Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Astilbe	Burgundy Red	Burgundy Red Astilbe	18 - 20"	June - July	red	sun-part shade	Dark red flowers open to a rich burgundy red. As the flowers age, they turn a vibrant shade of fuchsia. Glossy, deep green, finely dissected foliage.
perennial	Astilbe	Peach Blossom	Peach Blossom Astilbe	24"	Jun-Jul	peach	sun-part shade	Delicate pink
perennial	Astilbe	Radius	Radius Astilbe	20 - 26"	June - July	red	sun-part shade	Forms large, robust clumps. Burgundy buds open to bright red.
perennial	Astilbe chinensis	Pumila	Dwarf Chinese Astilbe	10"	Aug-Sept	pink	sun-part shade	Lilac-pink flowers on fuzzy, stiff plumes. One of the last Astilbes to bloom. Mid-green leaves form a low carpet of foliage.
perennial	Astilbe x ardensii	Beauty of Ernst	Color Flash Astilbe	8-12"	summer	pink	part shade-shade	Awesome plant! A shade garden must. Tri-color foliage emerges green, matures to burgundy-purple and changes to vibrant gold, orange and russet in the fall. Delicate pink blooms.
perennial	Astilbe x ardensii	Beauty of Lisse	Color Flash Lime Astilbe	8 - 12"	summer	pink	part shade	Unique new Astilbe with glossy green leaves changing to gold shades throughout the season. Amazing fall color!
perennial	Athyrium filix-femina	Victoriae	Victoriae Lady Fern	18 - 24"	foliage	N/A	part shade-shade	New! This unique crested Lady Fern has criss-crossing leaflets along the entire length of each frond. The crested tips continue to lengthen all season, looking more like fringe with each passing week. Forms an upright arching clump.
perennial	Athyrium niponicum	Apple Court	Apple Court Crested Japanese Painted Fern	12"	foliage	N/A	part shade-shade	NEW! Similar in color to 'Pictum', but with distinctly crested leaflets along the entire length of each frond and at the tip. Forms a low mound that spreads slowly by rhizomes.
perennial	Baptisia australis		False Indigo	3 - 4'	april - may	blue	sun-part shade	Bush plant with blue-green pea-like foliage. Flowers are indigo blue in long terminal erect racemes. Also produces fruit in the form of a 2 - 3" pod which turns black when mature.
perennial	Baptisia x bicolor	Starlite Prairieblues	Starlite Prairieblues False Indigo	24-36"	may - june	blue	sun-part shade	Wide mounded plant with arching branches and racemes of periwinkle-blue and buttery-yellow florets.

perennial	Baptisia x variicolor	Midnight Prairieblues	Midnight Prairieblues False Indigo	36 - 48"	may - june	blue	sun-part shade	The newest of the False Lupine introductions of Jim Ault, 'Midnight Prairie Blues' has deep, deep blue lupine like flowers. Slow growing at first, all Baptisia eventually become almost shrublike in their dimensions, easily 3-4' tall and up to 5' wide.
perennial	Begonia grandis	var. evansiana	Hardy Begonia	18-24"	june - frost	pink	shade	With a little protection, this special plant will make though our WI winter. Masses of pink flowers all summer, upright branching.
perennial	Belamcanda chinensis	Freckle Face	Freckle Face Blackberry Lily	18 - 24"	August	orange	sun	A profusion of showy orange blossoms with heavy red speckling and shading are produced atop a clump of green, sword-shaped foliage. Tan, pear shaped seed pods burst open to reveal clusters of black seeds in fall.
perennial	Belamcanda chinensis		Blackberry Lily Belamcanda	24 - 36"	july - aug	orange	sun	A profusion of unique star-shaped flowers are produced on compact plants. They can vary in color from bright yellow-orange to near red, and are always heavily spotted with red. The foliage is sword-shaped like that of a tall bearded iris.
perennial	Bergenia	Lunar Glow	Lunar Glow Pig Squeak	10 - 12"	spring	pink	part shade-shade	Short spikes of dark-pink, bell-shaped flowers contrast to the creamy-yellow young foliage in spring. Shiny leathery evergreen leaves become reddish-purple in fall and burgundy red throughout winter. Thrives in warm humid climates.
perennial	Brunnera macrophylla	Jack Frost	Jack Frost Heartleaf Brunnera	12 - 15"	april - may	blue	part shade-shade	Frosty silver overlay with light green venations. Leaves shimmer in the garden creating a shining contrast against companion plants. Blue forget-me-not like flowers produced on wispy panicles in spring.
perennial	Brunnera macrophylla	King's Ransom	King's Ransom Heartleaf Brunnera	10 - 12"	april - may	blue	shade	Displays a wide, creamy yellow margin and light cream frosting over the remainder of the silver leaves. After the dainty blue forget-me-not type flowers are produced in spring, the margins lighten to creamy white.
