Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Buddleia</i>	Dark Dynasty	Dark Dynasty Butterfly Bush	3'	Late Summer- Early Fall		sun	Rich royal purple, fragrant flowers are borne on branched panicles from late summer into early fall, just in time to feed the migrating Monarchs passing through.
<i>Buddleia</i>	Pugster Blue	Pugster Blue Butterfly Bush	24"	Summer-Fall		sun	This compact plant displays large, full flowers that bloom non-stop from early summer until frost. Each true blue flower has a yellow orange eye in the center.
<i>Buddleia</i>	Pugster Pink	Pugster Pink Butterfly Bush	24"	Summer-Fall		sun	Candy pink flowers are large size, even though the plant is compact. Blooms all summer long with no deadheading.
<i>Buddleia</i>	Pugster White	Pugster White Butterfly Bush	24"	Summer-Fall		sun	Large full sized white blooms shine on summer nights. Compact plant with thicker stems for better winter survival. Blooms continuously without deadheading.
<i>Buddleia davidii</i>	Glass Slippers	Monarch Glass slippers Butterfly Bush	3'	summer	blue	sun	'Glass Slippers' forms a relatively low, wide spreading, tightly knit cushion topped with pale periwinkle blue blossoms held on silvery, branched stems from late summer into early fall.
<i>Buxus</i>	Green Mountain	Green Mountain Boxwood	4 - 6'	foliage	white	sun-part shade	Oval-pyramidal habit with beautiful dark green glossy foliage. Wonderful winter structure in the garden.
<i>Cephalanthus occidentalis</i>	Sugar Shack	Sugar Shack Buttonbush	36-48"	Summer		sun-part shade	More compact and versatile in the landscape, this native shrub works best in moist soils. Perfect for rain gardens. Fragrant white flowers give way to colorful red fruit with glossy foliage surrounding.
<i>Cornus alba</i>	Brushed Burgundy	Brushed Burgundy Tatarian Dogwood	5'	Late Spring		sun-part shade	A colorful and extremely hardy shrub with bright green and white summer foliage. Interesting pink and burgundy hues in fall, and striking red stems in winter.
<i>Cornus alba</i>	Siberica	Coral Red Dogwood	5-8'			sun-part shade	Stunning bright red bark which adds color to the winter garden! It has been given an Award of Garden Merit (AM), which is for plants of outstanding excellence.
<i>Diervilla splendens</i>	Kodiak Red	Kodiak Red Honeysuckle	3-4'	Summer-Fall		sun-part shade	Rich red spring foliage on upright burgundy stems becomes green with hints of red in summer, and transforms into a vivid red in fall. Clusters of small yellow flowers throughout summer and into fall are followed by distinctive red seed pods.
<i>Exochorda x macrantha</i>	Lotus Moon	Lotus Moon Pearl Bush	4-5'	April/May		sun	This spring bloomer is covered in white round flower buds resembling a string of pearls. Flowers are borne on previous year's growth. Lotus Moon has bright green foliage on compact, upright, mounded plants.
<i>Hydrangea macrophylla</i>	LA Dreamin	LA Dreamin Hydrangea	24-30"	Early Spring - Late Fall		part shade	LA Dreamin blooms all season with blooms that potentially are both pink and blue depending on soil ph. It blooms off new and old wood. The blooms continue from spring to fall.
<i>Hydrangea paniculata</i>	Jane	Little Lime Panicle Hydrangea	5'	june-september		sun	Lime green cone-shaped flowers emerge in midsummer and are held upright on compact plants. Flowers age to pink, then brown. Smaller version of the popular 'Limelight.'

Species	Cultivar	Common Name	Height	Bloom Time	Color	Light	Description
<i>Hydrangea paniculata</i>	'SMHPLQF'	Little Quick Fire Hydrangea	3-5'	Early Summer		sun	This hydrangea is a dwarf form of the popular 'Quick Fire'. Flowers display a dark pink-red color before other paniculatas start to bloom. A great showy specimen. Wide & upright habit.
<i>Hydrangea quercifolia</i>	Gatsby Moon	Gatsby Moon Oakleaf Hydrangea	6-8'	Summer-Fall		sun-part shade	This is a distinctive, showy take on our beloved native oakleaf hydrangea. Doubled florets are similar to those of 'Harmony,' but more weather-resistant. The green foliage has wonderful wine-red fall color.
<i>Hydrangea serrata</i>	MAKD	Tiny Tuff Stuff Mountain Hydrangea	18-24"	Summer		sun-part shade	The flowers age to an attractive pink, and tip down in a distinctive arching fashion. It has smaller, narrower leaves and an abundance of dainty flowers that cover the plant every summer. Rebloomer.
<i>Hydrangea serrata</i>	SMNMAKTSR	Tuff Stuff Red Mountain Hydrangea	24-36"	Summer		sun-part shade	Large, lacecap flowers are a deep pink-red color which is set off by lustrous, deep green foliage. Small, rounded habit gives Tuff Stuff Red extra versatility. Reblooming.
<i>Hypericum kalmianum</i>	Blues Festival	Blues Festival St. John's Wort	24-36"	Summer		sun	Attractive blue-green leaves contrast with bright yellow sunburst-like flowers in July and August. This deer-resistant little shrub is a very low-maintenance and colorful option for landscaping.
<i>Hypericum kalmianum</i>	Cobalt-n-Gold	Cobalt-n-Gold St. John's Wort	2-3'	Late Spring- Early Summer		sun	This mounded grower has silver-green foliage with 3/4" sunny yellow flowers. Leaves transform to yellow, orange and red, and reveal an attractive exfoliating bark.
<i>Itea virginica</i>	Sprich	Little Henry Sweetspire	2'	Early Summer		sun-part shade	Compact, white-flowering & gorgeous fall color describe this Zone 5 shrub. Round and wide shape. The white flower panicles are attractive to butterflies and other insects.
<i>Lespedeza thunbergii</i>	Pink Fountain	Pink Fountain Shrub Bushclover	4 - 6'	june - july	pink	sun	One of the most graceful and delicate of all flowering shrubs. Clothed with small pea-like foliage and clear pink flowers.
<i>Orixa japonica</i>		Orixa	4'	n/a	foliage	part shade-shade	Very good compact shrub for shady situations. Rich, deep green glossy leaves add light and sparkle to a dark area.
<i>Physocarpus opulifolius</i>	Center Glow	Center Glow Ninebark	6 - 8'	may - june	white	sun-part shade	Striking newly emerging foliage is bright rosy red with a golden yellow center. Foliage matures to deep burgundy followed by clusters of contrasting white flowers and finally bright red fruit. A great background shrub or informal hedge.
<i>Physocarpus opulifolius</i>	Nugget	Nugget Ninebark	3-6'	Spring-Summer		sun-part shade	Physocarpus opulifolius 'Nugget' is a compact variety with golden yellow foliage maturing to lime green. The compact habit and contrasting foliage color.
<i>Rhododendron</i>	Minnetonka	Minnetonka Rhododendron	5-6'	Late Spring		sun-part shade	Light purple blooms with glossy deep green foliage. Foliage is compact and round habit. Moist to well drained soils.
<i>Rhododendron</i>	Nova Zembla	Nova Zembla Rhododendron	5'	Mid Spring		part shade	Rhododendron x 'Nova Zembla' is a dense-growing, small evergreen shrub valued for its large trusses of red showy flowers. Thrives in cooler regions but some protection from winter wind is helpful.
