia	16 - 20"	summer	pink	sun-part shade	Bright magenta-pink blooms cover this vigorous, spreading annual. Great addition to hanging baskets or as an edging in annual beds.
<i>Petunia</i>	Supertunia Vista Silverberry	Supertunia Vista Silverberry	16" - 24"	summer	white	sun	Vigorous, mounding plants are perfect landscape fillers, blooms all season, low maintenance.
<i>Petunia</i>	Surfinia Heartbeat	Surfinia Heartbeat Petunia	6-10"	summer	pink	sun	Pink hearts adorn white flowers on this low growing, spreading plant. Easy to care for.
<i>Petunia</i>	Surfinia Heavenly Blue	Surfinia Heavenly Blue Petunia	8"	summer	blue	sun	Plant has nicely ruffled, deep lavender blue blossoms with burgundy throats and blooms prolifically. Will trail over the side of containers.
<i>Petunia</i>	TriTunia Pink Morn	TriTunia Pink Morn Petunia	10-12"	Spring		sun	Velvety green foliage and with an abundance of beautiful bright pink blooms. The compact, mounding growth habit and multitudes of colorful, huge blooms makes this a great choice for landscape, baskets and containers.
<i>Petunia</i>	Wave Blue	Wave Blue Petunia	6 - 8.5"	summer	blue	sun-part shade	Deep blue flowers. Fabulous spreading 3 - 6" form. Excellent for large baskets and sunny landscape bedding!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Petunia exserta</i>			18-24"	Summer		sun	New! Only 14 plants of this species of petunia were found in 2007 by botanists in Brazil. Growing in the shady limestone cliffs with no fragrance, it had developed its lovely upright red star flowers to attract hummingbirds as its sole pollinator.
<i>Phormium</i>	Variegatum	Variegated Fiberlily	4'-6'		foliage	sun-part shade	Focal plant with sword-shaped, upright leaves. Leaves are green with cream lines running longitudinally. Tolerates dry conditions and can overwinter indoors.
<i>Phormium cookianum</i>	Purple Mountain	Purple Mountain Mountain Flax	3'	foliage		sun-part shade	Large broad leaves in hues of slate purple and olive green. Makes for stately containers when included in a combination of other subtropical plants. Very drought tolerant.
<i>Plectranthus argentatus</i>	Silver Shield	Silver Shield Spurflower	24"	foliage	foliage	sun	Similar to <i>Plectranthus argentatus</i> but more compact, beautiful combined with blue and lavenders.
<i>Plectranthus coleoides</i>	Variegata	Variegata Swedish Ivy	6" - 12"	foliage	foliage	sun-part shade	Attractive, scalloped foliage that's dark green with white margins. Makes a worthy filler plant in a container or in the garden.
<i>Portulaca</i>	Cupcake Carrot	Cupcake Carrot Purslane	2 - 4"	summer	orange	sun	NEW! Intense orange moss roses with a yellow center.
<i>Portulaca</i>	Cupcake Cherry Baby	Cupcake Cherry Baby Purslane	4-6"	summer	red	sun	Cherry red, cup shaped flowers on trailing, succulent foliage. Easy to care for.
<i>Portulaca</i>	Mango Mojito	Colorblast Mango Mojito Purslane	6"	Summer		sun	These drought tolerant succulent plants can withstand the worst of the summer heat and maintain their neon orange and yellow cheeriness. They flower over fleshy, green foliage.
<i>Pteris cretica</i>	Albo-lineata	Variegated Cretan Brake Fern	12 - 24"	N/A	foliage	shade	Small to medium fern with creeping rhizomes. Branched fronds look like deeply cut maple leaves, with bright cream markings on a green background.
<i>Pteris ensiformis</i>	Evergemiensis	Variegated Brake Fern	2-3'	N/A	foliage	part shade	A large fern, with white mid-ribs shading into green fronds. Prefers moist soil.
<i>Ricinus</i>	Carmencita Bright Red	Carmencita Bright Red Castor Bean	48 - 60"	summer	red	sun	These fast-growing plants can be grown in ground or in large containers. Brilliantly colored seed pods make an exotic cut flower. CAUTION - seeds are poisonous!
<i>Rudbeckia hirta</i>	Autumn Colors	Autumn Colors Black Eyed Susan	18-24"	July-September	mixed	sun	Large flowers in yellow, orange, red and brown have a brown center. An Excellent cut flower. Tolerates heat and drought and a range of soils, except wet ones.
<i>Rudbeckia hirta</i>	Cherokee Sunset	Cherokee Sunset Gloriosa Dairy	24"-30"	Summer-Fall	orange	sun	Blend of sunset colors - golden-yellow, orange, bronze and mahogany shades on double to semi-double 4" flowers. Sturdy branching habit.
<i>Salvia</i>	Amistad	Amistad Salvia	3-4'	Summer- Fall		sun	Tall stems are topped with regal purple flowers that have striking, near-black bracts. This beauty brings you close-up views of hummingbirds seeking its nectar as it blossoms profusely from early summer until frost

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Salvia</i>	Ember's Wish	Ember's Wish Salvia	24" - 32"	summer	orange	sun	Bright coral-colored, tubular blossoms contrast handsomely with the deep maroon stems, rusty rose calyxes and mid-green foliage. Sister of Olbrich favorite 'Wendy's Wish' and a favorite of hummingbirds!
<i>Salvia</i>	Love and Wishes	Love and Wishes Salvia	30-36"	summer	purple	sun-part shade	Deep purple calyxes and magenta tubular blossoms are held on dark stems. Mid-green foliage adds to the appeal. Will attract hummingbirds and pollinators.
<i>Salvia</i>	Purple Majesty	Purple Majesty Salvia	36 - 60"	summer	purple	sun	Dramatic, bushy, fast growing plant of shiny dark green leaves, topped in late summer with spikes of deep purple tubular flowers.
<i>Salvia</i>	Wendy's Wish	Wendy's Wish Salvia	24-30"	summer	pink	sun	Flaming magenta tubular blooms are held on dark maroon stems. This quick growing sage has a tidy, compact, slightly open habit. Large mid-green glossy foliage.
<i>Salvia coccinea</i>	Coral Nymph	Coral Nymph Bloody Sage	16" - 20"	summer	pink	sun	Outstanding and eye-catching pink & white bicolor flowers on rich green foliage.
<i>Salvia coccinea</i>	Lady in Red	Lady in Red Salvia	16" - 20"	summer	red	sun-part shade	Scarlet blooms produced in loose spikes of flowers concentrated around the main spike.
<i>Salvia coccinea</i>	Snow Nymph	Snow Nymph Bloody Sage	1 - 3'	summer	white	sun	Outstanding and eye-catching pure white flowers on lush green foliage.
<i>Salvia coccinea</i>	Summer Jewel Red	Summer Jewel Red Salvia	20"	summer	red	sun	Bright red flowers are a magnet for hummingbirds! Densely branched plants maintain a tidy 20" height throughout the season.
<i>Salvia farinacea</i>	Sallyfun Blue Emotion	Sallyfun Blue Emotion Mealy-cup Sage	24"	summer	purple	sun	The blue-violet blooms come over a long season on distinctive dark stems, rising above the foliage. An excellent cut flower and an unfussy plant.
<i>Salvia farinacea</i>	Victoria Blue	Victoria Blue Mealy-Cup Sage	1' - 2'	summer	blue	sun	Large intense violet-blue spikes. The best for color intensity and duration of bloom.
<i>Salvia guaranitica</i>	Black and Blue	Black and Blue Anise Sage	3'	summer	blue	sun	Rich blue-purple flowers are almost black. Large, mildly scented leaves. Great in large containers or mixed in the landscape.
<i>Salvia splendens</i>	Saucy Coral	Saucy Coral Salvia	24-36"	Summer		sun	As with others in the Saucy™ series, Coral will provide you with mountains of bold color on vigorous, self cleaning, early flowering plants. Salmon colored flowers bloom from dark coral colored calyxes and stems.
<i>Scaevola aemula</i>	New Wonder	New Wonder Scaevola	10 - 14"	summer	blue	sun	Delicate blue flowers and dainty green leaves.
<i>Scaevola aemula</i>	Pink Wonder	Pink Wonder Fan Flower	8-12"	summer	pink	sun-part shade	Clusters of pink, fan-shaped blooms scatter themselves through the low, rounded, and trailing foliage. Their color is a good mixer in baskets and a pretty floral carpet beside a path. In hot, sunny locations, growth is vigorous with non-stop flowering.
<i>Sedeveria</i>	Blue Giant	Blue Giant Sedeveria	4"	NA	foliage	sun	Forms a rambling, clustering plant with glaucous, blue leaves. Plant in bright to filtered light; water when dry
<i>Sedum adolphii</i>		Golden Sedum	12 - 15"	summer	white	sun	Loose rosettes of foliage with orange tips. Occasional clusters of white flowers. Colorful and easy to grow; good for hanging baskets.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Sedum hakonense</i>	Chocolate Ball	Chocolate Ball Sedum	6 - 8"	N/A	foliage	sun	Short, spiky, unique chocolate-red foliage. Tiny, yellow blooms in summer. Looks great in mixed containers!
<i>Sedum japonicum</i>	Tokyo Sun	Tokyo Sun Sedum	2"	N/A	foliage	sun	Fine, brilliant gold foliage with prostrate habit. A MUST HAVE for trough gardens!
<i>Sedum morganianum</i>	Burrito	Burrito Sedum	6 - 12"	foliage	foliage	sun-part shade	Cascading, spindle-shaped, silver-green leaves. Attractive for combos. Tighter than the straight species.
<i>Sedum spathulifolium</i>	Harvest Moon	Harvest Moon Stonecrop	6"	n/a	foliage	sun	Silver-white leaves; yellow flowers in summer on this choice rock garden or trough plant.
<i>Senecio candicans</i>	Angel Wings	Angel Wings Dusty Miller	10-12"	foliage		sun	A striking new Senecio with the beautiful name "Angel Wings". Long, broad velvety leaves of dazzling matte silver with toothy edges.
<i>Senecio cineraria</i>	Silverdust	Silverdust Dusty Miller	12"	N/A	foliage	sun-part shade	White foliage on uniform, compact plants. Drought tolerant and very decorative!
<i>Senecio citrifolmis</i>		String of Tears	2"	foliage		sun	Tear-shaped leaves with clusters of tiny cream flowers. This dwarf, creeping succulent acts like a groundcover or will drape over the sides of a pot.
<i>Senecio macroglossus</i>	Variegatus	Variegated Wax Ivy	12-36"		foliage	sun-part shade	A succulent vine not related to true ivy, with white margins on the leaves. A vigorous climber, it can develop white daisy-like flowers.
<i>Senecio talinoides mandris</i>	Blue	Blue Senecio	12 - 18"	foliage	foliage	sun	Long, intense blue, fleshy leaves on upright stems. Great color and texture! Drought tolerant.
<i>Setcreasea pallida</i>		Purple Heart	8 - 12"	summer	foliage	sun-part shade	Trailing, tender plant with purple leaves that produce pink flowers in summer. Mainly grown for its foliage. Best color is achieved in bright sunlight and dry conditions. Excellent groundcover.
<i>Solenostemon scutellarioides</i>	Big Red Judy	Big Red Judy Coleus	30 - 48"	foliage	foliage	sun - shade	Award winner! Big Red Judy has big leaves, is dark red-burgundy and strong. Large, bold, textural plant with rich red leaves and an upright habit.
<i>Solenostemon scutellarioides</i>	Black Dragon	Black Dragon Coleus	12"	foliage	foliage	part shade-shade	Red with purple-black edge, large lobed leaf.
<i>Solenostemon scutellarioides</i>	Chocolate Covered Cherry	Chocolate Covered Cherry Coleus	20-32"		foliage	sun-part shade	Leaves on this coleus have a rose-colored center, surrounded by mahogany and with a thin lime green margin. Adapted to sun!
<i>Solenostemon scutellarioides</i>	Colorblaze Kingswood Torch	Colorblaze Kingswood Torch Coleus	36 - 42"	foliage	foliage	sun - shade	Stunning magenta foliage overlaid with burgundy all summer.
<i>Solenostemon scutellarioides</i>	Colorblaze Sedona	Colorblaze Sedona Coleus	14"	foliage	foliage	part shade	Gorgeous color! Beautiful southwestern bronze leaves.
<i>Solenostemon scutellarioides</i>	Cuckoo	Cuckoo Coleus	15"		foliage	part shade-shade	Mound shaped coleus has interesting leaves - palmately shaped with a few extra lobes here and there.
<i>Solenostemon scutellarioides</i>	Electric Lime	Electric Lime Coleus	12-24"	foliage	foliage	sun - shade	Bright lime green leaves with yellow margins.
<i>Solenostemon scutellarioides</i>	Flame Thrower Spiced Curry	Flame Thrower Spiced Curry Coleus	18-24"	n/a	foliage	sun-part shade-shade	Energetic, narrow leaves have a maroon base with a broad overlay of warm curry. Edges are deeply serrated. Neatly uniform color pattern and shape.
<i>Solenostemon scutellarioides</i>	Gnash Rambler	Gnash Rambler Coleus	12 - 18"	foliage	foliage	sun-part shade-shade	Gorgeous deep purple leaves, edged with dark red ruffles, is sure to add drama to any garden setting or combo planter. This "rambling" spreader is super!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Solenostemon scutellarioides</i>	Grape Expectations	Grape Expectations Coleus	12 - 18"	foliage	foliage	sun-part shade-shade	A large leafed burgundy variety with a large neon pink central zone. The contrast really draws the eye to this variety!
<i>Solenostemon scutellarioides</i>	Happy Line	Happy Line Coleus	18 - 24"	foliage	foliage	sun-part shade-shade	Bright chartreuse foliage with vivid red central lines. Reminiscent of 'The Line'. One of our old favorites.
<i>Solenostemon scutellarioides</i>	Henna	Henna Coleus	18 - 24"	foliage	foliage	sun-shade	Very uniform with serrated foliage in a unique chartreuse to copper color complemented by dark burgundy undersides.
<i>Solenostemon scutellarioides</i>	Hurricane Jenni	Hurricane Jenni Coleus	24"	foliage		sun-part shade	A whirlwind of green, maroon and copper shades, with saw-toothed leaves that appear to swirl from the "eye" of the plant.
<i>Solenostemon scutellarioides</i>	Kong Mosaic	Kong Mosaic Coleus	18 - 24"	foliage	foliage	part shade	Bright green marked with brilliant red and cream. A very unique, huge leaf.
<i>Solenostemon scutellarioides</i>	Lemon Twist	Lemon Twist Coleus	24 - 36"	foliage	foliage	sun-part shade-shade	Lacy chartreuse leaves with crimson edging produce an amazing textural sensation! The upright habit of 'Lemon Twist' makes it the perfect plant for large containers or garden beds.
<i>Solenostemon scutellarioides</i>	Macaw	Macaw Coleus	4-8"	foliage		part shade-shade	New! A dwarf coleus of maroon lobed leaves with creamy yellow centers. Ideal for fairy gardens and other small interest plantings.
<i>Solenostemon scutellarioides</i>	Main Street Ruby Road	Main Street Ruby Road Coleus	18-24"	foliage		part shade	Large Coleus alert! Deep red center to burgundy to outer edge of green.
<i>Solenostemon scutellarioides</i>	Mt. Washington	Mt. Washington Coleus	30-36"	foliage		part shade	Large heart shaped leaves are golden-green with an overspray effect of burgundy.
<i>Solenostemon scutellarioides</i>	Red Trailing Queen	Red Trailing Queen Coleus	12 - 14"	foliage	foliage	sun	Small deeply cut leaves of maroon dappled with rose, edged with green. Excellent trailing variety for ground cover, baskets or container.
<i>Solenostemon scutellarioides</i>	Smallwood Driveway	Smallwood Driveway Coleus	12-18"	foliage	foliage	sun-part shade-shade	A compact grower, this variety offers whorls of bright yellow leaves with a mottling of green, cream and red.
<i>Solenostemon scutellarioides</i>	Stained Glassworks Kiwi Fern	Stained Glassworks Kiwi Fern Coleus	18-24"	foliage	foliage	part shade-shade	Fun form with scalloped edges on narrow purple leaves.
<i>Solenostemon scutellarioides</i>	Stained Glassworks Raspberry Tart	Stained Glassworks Raspberry Tart Coleus	12" - 18"		foliage	part shade-shade	Mounding coleus which grows to 12 -18."
<i>Solenostemon scutellarioides</i>	Strawberry Drop	Strawberry Drop Coleus	16"	n/a	foliage	sun-part shade-shade	Green leaves painted with yellow and rose centers and dark red venation.
<i>Solenostemon scutellarioides</i>	Vino	Vino Coleus	24"	foliage	foliage	sun-part shade-shade	Serrated pointy leaves remain deep purple in color with distinctive white edges.
<i>Solenostemon scutellarioides</i>	Wasabi	Wasabi Coleus	18-36"	n/a	foliage	part shade	Durable and rugged for a coleus, Wasabi's serrated chartreuse leaves hold their brilliant color without fading.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Solenostemon scutellarioides</i>	Watermelon	Watermelon Coleus	20"			part shade	Watermelon-colored leaves with green edges in cool conditions mature to deep pink under warmer conditions. Can be used in sunny or shady landscapes.
<i>Strobilanthes dyerianus</i>		Persian Shield	36"	foliage	foliage	sun-part shade	Impressive tropical plant used for its texture and incredible colors of purple and blues with iridescent silvering on leaves and a rich maroon underside.
<i>Sutera</i>	Scopia Gulliver Blue	Scopia Gulliver Blue Bacopa	6"	summer	blue	sun	Stunning purple star-shaped flowers with sky blue overtones and yellow eyes emerge along the stems from mid spring to late fall. It's small serrated round leaves remain green in color throughout the year.
<i>Sutera</i>	Scopia Gulliver White	Scopia Gulliver White Bacopa	6-10"	june - july	white	sun	Extra large flowers with a vigorous growth habit.
<i>Sutera cordata</i>	Scopia Gulliver Pink	Scopia Gulliver Pink Bacopa	4-6"			sun	Early, rich pink colored flowers on a well branched, compact plant.
<i>Tagetes erecta</i>	Taishan Mix	Taishan Mix African Marigold	14-16"	summer		sun	The most exceptional branching dwarf marigold available on the market. Lush plants that perform better and last longer.
<i>Tagetes patula</i>	Durango Flame	Durango Flame French Marigold	10"-12"	summer		sun	Mahogany petals trimmed in fiery gold. Vigorous, well-branched plants.

<i>Capsicum annuum</i>	Flaming Jade Serrano	Flaming Jade Serrano Pepper				sun	This All-America selection hybrid Serrano boasts a heavy set of large fruit on tall plants and packs a strong disease resistance package.
<i>Capsicum annuum</i>	King of the North	King of the North Red Bell Pepper	24 - 36"		foliage	sun	The best red bell pepper for northern gardeners where the seasons are cool and short. Blocky, uniform fruits are excellent for stuffing or fresh eating. Great sweet flavor.
<i>Capsicum annuum</i>	La Bomba II	Jalapeno La Bomba II Pepper	32-40"			sun	New! Smooth jumbo-sized fruit on disease resistant plants. 65-70 days from transplant to ripe red fruit.
<i>Capsicum annuum</i>	Lady Bell	Lady Bell Pepper	24 - 36"		foliage	sun	A good producer of 3 x 5" sweet, juicy bells. Rich green matures to bright red.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Capsicum annuum</i>	Lunch Box Mix	Lunch Box Mix Pepper	30"-36"		foliage	sun	Bite size peppers in cheerful red, orange and gold shades. Fruits are about the size of a Jalapeno, but 100% sweet. Perfect snack for tossing in lunches, as well as salads and stir fries. Plants are tall and high yielding.
<i>Capsicum annuum</i>	Mama Mia Giallo	Mama Mia Giallo Pepper	30"-36"		foliage	sun	Italian fry-style pepper with cheery golden yellow color, bountiful fruit set, sweet flavor, good foliage cover to prevent sunburn, and compact tidy plants. Elongated 7-9" fruit are suggested for use raw, fried or roasted.
<i>Capsicum annuum</i>	Poblano	Poblano Pepper	24"			sun	One of Mexico's most popular chiles, for roasting, sauces, and the famous chile relleno. Known as "chile ancho" when dried. Mild to medium hot; as with all peppers, remove seeds and white interior membrane to reduce the spiciness.
<i>Capsicum annuum</i>	Shishito	Shishito Pepper	24"-36"		foliage	sun	This is the trendy appetizer pepper these days. Grilled or pan-seared and salted, they become the perfect pop-in-your-mouth snack. The sweet mild peppers are mid-green, wrinkled, slender, 3-4" long.
<i>Capsicum annuum</i>	Snack Red	Snack Red Pepper	15"			sun	Compact plants are covered with elongated sweet peppers about the size and shape of a jalapeno. Toss them into your salad--or lunch bag.
<i>Capsicum annuum</i>	Sweet Banana	Sweet Banana Pepper	18-24"			sun	Large, pointed fruits measure 6-7" long and 1 1/2" across. The mild yellow peppers ultimately turn brilliant red. A favorite for pickling.
<i>Capsicum annuum</i>	Sweet Heat	Sweet Heat Pepper	10"			sun	Mini bells boast a bit of heat to balance out their sweetness. Very compact plants bear heavily and are early to ripen at 55 days. Perfect for a deck or patio pot.
<i>Capsicum baccatum</i>	Aji Cristal	Aji Cristal Pepper	24"		foliage	sun	With dozens of upward pointing, pale yellow 3-4" fruits, this native of Chile has a unique smoky citrus flavor that is perfect in salsas raw or cooked. 30,000-50,000 Scoville Heat units - about like a Cayenne.
<i>Citrullus lanatus</i>	Crimson Sweet	Crimson Sweet Watermelon	15-24"			sun	80 day maturity. Large, round melons averaging 25 lb. are light green with dark green stripes. Flesh is dark red, firm and fine-textured.
<i>Citrullus lanatus</i>	Sugar Baby	Sugar Baby Watermelon	8 - 10"			sun	10-12 lbs. (60-65 days) A summertime treat, Sugar Baby sets an abundance flavorful fruit on compact vines. Thick, near black rinds at maturity. The quality and sweetness of the flesh is good and the smaller overall size makes icebox cooling easy.
<i>Citrus limon</i>	Variegata	Variegated Lemon	8 - 13 ft	spring - summer	white	sun	RHS Award of Garden Merit. Strikingly beautiful, creamy margined foliage; has some thorns. Outstanding plant for the patio container especially in fragrant bloom. Fruits are useable.
<i>Coriandrum sativum</i>		Coriander	24 - 36"	foliage	foliage	sun	Seeds used in soups and curries, leaves known as cilantro or 'Chinese Parsley'.
<i>Cucumis melo</i>	Orange Sherbet	Orange Sherbet Cantaloupe	12-18"			sun	Tuscan type melon with great flavor. Combining a high sugar content with a strong melon flavor, it is one of the best eating cantaloupes available.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Cucumis sativus</i>	Calypso	Calypso Cucumber				sun	56 days. Medium green, blocky with white spines. Good tolerance to both northern and southern disease complexes. Vine is strong, vigorous and productive. A popular pickling cucumber.
<i>Cucumis sativus</i>	Garden Sweet	Garden Sweet Slicing Cucumber				sun	A burpless, non-bitter slicing cuke with smooth fruits 8 to 10" long. Powdery mildew resistant. Provide support for best results.
<i>Cucurbita pepo</i>	Black Beauty	Black Beauty Zucchini				sun	58 days. Compact, spiny everbearing bush with dark greenish-black skinned fruits. Long, cylindrical fruits are best eaten when 6-8" long. Excellent variety for freezing.
<i>Cucurbita pepo</i>	Buckingham	Buckingham Zucchini	18 - 24"			sun	A compact zucchini for urban gardeners or even patio containers! Gold fruits are best in the 6-10" range.
<i>Cucurbita pepo</i>	Burgess	Burgess Buttercup Squash				sun	110 days. Extra rich and sweet in flavor, the deep orange flesh is firm and smooth. The blocky 6-8" wide x 3 1/2 - 4" long, dark green fruit have a small grey "button" at the blossom end and grow on a full vine.
<i>Cucurbita pepo</i>	Cornell's Bush Delicata	Cornell's Bush Delicata Winter Squash	18 - 24"			sun	2002 All-America Selections Winner! Plant produces excellent yields of 8" long by 4" wide squash. The squash has a sweet potato flavor with deep gold flesh. Stores for 4 months. Bush type plant spreads only 36" and is suitable for small gardens. 80 days
<i>Cucurbita pepo</i>	Romanesco Cocozelle	Romanesco Cocozelle Zucchini				sun	An Italian heirloom summer squash. Compact and easy to grow, produces plenty of zucchini all season long with beautiful striping. Delicious sliced and served fresh, fried, steamed or simmered.
<i>Cymbopogon citratus</i>		Lemon Grass	3 - 4'	foliage	foliage	sun	Dense clumps of lime-colored grass. Cultivated for aromatic lemon oil. Great in stir fries and Asian cooking. Perennial if brought indoors to overwinter.
<i>Foeniculum vulgare</i>	Dulce	Bronze Fennel	5'	foliage	foliage	sun	Decorative annual herb with bronze-red foliage. Used extensively in landscapes for unique contrast. Vigorous and uniform strain is slow to bolt.
<i>Fragaria ananassa</i>	Honeoye	Honeoye Strawberry	8 - 10"	june	white	sun	Try Honeoye if you want the tastiest strawberries ever! This large, "sweet as Honey" Junebearing variety gives Honeoye its name. It is the best for freezing! Honeoye also has a beautiful red color and it is a fantastic yielder!

<i>Asclepias tuberosa</i>	Hello Yellow	Hello Yellow Milkweed	18 - 24"	june - aug	yellow	sun	Yellow version of a butterfly and hummingbird favorite! Tolerates heat well and has a long bloom time.
<i>Aster azureus</i>		Sky Blue Aster	2-3'	Late Summer-Fall		sun-part shade	Bright and showy from late August into October when it is covered with brilliant blue blooms. Thrives in almost any soil, from dry sand to moist loam, in full sun to light shade.
<i>Aster dumosus</i>	Red Alert	Red Alert Bushy Aster	12-18"	Later summer- Fall		sun	Densely packed clusters of purplish-red flowers provide outstanding color in the garden from late summer into fall.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Astilbe arendsii</i>	Happy Spirit	Happy Spirit False Goatsbeard	24"	Spring-Summer		part shade-shade	Creamy white flowers on red stems with glossy foliage. Excellent plants for borders, containers, the shade garden and edges of ponds. Good cut flowers.
<i>Astilbe chinensis</i>	Amber Moon	Amber Moon Astilbe	30-34"	mid summer	pink	part shade	The lacy foliage comes on in spring chartreuse with a tinge of red. The leaves are bright notes against the darker greens of most garden plants. In midsummer the flowers arrive--rosy pink panicles borne on long, upright red stems.
<i>Astilbe x arendsii</i>	Flamingo	Flamingo Astilbe	20"	summer	pink	sun-part shade-shade	Flamingo pink flowers are presented on wide, airy plumes that are held upright. Slightly fragrant.
<i>Athyrium</i>	Ghost	Ghost Fern	24" - 36"	foliage	foliage	part shade-shade	Stunning silvery fronds, growing broad and tall. Rigid upright clump form is bound to leave you with a haunting impression.
<i>Athyrium filix-femina</i>	Lady in Red	Lady in Red Fern	30" - 36"	foliage	foliage	part shade-shade	Vibrant burgundy colors run throughout the stipe making this one of the most exciting perennial garden fern introductions.
<i>Baptisia</i>	Decadence Vanilla Cream	Decadence Vanilla Cream False Indigo	3'	may-june	yellow	sun-part shade	Foliage emerges an attractive bronze in spring, growing to form a sturdy vase-shaped clump of gray-green foliage. 10" spikes of pastel yellow buds open to creamy vanilla flowers, and turn to ornamental gray-brown seed pods in fall.
<i>Baptisia leucantha</i>		Wild White Indigo	36 - 48"	june - july	white	sun-part shade	Tall perennial with white flowers in late summer. A prairie plant of classic elegance with its small graceful form and waxy clusters of lovely blossoms. This plant fixes nitrogen into the soil.
<i>Bergenia</i>	Rosi Klose	Rosi Klose Pigsqueak	12-15"	April-May	pink	part shade-shade	Large glossy, leathery leaves turn burgundy in cold weather. Repeating clusters of deep pink flowers rise above the foliage.
<i>Bergenia cordifolia</i>	Red Beauty	Red Beauty Pig Squeak	12-15"	Spring		part shade	Large evergreen foliage with thick leathery leaves, clusters of deep purple-red flowers bloom on heavy stems in spring, glossy foliage turns burgundy-bronze in fall and winter.
<i>Brunnera macrophylla</i>	Emerald Mist	Emerald Mist Heartleaf Brunnera	12 - 15"	april - may	blue	part shade-shade	Has silver barring with the bars connecting to form a silver collar around the perimeter of the leaf. In addition, there is a very light dusting of silver over the entire leaf surface. Produces tiny, baby blue, forget-me-not type flowers.
<i>Brunnera macrophylla</i>	Looking Glass	Looking Glass Brunnera	12-15"	april - may	blue	part shade-shade	Tiny blue flowers resembling forget-me-nots bloom above young foliage which is frosty silver with green veins. The leaves become solid silver and cupped downward as they age.
<i>Ceratostigma plumbaginoides</i>		Plumbago	12"	summer	blue	sun-part shade	Groundcover with intense blue flowers and glossy green foliage. Foliage turns a beautiful bronzy-red in fall. Great in mixed containers. Favorite butterfly plant.
<i>Chelone glabra</i>	Black Ace	Black Ace Turtlehead	4-5'	late summer	white	sun-part shade	Foliage emerges in the spring with a very dark black cast turning to a dark green. Great for mixed borders

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Cimicifuga</i>	Chocoholic	Black Snakeroot	4-5'	Late Summer - Early Fall		part shade-shade	From late summer through early fall, fragrant bottlebrush flowers dance above the bronze purple foliage. Flowers are a rich mauve-pink color when they open and lighten to white as they age.
<i>Cimicifuga</i>	Pink Spike	Pink Spike Snakeroot	55-60"	Late Summer- Fall		shade	Large, upright perennial for late-summer bloom. Long bottlebrush-like flowers are fragrant and form attractive seedpods.
<i>Clematis integrifolia</i>	Blue Ribbons	Blue Ribbons Bush Clematis	16-18"	Late Spring- Late Summer		sun-part shade	A bush-type clematis that produces very large indigo blue flowers, up to three times larger than typical! This is a low growing variety, non-vining type, and it may benefit from light staking or support from nearby plants.
<i>Clematis recta</i>	Serious Black	Serious Black Bush Clematis	4-6'	Late Spring-Summer		sun-part shade	A bush type that it can stand up on its own with extraordinarily dark purple new foliage which matures to deep olive green. Ivory colored blossoms about the size of a nickel appear in clusters.
<i>Convallaria majalis</i>	Bordeaux	Bordeaux Lily of the Valley	6-8"	Mid- Late Spring		sun-part shade	The flowers appear in spring and last for several weeks. These blossoms are very fragrant.Despite the dainty appearance of the blossoms, Convallaria is actually a tough, vigorous groundcover.
<i>Coreopsis</i>	Berry Chiffon	Berry Chiffon Tickseed	15"-18"	july-sept.	pink	sun	White flowers with a vibrant raspberry red eye bloom for months above dark green threadleaf foliage. Sturdy, upright clump is highly disease resistant and more heat and cold tolerant than other threadleaves.
<i>Coreopsis</i>	Red Elf	Li'l Bang Red Elf Tickseed	8-12"	Summer- Fall		sun	Deep burgundy red blossoms on a smaller bun-shaped habit makes this plant fit perfect into combination container plantings or smaller borders.
<i>Coreopsis</i>	Starlight	Li'l Bang Starlight Tickseed	8-12"	summer	mixed	sun	Especially large white flowers have a burgundy star in the center. The blooms on this compact plant come all summer without deadheading.
<i>Coreopsis grandiflora</i>	SunKiss	SunKiss Tickseed	12-14"	Late Spring- Late Summer		sun	This beautiful, heat-tolerant plant will form a well-branched habit with nearly 3" wide, golden yellow flowers with burgundy red centers.
<i>Corydalis lutea</i>		Yellow Corydalis	12"	spring, reblooming	yellow	part shade	Yellow Dicentra-like flowers on soft, lacy foliage. Reliable, easy plant for shade. Reseeds in the most perfect locations.
<i>Delphinium elatum</i>	Magic Fountains Dark Blue Bee	Magic Fountains Dark Blue Bee Delphinium	28"-36"	june	blue	sun	Dark blue flowers with a white bee crowd all along the spike for a very bushy, colorful effect. Blooms in early to midsummer.
<i>Delphinium grandiflorum</i>	Blue Butterfly	Blue Butterfly Dwarf Delphinium	18"	june-aug.	blue	sun	Tall spikes of cup-shaped flowers in a striking shade of dark blue. Blooms early-late summer.
<i>Dianthus</i>	Coral Reef	Coral Reef Carnation	9-12"	early summer and early fall	pink	sun-part shade	Large 1-1.5", fully double blossoms are a rich coral color with delicately fringed, light pink to white edges, and have a strong, spicy fragrance. Grey-blue foliage complements the flowers and forms an attractive mound all season.
<i>Dianthus</i>	Electric Red	Pretty Poppers Electric Red Sweet William	8-10"	Summer- Fall		sun-part shade	Dramatic double flowering, rich red flowers with strong stems held above blue-green leaves.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Dianthus gratianopolitanus</i>	Firewitch	Firewitch Cheddar Pinks	7-8"	Summer-Fall		sun-part shade	Shocking magenta-pink, upward-facing blooms which exude the scent of cloves appear in masses above silvery-blue mats of evergreen foliage.
<i>Dicentra</i>	Fire Island	Fire Island Bleeding Heart	12"-15"	may-july	red	sun-part shade	Magenta red, heart-shaped flowers bloom for months, held above finely dissected frosty blue foliage. Selected for improved vigor and disease resistance, and increased flowering. Deer-resistant.
<i>Dicentra</i>	Luxuriant	Luxuriant Bleeding Heart	12 - 15"	spring	red	part shade	Cherry red, heart-shaped blooms float above spreading mounds of ferny, blue-green foliage. This selection is everblooming, flowering most freely in spring and continuing throughout the summer and into fall.
<i>Dicentra spectabilis</i>		Old Fashioned Bleeding Heart	30"	spring	pink	sun-part shade	An old time favorite with drooping chains of pink hearts.
<i>Dicentra spectabilis</i>	Alba	Alba Old Fashioned Bleeding Heart	30"	spring	white	part shade-shade	Graceful arching stems carry white locket-shaped hearts.
<i>Dicentra spectabilis</i>	Gold Heart	Gold Heart Bleeding Heart	24 - 36"	spring	pink	part shade-shade	Golden foliage provides a backdrop in spring for the chains of drooping, soft pink, heart-shaped flowers. Foliage retains its color into summer, before going dormant.
<i>Dicentra spectabilis</i>	VALENTINE	Valentine Old Fashioned Bleeding Heart	30"	late spring	red	part shade/shade	Bright red, puffy heart-shaped flowers with a white tip dangle from deep red, arching stems for several weeks. Quickly forms a robust clump of attractive foliage a bit darker than the species; foliage will die back in summer.
<i>Digitalis purpurea</i>	Excelsior Hybrids	Excelsior Hybrids Common Foxglove	4 - 5'	june	mixed	sun-part shade	Dignified spikes of large colorful tubular flowers. A blend of unusual shades of white, purple and lavender. Biennial. Butterfly and hummingbird favorite.
<i>Dryopteris erythrosora</i>	Brilliance	Brilliance Autumn Fern	18"-24"	foliage	foliage	shade	Brilliance is a more colorful cultivar of this striking autumn fern. Young fronds emerge a lustrous orange and mature to glossy green. Growth habit is identical to standard Autumn Fern but much showier!
<i>Echinacea</i>	Adobe Orange	Sombrero Adobe Orange Coneflower	18-20"	Summer		sun-part shade	Intense orange flowers with a matching orange cone that really makes the color pop. Dark green foliage is completely covered with flowers.
<i>Echinacea</i>	Cheyenne Spirit	Cheyenne Spirit Coneflower	18-30"	summer	mixed	sun	A hybrid Coneflower, featuring single flowers in the first year. Petals are narrow, rolled or quilled in vivid shades of orange, red, rosy-red, yellow, purple and cream surrounding a large brown cone.
<i>Echinacea</i>	Cleopatra	Cleopatra Coneflower	16-18"	summer	yellow	sun	Fragrant, single to semi-double flowers with lemon yellow petals surrounding an orange cone are attractive to both humans and butterflies. Will continue to flower if deadheaded, birds eat the seed in spent blooms over the winter.
<i>Echinacea</i>	Pixie Meadowbrite	Pixie Meadowbrite Coneflower	18-24"	June-October	pink	sun	Compact and sturdy plants, with well branched stems supporting upward facing flowers.
<i>Echinacea</i>	Sensation Pink	Sensation Pink Coneflower	16-18"	Mid- Late Summer		sun-part shade	Hot magenta pink coneflowers lighten to lavender with age. The flowers are presented on dark stems above a truly compact habit.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Echinacea pallida</i>		Pale Purple Coneflower	2' - 3'	june - july		sun	A favorite for Olbrich's gravel gardens, this Echinacea has narrow, pale pink petals which droop downwards from the spiny center cone.
<i>Echinacea purpurea</i>	Kim's Knee High	Kim's Knee High Echinacea	18 - 24"	summer	pink	sun	Clear pink, drooping flexed flower petals. Very compact, heavy bloomer
<i>Echinops bannaticus</i>	Blue Glow	Blue Glow Globe Thistle	3' - 4'	summer	blue	sun	Echinops is a clumping perennial, easy to grow but not invasive. Intense blue spiky flowers appear on tall, unbranched stems. Foliage is a bold silver. Attractive to bumblebees and nocturnal moths and a good everlasting cut flower.
<i>Epimedium</i>	Domino	Domino Epimedium	18-24"	Mid-Late Spring		part shade-shade	'Domino' produces flowers with white spurs and pink centers. The delicate-looking flowers have an airy feel, making it the perfect contrast to other shade items like Hosta.
<i>Epimedium x rubrum</i>		Rubrum Epimedium	8 - 12"	may - june	red	part shade-shade	Rich ruby-red flowers, great ground cover for shade. Delicate foliage has airy appearance.
<i>Epimedium x versicolor</i>	Sulphureum	Epimedium	12"	early summer	yellow	part shade-shade	Nice evergreen groundcover. Young leaves are flushed red then turn green as they mature. Small pale yellow flowers.
<i>Eryngium planum</i>	Blue Glitter	Blue Glitter Sea Holly	6 - 8"	july	blue	sun	Has long lasting, blue, spiny flowers that are produced on intensely silver-blue stems and stand high above the basal rosette of blue-green, deeply toothed, smooth textured leaves.
<i>Eryngium yuccifolium</i>		Rattlesnake Master	3 - 4'	june - sept	white	sun	Silvery thistle-type flower heads. Pale pointy foliage. Midwest native.
<i>Euphorbia</i>	Ascot Rainbow	Ascot Rainbow Spurge	20"	April - May	mixed	sun-part shade	Unique variegated foliage topped by clusters of variegated cream, lime, & green flowers in spring. In cooler months newer foliage flushes red, pink, & orange. Great in beds or containers!
<i>Euphorbia polychroma</i>	Bonfire	Bonfire Cushion Spurge	18"	late spring	yellow	sun-part shade	Amazing color. Deep purple, red and orange leaves. Sulphur yellow bracts in spring. Forms rounded mound.
<i>Filipendula rubra</i>	Venusta	Venusta Queen of the Prairie	4'	july - aug	pink	sun-part shade	Very large, pink flower heads from summer till fall. Showy vigorous plants.
<i>Filipendula vulgaris</i>	Plena	Plena Meadowsweet	24 - 32"	Jun-Aug	white	sun-part shade	Double, creamy-white flowers over ferny foliage in spring and summer.
<i>Gaillardia aristata</i>	Arizona Apricot	Arizona Apricot Blanket Flower	12"	May - Sept	yellow	sun	Compact, uniform bright green foliage covered in large yellow-apricot blossoms with dark orange centers. Low maintenance and drought tolerant.
<i>Gaillardia aristata</i>	Arizona Red Shades	Arizona Red Shades Blanket Flower	10" - 12"	June - September	red	sun	This sister to 'Arizona Sun' produces masses of large, crimson red flowers over a very long period. Has a slight yellowing of the tips. Much more compact and uniform.
<i>Galium odoratum</i>		Sweet Woodruff Galium	6"	june	white	part shade-shade	A vigorous ground cover with tiny, white, star-shaped flowers above a carpet of green foliage. The bright green leaves are fragrant when crushed and are finely cut.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Gentiana</i>	True Blue	Bottle Gentian	24-36"	late summer	blue	sun	An upright mound of shiny green leaves bears open funnel-shaped blooms of electric blue. Excellent for cutting, and attractive to butterflies and hummingbirds.
<i>Geranium</i>	Perfect Storm	Perfect Storm Cranesbill	12"	May - July	pink	sun-part shade	A multitude of small, magenta pink blossoms with a black center and veins are produced atop low, spreading mounds of velvety grey-green foliage in summer.
<i>Geranium</i>	Rozanne	Rozanne Cranesbill	18 - 20"	may - sept	blue	sun-part shade	Huge, glowing violet blue, saucer-shaped flowers with distinctive white eyes and reddish-purple veining are held above mounds of deep green foliage that is slightly marbled with chartreuse. This is an amazingly free-flowering cultivar!
<i>Geranium cinereum</i>	Ballerina	Ballerina Cranesbill	4 - 6"	late spring - mid summer	purple	sun-part shade	Multiple award winner! Low growing with large, two-inch wide lilac-pink flowers with purple veins on the petals.
<i>Geranium macrorrhizum</i>	Bevan's Variety	Bevan's Variety Cranesbill	12"	Late Spring-Summer		sun-part shade	Bright fragrant magenta-red blossoms with conspicuous veining and decorative deep red sepals highlight dense mounds of pine-scented foliage
<i>Geranium phaeum</i>	Samobor	Samobor Cranesbill	16-20"	Late Spring- Early Summer		sun-part shade	Royal purple flowers are held high above the maple leaf shaped cut foliage. Geranium Samobor lends nice height and a wildflower look to woodland gardens.
<i>Geum flora plena</i>	Blazing Sunset	Blazing Sunset Avens	24"	Late Spring-Summer		sun-part shade	Delightful fully double, scarlet red geum with a larger blooms float atop a fuzzy, green mound of leaves. Enjoy them as a cut flower in fresh bouquets.
<i>Geum triflorum</i>		Prairie Smoke	12 - 18"	april - july	pink	sun	Graceful nodding pink flowers followed by feathery seed heads.
<i>Gillenia trifoliata</i>		Bowman's Root	2-3'	may-june	white	sun-part shade	An upright, somewhat bushy perennial native to the Eastern and Southern US, plant has red stems with white star-like flowers held in wine-red cups.
<i>Helenium</i>	Mardi Gras	Mardi Gras Sneezeweed	36'	late summer	yellow	sun	Yellow petals are lavishly edged with bright orange-red, aging to clear red edged in gold, all surrounding deep brown cones. Cut by half in June for bushier plants.
<i>Heliopsis helianthoides</i>	Summer Nights	Summer Nights Oxeye Daisy	3-4'	summer	yellow	sun-part shade	Golden yellow daisy flowers have a deep mahogany center that echoes the dark red stems and red tinged foliage. Stands out in any perennial border.
<i>Heliopsis helianthoides</i>	Tuscan Gold 'Inhelsodor'	Tuscan Gold False Sunflower	24-32"	Summer		sun-part shade	Bright golden yellow, daisy-like flowers with an orange-gold button center are produced on strong stems. This exciting new selection boasts a compact, upright habit with dark green leaves that resist powdery mildew.
<i>Heliopsis helianthoides var. scabra</i>	Sunburst	Sunburst False Sunflower	30-36"	late summer	yellow	sun-part shade	This upright unfussy perennial has beautiful cream and green variegated foliage, with 2" yellow daisy-like flowers coming in late summer.
<i>Helleborus</i>	Blushing Bridesmaid	Wedding Party Blushing Bridesmaid Lenten Rose	18-24"	early spring	pink	part shade-shade	The Wedding Party™ series showcases double-flowered selections of notable vigor; this selection bears 2-2.5" double white flowers with raspberry pink veining and picotee edge.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Helleborus</i>	Sandy Shores	Honeymoon Sandy Shores Lenten Rose	18-24"	early spring	white	part shade-shade	The soft pale peach petals of this single flowering variety are accented with a central flush of purple that provides a lovely contrast. The backs of the petals display a glowing twilight pink.
<i>Helleborus</i>	True Love	Wedding Party True Love Lenten Rose	18-24"	Late Winter- Spring		part shade-shade	Helleborus 'True Love' bears rich maroon red, 3-3½" double flowers. This is the perfect plant for naturalizing in moist, woodland areas where its extensive root system will spread as far as it is allowed.
<i>Helleborus</i>	Walhelivor	Ivory Prince Lenten Rose	12 - 18"	march - april	white	part shade-shade	From late winter through mid-spring, rich burgundy pink buds open to ivory white blossoms which become streaked with rose and chartreuse as they age. The attractive dark blue-green foliage remains compact in habit, unlike some other hybrids.
<i>Helleborus</i>	Wedding Bells	Wedding Party Wedding Bells Lenten Rose	18-24"	Late Winter- Spring		part shade-shade	Helleborus 'Wedding Bells' bears clear white, 2-2½" double flowers. Notable vigor, showy floral displays with large numbers of blossoms per plant, and rich flower color can be expected.
<i>Heuchera</i>	Berry Timeless	Berry Timeless Coral Bells	8"-10"	early summer - mid fall		sun-part shade- shade	This <i>H. villosa</i> hybrid has mint green foliage with light silvering and pink flowers that bloom over a long season. It is notable in that spent flower petals dry on the plant to a dark red, a nice contrast to new flowers coming on in lighter pink.
<i>Heuchera</i>	Black Pearl	Black Pearl Coral Bells	8-10"	Mid Summer		sun-part shade	'Black Pearl' forms an incredibly dense habit of shiny, jet black leaves with scalloped, ruffled edges. Each leaf has rosy purple undersides. White flowers with pink calyxes appear in midsummer.
<i>Heuchera</i>	Caramel	Caramel Coral Bells	12"	summer	white	part shade	Popular selection prized for its vigor and densely robust habit. Forms a rounded mound of large fuzzy leaves that range in color from apricot to amber depending on light levels and temperature. Cream flowers.
<i>Heuchera</i>	Electra	Electra Coral Bells	8"	summer	white	sun-part shade	Leaves emerge electric yellow and then soften to chartreuse with softer red veining. Nice mounding habit makes this great for paths and containers.
<i>Heuchera</i>	Grape Expectations	Grape Expectations Coral Bells	12" - 34"	june - july	white	sun-part shade	A new <i>H. villosa</i> hybrid selected for improved growth and vigor. Forms a dense mound of durable grape purple leaves with black veins. A bright silver overlay appears in midsummer. Creamy flowers.
<i>Heuchera</i>	Lava Lamp	Lava Lamp Coral Bells	12-16"	summer	foliage	part shade-shade	Rounded leaves emerge coppery orange before turning to deep purple. Flowers are creamy white, but the foliage is the star.
<i>Heuchera</i>	Lime Ruffles	Lime Ruffles Heuchera	16"-18"	aug.-sept.	foliage	part shade	A vigorous mound with very large and ruffled lime green leaves with a frosty white overlay. Shows better heat tolerance. Attractive white flowers in the fall on medium spikes.
<i>Heuchera</i>	Midnight Rose	Midnight Rose Coralbells	12" - 18"	foliage	foliage	sun-part shade	Exciting dark purple foliage thickly spotted hot pink!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Heuchera</i>	Silver Gumdrop	Dolce Silver Gumdrop Coral Bells	6-8"	summer	pink	part shade- shade	Semi-glossy, iridescent silver leaves are topped with vibrant pink flowers. Leaves take on a rosy blush overtone later in the season.
<i>Heuchera</i>	Twist of Lime	Twist of Lime Coral Bells	8-10"	Summer		part shade- shade	Incredibly wavy, chartreuse yellow leaves perform well in dappled shade or morning sun. Cream flowers appear in early summer.
<i>Heuchera americana</i>	Marvelous Marble	Marvelous Marble Coral Bells	12"	early-mid summer		sun-part shade-shade	Selection of a native plant with foliage that emerges purple and turns green with a silvery blush later in the summer. Creamy white flowers rise 8" above the leaves in early-mid summer.
<i>Hibiscus</i>	Airbrush Effect	Airbrush Effect Hibiscus	3.5-4.0'	Summer		sun-part shade	8-8½", vibrant pink flowers with salmon tones have an airbrushed central white halo and a small dark red eye. Overlapping petals create a three dimensional look to the flowers. The rich, dark green foliage forms a compact habit.
<i>Hibiscus</i>	Summerific Perfect Storm	Summerific Perfect Storm Hibiscus	30-36"	Summer		sun-part shade	A naturally compact selection that works well in large containers. Large 7-8", white flowers with a red eye are produced all over the dense, rounded clump of deep black-purple maple-like leaves.
<i>Hibiscus moscheutos</i>	Midnight Marvel	Midnight Marvel Hibiscus	4'	mid summer- early fall	red	sun	8" red flowers glow against the richest purple foliage in the genus. Buds occur not just at the tips but all down the stems.
<i>Hibiscus syriacus</i>	Orchid Satin	Orchid Satin Rose of Sharon	8'	Summer		sun	Exceptionally large pink single blooms are accented by a dramatic red eye. The graceful branches of this non-invasive new variety make it a very appealing addition to the mixed border. Seedless rose of Sharon means less work and more enjoyment!
<i>Hosta</i>	Abiqua Drinking Gourd	Abiqua Drinking Gourd Hosta	18"	july - august	white	part shade- shade	Dark, blue-green seer-suckered leaves with heavy substance display a unique cupped form. Good slug resistance.
<i>Hosta</i>	Autumn Frost	Autumn Frost Hosta	12 - 16"	July - August	lavender	part shade- shade	New showy hosta with extra wide margins. Froxy blue leaves have bright yellow margins that lighten to creamy white in summer. Light lavender flowers.
<i>Hosta</i>	Blueberry Muffin	Blueberry Muffin Hosta	14"	May - June	purple	part shade- shade	Excellent new blue Hosta forms medium-sized mound of large, blue, rounded leaves that are rugose and puckered in unusual patterns. Lavender flowers in early summer.
<i>Hosta</i>	Cathedral Windows	Cathedral Windows Hosta	18-20"	July-August	foliage	part shade- shade	Large, rounded leaves are patterned with bright golden centers inside wide, dark green borders. Mature plants form broad clumps, and the leaves become dome-shaped. Tall stems bear near-white, very fragrant flowers.
<i>Hosta</i>	Curly Fries	Curly Fries Hosta	8"	june-july	purple	sun-part shade	A dynamic hosta with narrow, rippled chartreuse leaves. Mature plants have red petioles. Lavender flowers. Upcoming 2016 American Hosta Growers hosta of the year - plant it now!

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Hosta</i>	Designer Genes	Designer Genes Hosta	18"	Late Summer		part shade-shade	'Designer Genes' is incredibly striking in the spring as the brilliant yellow leaves emerge from contrasting deep wine red shoots. It quickly grows to form a medium sized mound of bright yellow leaves with showy bright red petioles.
<i>Hosta</i>	Fire and Ice	Fire and Ice Hosta	20-22"	Midsummer		part shade-shade	heart-shaped leaves with wide, pure white centers and dark green margins. Lavender flowers in midsummer. Use this medium-sized hosta in containers, as a specimen, or in mass plantings.
<i>Hosta</i>	Lakeside Paisley Print	Lakeside Paisley Print Hosta	10"	July	lavender	part shade-shade	Stunning small hosta features thick substanted, heart-shaped leaves with very wide, wavy, green margins. Narrow, creamy white markings in the center shoot out in a feathery pattern from the cream petioles.
<i>Hosta</i>	Mighty Mouse	Mighty Mouse Hosta	8"	Summer		part shade-shade	In spring, the rounded leaves of heavy substance are blue-green with a bright creamy yellow margin. By summer, the leaves transition to grey-green with a creamy white margin.
<i>Hosta</i>	Prairie Sky	Prairie Sky Hosta	14"	mid-summer		part shade	One of the bluest hostas available. Retains its showy color all season. Forms a tight clump of powdery blue, lightly cupped leaves of thick substance. Pale lavender flowers.
<i>Iberis sempervirens</i>	Snowflake	Snowflake Evergreen Candytuft	8-10"	Spring		sun	Large clusters of flowers carpet the narrow, evergreen leaves from mid to late spring. This variety is a new vegetative selection which offers consistency in height and habit.
<i>Iris</i>	Black Gamecock	Black Gamecock Louisiana Iris	2' - 3'	summer	purple	sun-part shade	Beautiful, huge buds open to display their velvety, deep purple flowers with narrow gold signal. Should be planted in consistently moist, boggy soil or shallow water.
<i>Iris ensata</i>	Variegata	Striped Japanese Iris	18 - 20"	may - june	purple	sun-part shade	This strikingly beautiful, deer-resistant iris has creamy white-and-green, vertically striped, broad foliage. Each clump can reach 20" in height with a similar spread. In late spring, each clump is topped with attractive, pale lavender-blue flowers.
<i>Iris pallida</i>	Argentea Variegata	Argentea Variegata Sweet Iris	34"	Late Spring		sun-part shade	New foliage emerges in spring with creamy yellow margins that fade to ivory as the season progresses, with classic lavender-blue flowers to emerge in late spring.
<i>Iris siberica</i>	Butter & Sugar	Butter & Sugar Siberian Iris	28"	june	yellow	sun-part shade	Rebloomer with creamy standards and butter yellow falls. Great cut flower.
<i>Iris siberica</i>	Contrast in Styles	Contrast in Styles Siberian Iris	28-34"	Early Summer		sun-part shade	This showy selection of Siberian Iris is perfectly named for its incredible contrasting color patterns. 3-5" flowers have rich wine purple standards and falls and lighter blue-purple styles. This plant has narrow, green, disease resistant foliage.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Iris siberica</i>	Sky Mirror	Sky Mirror Siberian Iris	32-35"	Early Summer		sun-part shade	this Iris will give you the rare light blue shade that you've been needing for your early summer garden. Pale sky blue falls have navy blue centers and small light yellow signals. Its sky blue standards match the falls.
<i>Juncus effusus</i>	Big Twister	Big Twister Giant Corkscrew Rush	18-24"	n/a	foliage	sun	Large, spiraling foliage, resembling giant corkscrews twisting and turning creating a dramatic effect over water. More upright than 'Spiralis'. Prefers very moist to wet conditions
<i>Lathyrus latifolius</i>	Pearl Mix	Pearl Mix Sweet Pea	4-5'	mid summer		sun-part shade	This perennial sweet pea vine will climb whatever is near. Flowers are a mix of pink, white and red. They are scentless, but the vine does fix nitrogen in the soil.
<i>Leptinella squalida</i>	Platt's Black	Platt's Black Leptinella	4 -6"	summer	white	sun-part shade	Tiny, dark purply-green leaved, ferny looking foliage with minute, white button-like flowers without petals. Perfect for groundcover and trough gardens. Truly unique! Prefers moist soil in sun or part shade.
<i>Leucanthemum superbum</i>	Banana Cream	Banana Cream Shasta Daisy	15 - 18"	june - august	yellow	sun	Superb selection. Huge 4-5" flowers open lemon yellow, brightening to light butter yellow and finally to creamy white as they mature. Fuller look with a longer summer bloom. Excellent disease resistance on a compact plant with dark green foliage.
<i>Leucanthemum superbum</i>	Highland White Dream	Highland White Dream Shasta Daisy	24 - 30"	Early summer-Late summer	white	sun	Exemplary garden performance with white semi-double flowers held on starkly upright stems.
<i>Liatris spicata</i>	Floristan Violet	Floristan Violet Gayfeather	32" - 36"	mid-late summer	purple	sun	Large spikes of rosy-purple flowers. Best variety for cut flowers.
<i>Liatris spicata</i>	Floristan White	Floristan White Gayfeather	3' - 4'	summer	white	sun-part shade	Large spikes of white flowers.
<i>Ligularia</i>	Bottle Rocket	Bottle Rocket Ligularia	28-34"	Midsummer		part shade	A perfectly proportioned plant with its mustard yellow flowers held on chocolate stems just at the top of the dense clump of foliage so no naked stems show.
<i>Ligularia dentata</i>	Britt-Marie Crawford	Britt Marie Crawford Black-leaved Ligularia	3' - 4'	july - september	orange	part shade-shade	Broad, glossy, dark chocolate leaves with dark purple undersides. Golden orange, daisy-like flowers on purplish-black stems. Needs consistent moisture to avoid flagging on warm days.
<i>Lilium</i>	Stargazer	Stargazer Oriental Lily	3-6'	Summer		sun	Bright crimson-pink flowers with purple spots and white edges. These lilies grow will grow tall without needing to be staked.
<i>Linum perenne</i>	Nanum Sapphire	Nanum Sapphire Flax	10"	late spring	blue	sun	Planted en masse, the azure-blue, 3/4 in. flowers look like a sea of blue floating above the compact, finely textured foliage. Self-seeds.
<i>Liriope spicata</i>		Creeping Lily-turf	8 - 12"	august	lavender	sun-part shade-shade	Evergreen groundcover with 1/4 in. wide, dark green, strappy leaves. Upright arching habit. Flowers resemble grape hyacinths. Will grow amongst tree roots in the shade.
<i>Lobelia cardinalis</i>		Cardinal Flower	3'	summer	red	sun-part shade	Native to much of North America. Bright red flower spikes with green, lanceolate leaves. Excellent plant for moist conditions.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Lobelia speciosa</i>	Starship Deep Rose	Starship Deep Rose Cardinal Flower	20"-24"	mid-late summer		sun-part shade	Summer-flowering perennial attracts hummingbirds. Showy, mid-height plants covered with masses of electric pink flowers are ideal for containers for the centre of the border. Sturdy, bushy plants are low maintenance. Produces masses of flowers.
<i>Lobelia speciosa</i>	Starship Scarlet	Starship Scarlet Cardinal Flower	18-24"	July-September	red	sun-part shade	A sturdy, bushy plant with numerous stems of bright scarlet red flowers and bronze green foliage.
<i>Lupinus</i>	Popsicle Series	Popsicle Series Lupine	18 - 24"	june - july	mixed	sun-part shade	A mixed seed strain of lupines that includes a wide range of blues, purples, yellows, reds, pinks, and bicolor flowers. Will grow into well-established clumps, with several stems rising up out of a single base.
<i>Lupinus</i>	Russell Hybrids	Russell Hybrids Lupines	30 - 36"	june	mixed	sun-part shade	Spikes of closely set sweet pea type blossoms in a rich color range.
<i>Lysimachia nummularia</i>	Aurea	Golden Moneywort	6-8"	summer	yellow	sun-part shade	Low golden foliage, yellow flowers, great for accent. Also great in annual containers.
<i>Mazus reptans</i>		Creeping Mazus	3 - 6"	april - aug	purple	sun-part shade	Forms a green mat of foliage covered by purple flowers all season. This is the attractive groundcover growing around the mins in the herb garden!
<i>Mentha suaveolens</i>	Variiegata	Variiegated Pineapple Mint	20"	summer		sun-part shade	Fruity flavored mint with attractive, cream and green variegation. Pluck out stems that start growing all-green to maintain the variegation.
<i>Monarda</i>	Bee- You Bee- Lieve	Bee- You Bee-Lieve Bee Balm	15-18"	summer		sun	Bees love them. Growers love them. Bee-Lieve has beautiful, baby pink flowers, accented by maroon bracts.
<i>Monarda</i>	Bee- You Bee- True	Bee- You Bee-True Bee Balm	12-15"	Summer		sun	Bees love them. Growers love them. Raspberry red flowers with a center that looks like a red velvet cupcake, make this new bee balm a hit for any sunny spot.
<i>Monarda didyma</i>	Coral Reef	Coral Reef Bee Balm	36-42"	mid-late summer	pink	sun	Produces heads of large, shaggy, bright salmon-pink flowers in mid to late summer. Slightly fragrant foliage, and more resistance to powdery mildew than older varieties.
<i>Nepeta</i>	Purrsian Blue	Purrsian Blue Catmint	14-18"	summer		sun	This compact selection forms a densely mounded clump of green, aromatic foliage and nearly doubles its spread in year 2. Highly floriferous; periwinkle blue flowers with dark purple calyxes are produced for months.
<i>Nepeta faassenii</i>	Kitten Around	Kitten Around Catmint	12-14"	Summer-Fall		sun	Even more compact and petite than its predecessor, this plant forms a tight, round mound of aromatic foliage. Bright rosy purple calyxes hold periwinkle blue flowers. The perfect size for containers or filling in space garden spaces.
<i>Penstemon</i>	Blackbeard	Blackbeard Beardtongue	24-36"	summer	pink	sun	Dark purple flower stems hold its lilac purple flowers with their white flaring tubes high above the low mound of deep eggplant purple leaves. Attractive dark burgundy seed pods follow the flowering performance for extended seasonal interest.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Penstemon</i>	Elfin Pink	Elfin Pink Beardtongue	12"	early summer	pink	sun-part shade	Bright pink, trumpet-shaped flowers are borne in profusion on thin spikes. They make a tremendous color statement when planted in groups. Drought tolerant and easy to grow. Attracts hummingbirds.
<i>Penstemon</i>	Pikes Peak Purple	Pikes Peak Purple Penstemon	15"	june - august	purple	sun-part shade	Violet purple flowers. Narrow, dark green leaves form an attractive mound. Thrives in a wide range of sites and soils.
<i>Perovskia atriplicifolia</i>	Little Spire	Little Spire Russian Sage	25"	late summer - mid fall	blue	sun	Selected for its short, upright habit. Small, narrow, grey-green leaves compliment the lavender-blue flowers. A long blooming selection.
<i>Persicaria amplexicaulis</i>	Golden Arrow	Golden arrow Mountain Fleece	18-24"	summer	red	sun-part shade	Broad, lance-shaped golden green leaves form a spreading mound of foliage, topped with slender, tassel-like spikes of tiny, dark red flowers.
<i>Persicaria filiformis</i>	Painter's Palette	Painter's Palette Polygonum	2'	may - june	foliage	sun-part shade	Green leaves with central red-brown zones, ivory-yellow splashes and stripes, and overall deep pink tinge.
<i>Phlox</i>	Fashionably Early Crystal	Fashionably Early Crystal Phlox	24-32"	Summer		sun	In addition to being early blooming, this plant boasts a long season of color. Pure white flowers with a faint light purple eye appear from early summer well into midsummer with rebloom in fall. Broad, dark green, thick foliage stays beautiful all season.
<i>Phlox</i>	Fashionably Early Flamingo	Fashionably Early Flamingo Phlox	30-36"	Summer		sun	In addition to being early blooming, it boasts a long season of color. Perfectly defined panicles of light lavender pink flowers bloom prolifically well into midsummer with some rebloom in fall.
<i>Phlox</i>	Fashionably Early Princess	Fashionably Early Princess Phlox	28-32"	Summer		sun	Light fuchsia pink flowers and a darker pink eye appear well into midsummer with some rebloom in fall. Broad, thick, glossy green foliage stays beautiful all season.
<i>Phlox paniculata</i>	Barsixty	Flame White Eye Garden Phlox	15" - 18"	midsummer-early fall		sun	White flowers with a magenta eye on relatively short plants with good mildew resistance. Long bloom time.
<i>Phlox paniculata</i>	Barsixtytwo	Flame Series Coral Phlox	15 - 18"	summer	red	sun	Large clusters of vibrant coral red flowers atop relatively short, bushy clumps of medium green foliage. Mildew resistant with fragrant flowers.
<i>Phlox paniculata</i>	Starfire	Starfire Garden Phlox	36"	summer	red	sun	Fragrant cherry red flowers against darker foliage.
<i>Phlox subulata</i>	North Hills	North Hills Phlox	4-6"	Late Spring		sun	Something new in creeping phlox! This darling little selection produces bright white flowers with a prominent violet purple eye.
<i>Polemonium caeruleum</i>	Brise d' Anjou	Brise d' Anjou Jacob's Ladder	15 - 20"	early summer	blue	part shade	Elegant, vibrant, creamy variegated foliage gives way to violet-blue flowers.
<i>Polygonatum odoratum</i>	Variiegatum	Variiegated Solomon's Seal	18" - 24"	may - june	white	part shade-shade	Graceful arching stems with green leaves edged in white. Lovely in a bouquet, too.
<i>Pulmonaria</i>	Majeste	Majeste Lungwort	12"	spring	blue	part shade	Blue-pink flowers with silver-gray foliage that has a very narrow green margin.
<i>Pulmonaria</i>	Raspberry Splash	Raspberry Splash Lungwort	12"	spring	pink	sun-part shade	Dusky raspberry-coral flowers. Silvered leaves and a strong upright growing habit.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Pulmonaria saccharata</i>	Mrs. Moon	Mrs. Moon Lungwort	10 - 12"	spring	blue	part shade-shade	Silver-gray dotted leaves form an attractive mound of foliage that is great for brightening up the shade garden. Magenta-pink buds open to bright blue bells. Excellent under planting for taller shrubs.
<i>Pulsatilla patens</i>		Pasque Flower	6 - 12"	spring	purple	sun	Early spring wildflower that features hairy, fern-like foliage and erect, open bell-shaped, solitary, blue-violet (but occasionally yellow or white) flowers. South Dakota's state flower.
<i>Pycnanthemum virginianum</i>		Mountain Mint	24 - 36"	june - sept	white	sun-part shade	Densely flowered with white to shades of light purple, some with purple spots. Leaves are very fragrant, when crushed they have a strong minty odor.
<i>Rheum palmatum</i>	Tanguticum	Tanguticum Rhubarb	35-70"	Early Summer		sun-part shade	Cousins to regular old garden rhubarb, the ornamental forms are wonderful for their bold, architectural effect in the border. This form has large pointy-edged leaves tinged with bronzy-red in spring, later becoming green.
<i>Rudbeckia fulgida</i>	Goldsturm	Goldsturm Black Eyed Susan	24"	mid-summer	yellow	sun-part shade	Deep yellow daisy-like flowers, black cone. Wonderful in masses. Trouble free and long lived.
<i>Sagina subulata</i>		Scotch Moss	1" - 2"	spring	white	sun-part shade	Lush chartreuse to yellow moss-like foliage forms a soft mat that is good along walkways and between stepping stones. Tiny white flowers add to its beauty in spring. Tolerates moderate foot traffic.
<i>Salvia argentea</i>		Silver Sage	6"	foliage	foliage	sun	Very large, wooly leaves form a showy rosette. Usually biennial. Dramatic accent plant. Kids love.
<i>Salvia nemorosa</i>	Caradonna	Caradonna Perennial Salvia	24-30"	early summer	pink	sun	Starkly upright habit and dark purple flower stems. They really set off the bright violet-blue flowers and are great in fresh bouquets.
<i>Salvia nemorosa</i>	Lyrical Rose	Lyrical Rose Perennial Salvia	22-24"	summer	pink	sun	Chubby spikes of bright rose-pink flowers (up to 20 per plant) attracts bees and butterflies from summer to fall. Strong, robust plant with a bushy, compact habit. Heat and drought tolerant.
<i>Sambucus nigra</i>	Eiffel 1	Licorice Stix Elderberry	6-8'	Early Summer		sun-part shade	This beautiful elderberry has a stiffly upright columnar growth habit. Glossy black purple foliage is most colorful in full sun. Big blooms all summer followed by berries in fall.
<i>Sedum</i>	Firecracker	Sunsparkler Lime Zinger Sedum	6"	aug-sept.	pink	sun	Low growing sedum with burgundy red foliage. More robust and vigorous than 'Cherry Tart'. Bright pink flowers in late summer.
<i>Sedum</i>	Lemonjade	ROCK 'N GROW® Lemonjade Autumn Stonecrop	16-18"	Fall		sun	Lemonjade® bears large 5-7" panicles of bright citron yellow flowers which completely cover the top of the foliage in early fall. As the cold weather sets in, the seed heads take on rosy peach tones.
<i>Sedum</i>	Lime Zinger	Sunsparkler Lime Zinger Sedum	4"	Summer		sun-part shade	A new, very hardy succulent groundcover, with fantastic lime green leaves edged in bright cherry red. In late summer, soft pink flower clusters dance just above a dense colorful mat of disease-free foliage.
<i>Sedum</i>	Superstar	Rock N Grow Superstar Autumn Stonecrop	10-12"	Late Summer- Early Fall		sun	Dark turquoise succulent leaves have a smoky gray overlay. Later in the season, rosy pink flowers with hot pink carpels explode over the dome-like habit with great flower coverage.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Sedum dasyphyllum</i>	var. glanduliferum	Corsican Stonecrop	2"	foliage	foliage	sun	One of the tiniest and most useful stonecrops. The environment can change the sky blue leaves to gray or lilac mauve.
<i>Sedum reflexum</i>	Angelina	Angelina Stonecrop	6 - 8"	foliage	foliage	sun-part shade	Amazing, brilliant, golden conifer shaped leaves on trailing stems. Brightens hanging basket combos, borders and rock gardens. Orange fall color.
<i>Sedum reflexum</i>	Blue Spruce	Blue Spruce Stonecrop	4-6"	summer	yellow	sun	A vigorous, mat-forming succulent with blue-green needles arranged around the stems. Yellow flowers in summer. Drought tolerant.
<i>Sedum sieboldii</i>		October Daphne	6 - 10"	july - aug	pink	sun	Forms a rounded mound, sending out horizontal branches from the central crown. Blue-green leaves around the stems and each leaf is narrowly outlined in deep pink. Bright pink, star-shaped flowers are borne in small clusters at the ends of the stems.
<i>Sedum spurium</i>	Fuldaglut	Fulda Glow Stonecrop	3-6"	summer	red	sun	Bronze-red foliage keeps its color all season long. Rose-red flowers appear on short stalks above the foliage in late summer.
<i>Sempervivum</i>	Black	Black Hen and Chicks	4-6"	Summer		sun	This hardy succulent has green centers with dark, black red tips and is the perfect choice for gravelly, poor soils
<i>Sempervivum</i>	Limelight	Limelight Hen and Chicks	4-6"	Summer		sun	This variety forms an attractive rosette of lime green leaves with pink tips.
<i>Sempervivum</i>	Ruby Heart	Ruby Heart Hen & Chicks	3 - 4"	summer	pink	sun	Forms rosettes of sharply pointed, silvery blue leaves which are flushed rosy-red at the base. Colors vary by season. Unique, pinkish flowers bloom on short leafy stalks.
<i>Sempervivum</i>	Silverine	Silverine Hen and Chicks	4"		foliage	sun	Rosettes of sharply pointed, silvery-green leaves that are flushed reddish-purple at the base.
<i>Sempervivum arachnoidium</i>	Cobwebs	Cobwebs Hens and Chicks	3 - 4"	july	red	sun	Covered with fine, white threads which crisscross between the leaves' tips like a cobweb. Each rosette of pointy, blue-green leaves grows about 1 inch wide. Unusual rose-red flowers are produced on leafy stalks.
<i>Sempervivum calcareum</i>	Mrs. Giuseppi	Mrs. Giuseppi Hen and Chicks	2 - 4"	foliage	foliage	sun	One of the most interesting color and geometric patterns of the Sempervivums! Gray-blue leaves have eye-catching maroon triangular tips. Ideal plant for troughs and dishes.
<i>Stachys officinalis</i>	Hummelo	Hummelo Common Betony	18 - 24"	june - july	pink	sun	Basal rosettes of textured, somewhat glossy foliage with rose-lavender spikes on sturdy stalks.
<i>Tradescantia</i>	Charlotte's Web	Charlotte's Web Spiderwort	16-24"	summer	blue	sun-part shade-shade	Grass-like, chartreuse to gold leaves are edged with a thin red margin in spring. Small, soft blue flowers open in the morning and close on sunny days.
<i>Tricyrtis formosana</i>	Amethystina	Amethystina Toad Lily	24"	late summer	white	part shade-shade	Exceptional flowers whose petals are white and blue with red tips and red spots.
<i>Tricyrtis formosana</i>	Autumn Glow	Autumn Glow Toad Lily	24-26"	Summer - Fall		part shade-shade	Orchid-like, reddish purple to blue violet speckled blossoms appear from late summer into early fall in the north, midsummer in the south. An excellent perennial for adding late season color to the shade garden.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Tricyrtis hirta</i>	Moonlight	Moonlight Toadlily	24"	august - september	white	part shade-shade	Fabulous fall bloomer. Striking chartreuse foliage with orchid-purple spotted white flowers blooming on arching stems.
<i>Tricyrtis hirta</i>	White Towers	White Towers Toad Lily	18 - 20"	july - august	white	part shade-shade	Pure white flowers on fuzzy leaves. A useful very late blooming addition to the shade garden.
<i>Vernonia lettermanii</i>	Iron Butterfly	Ironweed	24-36"	September-October	purple	sun	Fine textured foliage with purple flowers, with a dwarf habit.
<i>Veronica</i>	Enchanted Indigo	Magic Show Enchanted Indigo Speedwell	16"	summer	purple	sun-part shade	Vivid royal purple flower wands are borne prolifically atop the compact, full mound of bright green foliage. Often reblooms in late summer.
<i>Veronica</i>	Pink Potion	Magic Show Pink Potion Speedwell	14"	summer	pink	sun-part shade	Baby pink flower wands are borne prolifically atop a rounded, low clump of deep green foliage.
<i>Veronica</i>	Waterperry Blue	Waterperry Blue Speedwell	3 - 6"	April - Oct	blue	sun	Low, creeping, mound-forming plant produces many round, dark-veined, lavender-blue flowers in the spring and may bloom intermittently throughout the summer. Foliage is shiny green with a tinge of burgundy which intensifies in cold weather.
<i>Veronica</i>	White Wands	Magic Show White Wands Speedwell	14-16"	Summer		sun-part shade	White Wands' is the perfect height to plant behind your low-growing perennials, with their long, narrow flower spikes that look like wands.
<i>Yucca filamentosa</i>	Color Guard	Color Guard Adam's Needle	24"	aug.	foliage	sun	Sword-shaped leaves bear bold central stripes of bright canary-yellow against a pale gray-green edge. In cool weather, margins are tinged pink, and the entire yellow stripe turns rose-colored. Flower stalk rises to 6' and holds pendulous, creamy flowers!
<i>Yucca filamentosa</i>	Variegata	Varigated Yucca	18"	Spring		sun	The hairy leaves of <i>Yucca filamentosa</i> 'Variegata' are green with a stunning creamy white margin that remains bright all year on the 18" tall x 2' wide upright clumper. The 5' tall stalks of tall white bell-shaped flowers appear in late spring

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
SHRUBS							
Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Buddleia</i>	Dark Dynasty	Dark Dynasty Butterfly Bush	3'	Late Summer- Early Fall		sun	Rich royal purple, fragrant flowers are borne on branched panicles from late summer into early fall, just in time to feed the migrating Monarchs passing through.
<i>Buddleia</i>	Pugster Blue	Pugster Blue Butterfly Bush	24"	Summer-Fall		sun	This compact plant displays large, full flowers that bloom non-stop from early summer until frost. Each true blue flower has a yellow orange eye in the center.
<i>Buddleia</i>	Pugster Pink	Pugster Pink Butterfly Bush	24"	Summer-Fall		sun	Candy pink flowers are large size, even though the plant is compact. Blooms all summer long with no deadheading.
<i>Buddleia</i>	Pugster White	Pugster White Butterfly Bush	24"	Summer-Fall		sun	Large full sized white blooms shine on summer nights. Compact plant with thicker stems for better winter survival. Blooms continuously without deadheading.
<i>Buddleia davidii</i>	Glass Slippers	Monarch Glass slippers Butterfly Bush	3'	summer	blue	sun	'Glass Slippers' forms a relatively low, wide spreading, tightly knit cushion topped with pale periwinkle blue blossoms held on silvery, branched stems from late summer into early fall.
<i>Buxus</i>	Green Mountain	Green Mountain Boxwood	4 - 6'	foliage	white	sun-part shade	Oval-pyramidal habit with beautiful dark green glossy foliage. Wonderful winter structure in the garden.
<i>Cephalanthus occidentalis</i>	Sugar Shack	Sugar Shack Buttonbush	36-48"	Summer		sun-part shade	More compact and versatile in the landscape, this native shrub works best in moist soils. Perfect for rain gardens. Fragrant white flowers give way to colorful red fruit with glossy foliage surrounding.
<i>Cornus alba</i>	Brushed Burgundy	Brushed Burgundy Tatarian Dogwood	5'	Late Spring		sun-part shade	A colorful and extremely hardy shrub with bright green and white summer foliage. Interesting pink and burgundy hues in fall, and striking red stems in winter.
<i>Cornus alba</i>	Siberica	Coral Red Dogwood	5-8'			sun-part shade	Stunning bright red bark which adds color to the winter garden! It has been given an Award of Garden Merit (AM), which is for plants of outstanding excellence.
<i>Diervilla splendens</i>	Kodiak Red	Kodiak Red Honeysuckle	3-4'	Summer-Fall		sun-part shade	Rich red spring foliage on upright burgundy stems becomes green with hints of red in summer, and transforms into a vivid red in fall. Clusters of small yellow flowers throughout summer and into fall are followed by distinctive red seed pods.
<i>Exochorda x macrantha</i>	Lotus Moon	Lotus Moon Pearl Bush	4-5'	April/May		sun	This spring bloomer is covered in white round flower buds resembling a string of pearls. Flowers are borne on previous year's growth. Lotus Moon has bright green foliage on compact, upright, mounded plants.
<i>Hydrangea macrophylla</i>	LA Dreamin	LA Dreamin Hydrangea	24-30"	Early Spring - Late Fall		part shade	LA Dreamin blooms all season with blooms that potentially are both pink and blue depending on soil ph. It blooms off new and old wood. The blooms continue from spring to fall.
<i>Hydrangea paniculata</i>	Jane	Little Lime Panicle Hydrangea	5'	june-september		sun	Lime green cone-shaped flowers emerge in midsummer and are held upright on compact plants. Flowers age to pink, then brown. Smaller version of the popular 'Limelight.'

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Hydrangea paniculata</i>	'SMHPLQF'	Little Quick Fire Hydrangea	3-5'	Early Summer		sun	This hydrangea is a dwarf form of the popular 'Quick Fire'. Flowers display a dark pink-red color before other paniculatas start to bloom. A great showy specimen. Wide & upright habit.
<i>Hydrangea quercifolia</i>	Gatsby Moon	Gatsby Moon Oakleaf Hydrangea	6-8'	Summer-Fall		sun-part shade	This is a distinctive, showy take on our beloved native oakleaf hydrangea. Doubled florets are similar to those of 'Harmony,' but more weather-resistant. The green foliage has wonderful wine-red fall color.
<i>Hydrangea serrata</i>	MAKD	Tiny Tuff Stuff Mountain Hydrangea	18-24"	Summer		sun-part shade	The flowers age to an attractive pink, and tip down in a distinctive arching fashion. It has smaller, narrower leaves and an abundance of dainty flowers that cover the plant every summer. Rebloomer.
<i>Hydrangea serrata</i>	SMNMAKTSR	Tuff Stuff Red Mountain Hydrangea	24-36"	Summer		sun-part shade	Large, lacecap flowers are a deep pink-red color which is set off by lustrous, deep green foliage. Small, rounded habit gives Tuff Stuff Red extra versatility. Reblooming.
<i>Hypericum kalmianum</i>	Blues Festival	Blues Festival St. John's Wort	24-36"	Summer		sun	Attractive blue-green leaves contrast with bright yellow sunburst-like flowers in July and August. This deer-resistant little shrub is a very low-maintenance and colorful option for landscaping.
<i>Hypericum kalmianum</i>	Cobalt-n-Gold	Cobalt-n-Gold St. John's Wort	2-3'	Late Spring- Early Summer		sun	This mounded grower has silver-green foliage with 3/4" sunny yellow flowers. Leaves transform to yellow, orange and red, and reveal an attractive exfoliating bark.
<i>Itea virginica</i>	Sprich	Little Henry Sweetspire	2'	Early Summer		sun-part shade	Compact, white-flowering & gorgeous fall color describe this Zone 5 shrub. Round and wide shape. The white flower panicles are attractive to butterflies and other insects.
<i>Lespedeza thunbergii</i>	Pink Fountain	Pink Fountain Shrub Bushclover	4 - 6'	june - july	pink	sun	One of the most graceful and delicate of all flowering shrubs. Clothed with small pea-like foliage and clear pink flowers.
<i>Orixa japonica</i>		Orixa	4'	n/a	foliage	part shade-shade	Very good compact shrub for shady situations. Rich, deep green glossy leaves add light and sparkle to a dark area.
<i>Physocarpus opulifolius</i>	Center Glow	Center Glow Ninebark	6 - 8'	may - june	white	sun-part shade	Striking newly emerging foliage is bright rosy red with a golden yellow center. Foliage matures to deep burgundy followed by clusters of contrasting white flowers and finally bright red fruit. A great background shrub or informal hedge.
<i>Physocarpus opulifolius</i>	Nugget	Nugget Ninebark	3-6'	Spring-Summer		sun-part shade	Physocarpus opulifolius 'Nugget' is a compact variety with golden yellow foliage maturing to lime green. The compact habit and contrasting foliage color.
<i>Rhododendron</i>	Minnetonka	Minnetonka Rhododendron	5-6'	Late Spring		sun-part shade	Light purple blooms with glossy deep green foliage. Foliage is compact and round habit. Moist to well drained soils.
<i>Rhododendron</i>	Nova Zembla	Nova Zembla Rhododendron	5'	Mid Spring		part shade	Rhododendron x 'Nova Zembla' is a dense-growing, small evergreen shrub valued for its large trusses of red showy flowers. Thrives in cooler regions but some protection from winter wind is helpful.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Rosa</i>	BAlage	Easy Elegance High Voltage Rose	3' - 4'	summer	yellow	sun	Clusters of double yellow blossoms are held high on sturdy canes. Super clean foliage complements the fragrant blooms. Upright, vase-shaped habit will stand up in the back of the border or stand out as an accent. Portland Rose Society Best Shrub Rose 2010
<i>Rosa</i>	BAling	Easy Elegance Grandma's Blessing Shrub Rose	18 - 24"	summer	pink	sun	Grandma's Blessing has a symmetrical, vase-shaped form and dark-green, disease-resistant foliage. Stunning color combines beautifully with many perennials and also makes an elegant low hedge.
<i>Rosa</i>	BAlnce	Easy Elegance Sweet Fragrance Shrub Rose	2' - 4'	june - sept		sun	Well-rounded, 3-4" double blossoms in tones of apricot, orange, and yellow open to release their delicious perfume. Older flowers turn salmon pink. Vigorous plants; good disease resistance.
<i>Rosa</i>	BALmir	Easy Elegance Kashmir Rose	3-4'	Summer		sun	Velvety red blooms as soft as cashmere. Evenly rounded habit. Perfect for accent plant or low hedge. Reblooming.
<i>Rosa</i>	BALypso	Easy Elegance Calypso Rose	2'	Summer		sun	Numerous delightful, double apricot blooms cover this compact shrub rose. Dark glossy green foliage. Reblooming.
<i>Rosa</i>	RADsun	Sunny Knockout Shrub Rose	3.5 - 4'	summer	yellow	sun	From the creator of Knock Out, same disease resistance with fabulous blooms of lemon-yellow. Buds deep golden yellow, satiny medium green foliage.
<i>Salix integra</i>	Hakuro Nishiki	Hakuro Nishiki Willow	15-20'	April	foliage	sun-part shade	Unique white & pink mottled foliage. Wonderful plant when used as shrub and copied to ground.
<i>Sambucus nigra</i>	Black Lace	Black Lace Elderberry	5 - 8'	May - June	pink	sun-part shade	Distinctive lacy foliage all season and soft pink early summer flowers. Season long color and texture. Fall fruit attracts birds. Deer resistant. Very cold hardy and easy to grow, and adaptable to most sites. Full sun is needed for the best color.
<i>Spiraea betulifolia</i>	Tor	Tor Birchleaf Spirea	2-3'	Mid- Late Spring		sun	Compact, rounded shrub having clusters of white flowers in mid to late spring. The foliage is birch shaped and appears dark grey-green in spring turning shades of red, orange and purple in fall.
<i>Spiraea betulifolia</i>	Tor Gold	Glow Girl Birchleaf Spiraea	36"	june-aug.		sun	Lemon-lime colored foliage turns shades of gold and orange in the fall. Blooming in June, the buds are rose and open into white flowers.
<i>Vaccinium</i>	Blueberry Glaze	Blueberry Glaze Blueberry	2-3'	Spring		sun-part shade	In spring, white flowers ripen into a dramatic display of color as the berries turn yellow, to red, then a dark blue! The ripe fruit is packed with aromatic flavors and antioxidants. Perfect for patio pots or the landscape.
<i>Vaccinium</i>	Pink Popcorn	Pink Popcorn Blueberry	4-5'			sun	Compact plant produces medium sized, pink to cream berries with true blueberry flavor. A hardy, northern high bush with showy white flowers and crimson fall foliage.
<i>Vaccinium</i>	Sunshine Blue	Sunshine Blue Bluebeard	3-4'	Late Spring		sun	perfect for small gardens or large patio tubs. Blue-green foliage and showy pink to white flowers provide ornamental value, followed by an abundant crop of fruit. Self-fruiting.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Viburnum cassinoides</i>	KLMC	Challenger Witherod Viburnum	5 - 6'	June - July	white	sun-part shade	Flat-topped clusters of small creamy ivory flowers during midsummer followed by fruits that turn pink, then red, blue and finally black. Clean, dark green, healthy foliage changes to a striking orange-red and purple in fall.
<i>Viburnum dentatum</i>	IN Select	Red Feather Viburnum	8-10'	Early Summer		sun-part shade	new growth that appears two-toned, maroon and green, resembling the feathers at the base of an arrow, hence the name. Creamy-white flowers appear in early summer followed by blue-black berries in fall.
<i>Viburnum lantana</i>	Mohican	Mohican Viburnum	6'	Spring		sun-part shade	compact shrub with dark green foliage turning purple to bronze in the fall. Creamy-white flowers appear in spring giving way to fruit in summer. Fruit will have a wide range of color from orange to red and finally black in fall.
<i>Viburnum rufidulum</i>	Royal Guard	Royal Guard Viburnum	12'	mid-late May		sun-part shade	An excellent upright to columnar growing shrub ideal for smaller spaces. Growing 12' tall and only 6-8' wide.

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
TREES							
Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Acer palmatum</i>	Bloodgood	Bloodgood Japanese Maple	4-5'	N/A	foliage	sun-part shade	Deep, reddish purple leaf coloration all summer. Slow growing, round headed with excellent cold hardiness.
<i>Acer palmatum var. dissectum</i>	Waterfall	Waterfall Laceleaf Japanese Maple	8-10'	April		sun-part shade	Small reddish-purple blooms appear in April, which in turn become winged samaras which will ripen in September-October. This is a weeping cultivar.
<i>Acer shirasawanum</i>	Autumn Moon	Autumn Moon Golden Full Moon Maple	8 - 12'	N/A	foliage	sun-part shade	A selection of the highly acclaimed "Golden Full Moon" maple with handsome pale yellow-green foliage. Rounded, shallow lobed leaves turn orange-red in fall under favorable conditions. Slower in growth, it eventually forms a rounded shrub or small tree.
<i>Alnus glutinosa</i>	Imperialis	Imperialis Cutleaf Common Alder	50'			sun-part shade	An attractive, graceful selection showcasing unusual deeply dissected foliage. Plants are moderate growers and will develop into small pyramidal trees in time.
<i>Cercis canadensis</i>		Eastern Redbud	20-30'	Spring		sun	Eastern Redbud has rosy-pink small flowers appearing in early spring before leaves appear. Heart-shaped leaves appear reddish purple, turning green in summer, yellow in fall.
<i>Cornus alba</i>	Prairie Fire	Prairie Fire Dogwood	7'	Late Spring		sun-part shade	A colorful and extremely hardy accent shrub with bright golden foliage, fading to a soft yellow in summer. Fall foliage is brilliant red and flaming orange-red stems provide winter interest. Creamy white flowers.
<i>Cornus controversa</i>	Janine	Janine Dogwood	8-12'	Summer		part shade	Beautiful horizontally tiered branches display striking green and yellow foliage. Creamy white flowers during early summer. Prefers a partly shaded, moist location.
