

SPRING SEASON

Autumn Meadow Plants

Native Midwestern prairie inspired meadow

| Common Name | Latin Name | Description |
|-----------------------------|---|---|
| Camas | <i>Camassia quamash</i> | Upright, spike blooms dotted with dozens of lavender-blue star shaped flowers. |
| Romance Spring Crocus | <i>Crocus chrysanthus 'Romance'</i> | Cup shaped flowers contain soft, creamy yellow petals that glow with a deep warm yellow inside. |
| Spring Beauty Spring Crocus | <i>Crocus biflorus ssp. isauricus 'Spring Beauty'</i> | Pale lilac petals with a dark purple flame and mid-purple interior, flowering at a height of six inches. |
| Snow Crocus | <i>Crocus tommasinianus</i> | Pale lavender, long tubed, goblet shaped flowers with white throats rising four inches tall. |
| Shooting Star | <i>Dodecatheon meadia</i> | Nodding long white-pink flowers face downward with reflexed petals towards a base of lance shaped leaves. |
| Prairie Smoke | <i>Geum triflorum</i> | Globular flowers give way to seeds that appear as a pink feather like haze atop a six inch stem. |
| Giant Snowdrop | <i>Galanthus elwesii</i> | Waxy, white bell shaped flowers with distinct green markings on the petals. |
| Royal Heritage Lenten Rose | <i>Helleborus 'Royal Heritage'</i> | Cup shaped flowers varying in shades of whites to pinks appear over glossy, evergreen leaves. |
| Bluebell | <i>Hyacinthoides non-scripta</i> | An arching spike containing fragrant, narrow shaped bell flowers in shades of deep violet and blue. |
| Spring Starflower | <i>Ipheion uniflorum 'Wisley Blue'</i> | Star shaped, sweetly fragrant light blue flowers with grass like foliage. |
| Blue-Eyed Grass | <i>Sisyrinchium angustifolium 'Suwannee'</i> | Delicate starry blue flowers rise above tufted clumps of narrow leaves. |
| Bronze Charm Batalin Tulip | <i>Tulipa batalinii 'Bronze Charm'</i> | Small yellow tulip with bronzy feathering blooms atop wavy, blue gray foliage. |
| Salmon Gem Batalin Tulip | <i>Tulipa batalinii 'Salmon Gem'</i> | Soft salmon pink petals open to a bright orange interior atop wavy, blue gray foliage. |
| Florentine Tulip | <i>Tulipa sylvestris</i> | Fragrant, elliptical, bright yellow tulip flowers. |
| Turkestan Tulip | <i>Tulipa turkestanica</i> | Star shaped, ivory flowers with yellow bases. |
